French Children Don't Throw Food Harvest
House Publishers

The stakes have never been higher as daughters of every age are navigating a world of hyper-sexualization, social media hangover, extreme loneliness, and a flood of confusing messages. Whether readers desire to know more of who they are created to be or are raising daughters who are just beginning their own journeys, Courageous leads women and those they love through transformation as they experience: confidence in who God made them to be resiliency regardless of

circumstances faithfulness to God's heartbeat bold living through faith-filled risk-taking the joy of finding their voice and then using it for the voiceless vibrant community with other daughters Crafted with biblical wisdom, professional insights, and personal stories, Courageous explores the core concerns that plague every woman's relationship with God, self, and others. Terra Mattson invites women and girls to join a global movement of Courageous Girls as they discover an empowered sense of purpose and an identity rooted in God's grace so they can love and be loved like never before.

VentureGirls Lifeway Church Resources Provides effective guidelines to help parents raise daughters, explaining how to avoid sexual stereotypes, widen opportunities, enhance learning, and cultivate strong, spirited, and caring young women. Original. How To Raise A Boy Penguin Group Australia A solid sense of self-worth helps children make

good choices, develop healthy relationships, and work to achieve their dreams. Based on a biblical understanding of human value, *Building Confidence in Your Child* teaches moms and dads how to parent positively to help their children grow into secure adults who are poised for success in life. Deftly balancing the principles of humility and pride, trusted author and parenting expert Dr. James Dobson offers practical pointers that break through the theories and get right down to the decisions parents have to make every day.

Girls Will Be Girls Harvest House Publishers

Compiles three previously published works that discuss the author's approach to parenting, strategies for disciplining difficult children, and tips for dealing with the problems that children face.

The Princess Bitchface Syndrome 2.0 Tyndale House Pub

Mystified by the situations girls face today? There's a good reason, Mom. Our girls are growing up in a completely different world than we did. But whether your daughter is very young or a teenager, you can equip yourself with the wisdom and practical help she needs for the pressures and decisions ahead. With keen insight and warm encouragement, Cheri Fuller shares how you can become a more welcome influence at every stage in your daughter's life. Drawing from her own experiences and the expertise of others, Cheri answers all the top questions, including: "How can I help my girl avoid the

dangers of social media and navigate the digital world?" "How can I counter society's unhealthy messages about body image and sexuality? "How can I help my daughter (and me!) deal with her emotional ups and downs?" "What are the best ways to instill good values?" "How can I help her grow a firm faith in God?" Filled with trustworthy suggestions, this book will help you steer your daughter toward becoming a healthy, confident young woman. Includes Reflection Questions for Personal or Group Use Great for understanding granddaughters, too!

Home with a Heart Tyndale Momentum

The book everyone is talking about: how the French manage to raise well-behaved children, and have a life! Who hasn't noticed how well-behaved French children are, compared to our own? How come French babies sleep through the night? Why do French children happily eat what is put in front of them? How can French mothers chat to their friends while their children play quietly? Why are French mothers more likely to be

seen in skinny jeans than tracksuit bottoms?

Untangled Tyndale House Publishers, Inc.

Provides a child-rearing guide for difficult-to-handle children and is intended for parents needing help with sibling rivalry, ADHD, low self esteem, and other birth-adolescent issues.

Raising Boys Tyndale House Publishers, Inc.

You've forgiven a thousand times. You've bent over backwards to make your partner feel loved and accepted. But the only reward for your loyalty has been anger, indifference, infidelity, or abuse. Your spouse may even be ready to walk out the door. Do you feel like all is lost? Are you ready to give up? There IS still hope. Dr. James Dobson's "tough love" principles have proven to be uniquely valuable and effective. Unlike most approaches to marriage crisis, the strategy in this groundbreaking classic does not require the willing cooperation of both spouses. *Love Must Be Tough* offers the guidance that gives you the best chance of rekindling romance, renewing your relationship, and drawing your partner back into your arms.

She Is Yours Penguin

Steve Biddulph's *Raising Boys* was a global phenomenon. The first book in a generation to look at boys' specific needs, parents loved its clarity and warm insights into their sons' inner world. But today, things have changed. It's girls that are in trouble.

Dads and Daughters Tyndale House Publishers, Inc.

In this *Queen Bees and Wannabes* for the elementary and middle school set, child and adolescent psychotherapist Katie Hurley shows parents of young girls how to nip mean girl behavior in the bud. Once upon a time, mean girls primarily existed in high school, while elementary school-aged girls spent hours at play and enjoyed friendships without much drama. But in this fast-paced world in which young girls are exposed to negative behaviors on TV and social media from the moment they enter school, they are also becoming caught up in social hierarchies much earlier. *No More Mean Girls* is a guide for parents to help their young daughters navigate tricky territories such as friendship building, creating an authentic self, standing up for themselves and others, and expressing themselves in a healthy way. The need to be liked by others certainly isn't new, but this generation of girls is growing up in an age when the "like" button shows the world just how well-liked they are. When girls acknowledge that they possess positive traits that make them interesting, strong, and likeable, however, the focus shifts and their self-confidence soars; "likes" lose their importance. This book offers actionable steps to help

parents empower young girls to be kind, confident leaders who work together and build each other up.

Bringing Up Boys Ballantine Books
An entertaining compilation of commentaries dealing with dozens of family-related topics, such as adolescence, money, marriage, and much more.

What Wives Wish Their Husbands Knew About Women National Academies Press

This is the ultimate guide to raising our daughters right—from parenting authority and trusted family counselor Dr. James Dobson. Peer pressure. Eating disorders. Decisions about love, romance, and sex. Academic demands. Life goals and how to achieve them. These are just some of the challenges that girls face today—and the age at which they encounter them is getting younger and younger. As a parent, how are you guiding your daughter on her journey to womanhood? Are you equipping her to make wise choices? Whether she's still playing with dolls or in the midst of the often-turbulent teen years, is she truly secure in her identity as your valued and loved daughter? In the New York Times bestseller *Bringing Up Girls*, Dr. James Dobson will help you face the challenges of raising your daughters to become strong, healthy, and confident women who excel in life.

Bringing Up Girls Random House
A practical guidebook and

passionate call-to-arms for parents of girls that empowers them to raise confident, well-rounded daughters in an exploitative world, from the author of the international bestseller *Raising Boys*. In today's world, it's especially critical for girls to grow up strong and capable. In this impassioned follow-up to his bestselling *Raising Boys*, author Steve Biddulph brings together the best thinking from around the world on how to raise daughters of sound character who know that they are loved, and can stand up for themselves and others. Biddulph teaches parents how to build their daughters' self-assuredness, encourage friendships, and equip them to learn and believe in themselves. This detailed guidebook teaches parents, grandparents, and caretakers exactly what matters for and to girls at which age, and how to build confidence and connectedness from infancy to young womanhood.

This book illustrates the simple pleasures of raising boys.

Raising Girls in the 21st Century: Helping Our Girls to Grow Up Wise, Strong and Free
Tyndale House

From an engineer and entrepreneur, a conversation-changing parenting book about how to engage young women in

science, technology, engineering, and math, filled with practical advice for both parents and educators. As the female CEO of a tech startup, Dr. Cristal Glangchai was outnumbered twenty to one. At Google, Twitter, and Facebook, women currently fill just ten to twenty percent of technical jobs. While career opportunities in science, technology, engineering, and math have increased dramatically in the past twenty years, the achievement gap between men and women has only grown wider. In VentureGirls, Glangchai offers a unique solution based on her own experience as an engineer and entrepreneur as well as the founder of the VentureLab, an academy of entrepreneurship and technology for girls. Practical, accessible, and filled with success stories, VentureGirls argues that a key part of raising strong, confident young women is giving them the tools of entrepreneurship to engage in STEM. Entrepreneurship isn't just about starting companies, Glangchai writes, it is a skillset and a way of thinking that is particularly useful in the fields of science, mathematics, engineering, and technology. Entrepreneurship involves identifying needs, brainstorming creative solutions, innovating, and taking calculated risks. In short, it's about having a vision and making it a reality. The true value in learning and practicing entrepreneurship, Glangchai argues, lies in nurturing and growing an overall mindset—the ability to learn from failure and to work well with others to bring your ideas to life. Deeply informative, warm, and grounded in real-world experience, VentureGirls includes a plethora of activities and lessons that focus on strengthening kids' ingenuity and resilience. VentureGirls is essential reading for anyone who wants to raise girls and young women who realize their strength, engage in the world, and feel empowered to make a positive impact.

Rise of the Girl HarperCollins
"My six-year-old fusses with her hair for hours. Is this normal?" "Yesterday my seventh grader was all sunshine. Today she's wearing black and won't leave her room." "I'm worried my teenager may have an eating disorder." In today's complex world, parenting a girl is harder than ever. It takes more than love. It takes insight into the things that make your daughter tick as she grows from childhood to young adulthood. Drawing on the authors' fifty-plus years of combined

counseling experience, *Raising Girls* takes you inside the mind and soul of your girl. You'll obtain seasoned, expert insights on your daughter's different stages of development from ages zero to nineteen. How you can effectively relate to her at each stage. What is normal behavior, what isn't, and when and how to intervene. How to deal with self-destructive behavior such as eating disorders, cutting, or experimentation with alcohol . . . and much more. Spiced with stories, humor, and much reassurance, *Raising Girls* will help you encourage your daughter, challenge her, love her, and help her discover who God is creating her to be.

Parenting Matters Penguin

What do you do when your previously quiet, loving daughter becomes a restless, rebellious stranger who acts like a responsible adult one day and a rude, selfish brat the next? You stay calm, and consult the experts. By the time they turn thirteen, adolescent girls look like they're ready for anything - but they're not. Our girls are growing up in a society that is rapidly changing and challenging the skills of even the most experienced parents. A roadmap is needed to guide parents through this new landscape, to ensure we bring up happy, healthy young women. This indispensable

book focuses on the special trials of raising adolescent girls today, including: adolescent development in a new society pressures at school parenting strategies that work parenting in the digital age sex and drugs mental health. In this fully revised and expanded edition, leading adolescent psychologist Dr Michael Carr-Gregg and researcher Elly Robinson also discuss the single most prolific and influential factor of our times - technology. If you feel like you're losing control when it comes to parenting your daughter, it's time to grab back the reins.
