This book resolves to bridge the communication gap between research and clinical practice for

circadian rhythm sleep-wake disorders. Beginning with a scientific background on biological timekeeping, opening chapters describe the crucial nature of maintaining delicate temporal organization of physiological and molecular events within the body. Following this are

discussions on circadian physiology and methods of circadian assessments. Subsequent chapters then relay comprehensive information regarding the International Classification of Sleep Disorders-defined circadian rhythm sleep-wake disorders (CRSWDs), specifically

discussing etiology and epidemiology, but focusing on evidence-based treatment data. Concluding discussions provide guidance for the application of light therapy and discuss future roles for optimized lighting environments. Nuanced and market-demanded, Circadian Rhythm Sleep-Wake Disorders: An

Evidence-Based Guide for Clinicians and Investigators is an invaluable resource for Sleep Medicine clinicians, circadian researchers, and other interested parties. THERE ARE NO DOUCHEBAGS IN THIS STORY. Well, there are, but they're not who this story is about. This story is about me-the coach's daughter. When I moved to Iowa to live with my dad, the university's take-no-prisoners wrestling coach, I thought transferring would be

easy as pie—living with my father would be temporary, and he'd make sure his douchebags ever could. Wrestlers left me alone. Wrong on both counts. ASSHOLES ALWAYS COME OUT OF THE WOODWORK WHEN THE STAKES ARE HIGH. A bet is placed, and I'm on the table. After one humiliating night and too much alcohol, I find the last nice guy on campus. And when he offers to rent me his spare bedroom, I go all in. It's time for the nice guy to finish first. Midnight chats and spilling my problems turn to lingering touches. Lingering touches turn to more. And the ultimate good guy has the potential to do more damage than any

"I would love you forever if I only had the chance..."

Kacey Dawson has always lived life on the edge—impulsively, sometimes recklessly.

And now, as lead guitarist for a hot up-and-coming band, she is poised at the brink of fame and fortune. But she is torn between wanting to be a serious musician, and the demons that lure her down the

glittering, but alcohol-soaked path of rock stardom. A wrecked concert in Las Vegas threatens to ruin her career entirely. She wakes up with the hangover from hell and no memory of the night before, or how she ended up on her limo driver's couch... Jonah Fletcher is running out of time. He knows his situation is hopeless, and he's vowed to make the most of the handful of months he has left to him. His plans include seeing

the opening of his glass installation at a prestigious art gallery...they do not include falling in love with a wild, tempestuous rock musician who wound up passed out on his couch. Jonah sees that Kacey is on a path to self-destruction. He lets her crash with him for a few days to dry out and get her head on straight. But neither of them expected the deep connection they felt, or how that connection could grow so fast from friendship into

something more. Something deep and pure and life-changing...something as fragile as glass, that they both know will shatter in the end no matter how hard they try to hold on to it. *Cue Knopf Books for Young Readers* Tutti abbiamo un segreto da nascondere. Alcuni ne hanno di inconfessabili, altri di pericolosi, altri ancora di innocenti. Ma una cosa è certa: rivelare un segreto può cambiare per sempre le nostre vite, guarire i mali del

nostro animo, oppure crearci un bel po' di problemi... Kate Sedgwick non è mai stata molto fortunata, ha sopportato durezza e tragedie, ma nonostante ciò si è sempre sforzata di guardare l'aspetto positivo delle cose, tanto che per Gus, il suo amico del cuore, lei è il lato luminoso della vita. Kate ha tantissimi progetti per il futuro, è divertente, in gamba e ha un dono innato per la musica... L'unica cosa in cui non riesce proprio a credere è l'amore. Perciò, quando lascia San Diego e si

trasferisce a Grant, Minnesota, per frequentare il college, l'ultima cosa che si aspetta è di potersi innamorare. Eppure, l'incontro con Keller Banks le fa scoprire quanto sia dirompente la forza di un legame condiviso e la voglia di stare insieme nonostante tutto. Presto, però, il loro rapporto sarà messo a dura prova: entrambi custodiscono un segreto inconfessabile, qualcosa che non deve essere rivelato e che potrebbe dividerli per sempre... Una storia emozionante, che lascia in

bocca il sapore dolceamaro dei grandi romanzi d'amore. *Franco* Hachette UK
Lei non era solo la sua migliore amica, lei era la sua metà... L'altra metà del suo cervello e della sua coscienza, l'altra metà del suo senso dell'umorismo e della sua creatività, l'altra metà del suo cuore. Come si può tornare a essere ciò che si è stati, quando la parte più importante di noi se n'è andata per sempre? Gus è una rockstar, ma è anche un ragazzo fragile, arrabbiato con il mondo e con il destino che gli ha

sottratto la persona più cara, colei che arricchiva la sua vita e dava linfa alla sua musica. A riempire le sue giornate ora ci sono l'alcol, le ore passate con la band e le avventure di una sera con qualcuna delle numerose fan, ma Gus sa che non risolverà così i suoi problemi e che niente di tutto questo potrà mai sostituire ciò che ha perduto. Svuotato e senza ispirazione, messo sotto pressione dalla sua casa discografica, Gus sente di aver toccato il fondo. Ed è in quel momento che il destino gli restituisce ciò che

gli ha tolto facendogli incontrare Scout... Ma chi è davvero quella ragazza, e cosa nasconde nel profondo del cuore? Una storia di caduta e rinascita, l'emozionante percorso di un protagonista eccezionale. **Holden's Dollar Magazine** Simon and Schuster

The tragic tale of a Montana family ripped apart by scandal and murder: “a significant and elegant addition to the fiction of the American West” (Washington Post). In the summer of 1948, twelve-year-old David Hayden

witnessed and experienced a series of cataclysmic events that would forever change the way he saw his family. The Haydens had been pillars of their small Montana town: David's father was the town sheriff; his uncle Frank was a war hero and respected doctor. But the family's solid foundation was suddenly shattered by a bombshell revelation. The Hayden's Sioux housekeeper, Marie Little Soldier, tells them that Frank has been sexually assaulting his female Indian patients for years—and that she herself

was his latest victim. As the tragic fallout unravels around David, he learns that truth is not what one believes it to be, that power is abused, and that sometimes one has to choose between loyalty and justice. Winner of the Milkweed National Fiction Prize

In this second of the sultry Coming Home series from New York Times bestselling author Harper Sloan, Quinn Davis might finally have a shot at her own happily-ever-after—but will she let love in, or will she tell it to go ahead and kiss her boots? Quinn Davis prefers to live her life quietly. She's the stereotypical tomboy with two overprotective big brothers who have always been there to protect her, especially from devilishly handsome cowboys with silver tongues. That is, until Tate Montgomery comes riding into town. Their first

meeting, however, is far from something out of a fairy tale and only further convinces Quinn that men aren't worth her time. The only place Tate Montgomery ever truly felt at home growing up was during the long, sweltering summer months he spent at his Gram and Paw's farm in Pine Oak, Texas. Now, Tate has returned to his childhood sanctuary seeking a fresh start—but if he's being entirely honest, he's not just back for the wranglers and Stetsons. During those summers, Quinn was a friend-turned-young-love who Tate lost when life threw him a curveball and he cut all ties to his past; but all it takes

is one glance at the raven-haired beauty he did his best to forget for him to realize just how much he's been missing....

From the USA TODAY bestselling author of Sweet Thing and Nowhere But Here comes a love story about a Craigslist “missed connection” post that gives two people a second chance at love fifteen years after they were separated in New York City. To the Green-eyed Lovebird: We met fifteen years ago, almost to the day, when I moved my stuff into the

NYU dorm room next to yours at Senior House. You called us fast friends. I like to think it was more. We lived on nothing but the excitement of finding ourselves through music (you were obsessed with Jeff Buckley), photography (I couldn't stop taking pictures of you), hanging out in Washington Square Park, and all the weird things we did to make money. I learned more about myself that year than any other. Yet, somehow, it all fell apart. We lost touch the summer after graduation

when I went to South America to work for National Geographic. When I came back, you were gone. A part of me still wonders if I pushed you too hard after the wedding... I didn't see you again until a month ago. It was a Wednesday. You were rocking back on your heels, balancing on that thick yellow line that runs along the subway platform, waiting for the F train. I didn't know it was you until it was too late, and then you were gone. Again. You said my name; I saw it on your lips. I tried to will the train to

stop, just so I could say hello. After seeing you, all of the youthful feelings and memories came flooding back to me, and now I've spent the better part of a month wondering what your life is like. I might be totally out of my mind, but would you like to get a drink with me and catch up on the last decade and a half? M
