The Fifth Mrs Brink is Karina M. Szczurek's memoir of her life before, during and after her marriage to André P. Brink. Polish-born Karina was twenty-seven when she met the acclaimed writer, forty-two years her senior, and they spent a decade together. Here she chronicles their relationship, from their first encounter in Vienna, Austria, and moving across continents to be with each other, to finding calm and stability in their married life in Cape Town, and finally facing the challenges of André's deteriorating health in the last year of his life. This soul-baring account is also the story of two interwoven writing lives, Karina's burgeoning and André's in its final phase. It is a diary of creative dissolution and knitting back together, a homage to a marriage reality tragically cut short but also to a love to last a lifetime.

With the passing of one millennium and the beginning of the new, all of creation seems to anticipate the coming of something "big," something that may forever change life as we know it. In Pastor Rod Parsley's words, we are On the Brink. In this "fullness of time" period, believers must realize that there is a force that is consciously and skillfully directing destructive images, enticements, and entrapments toward our homes, marriages, and children. This force is the Spirit of the Age, pure and simple demon power. Using a strong biblical foundation and real-life stories of victory over evil, Parsley shows readers how to

resist evil and experience a divine breakthrough to fulfill God's purposes in these last days. *Effective Security Officer's Training Manual* Tate Publishing  
'It wasn't only Britain's biggest heist, it became the bloodiest' Mail on Sunday The inside story of the 20th century's most lucrative armed robbery. On 26 November 1983 six armed robbers escaped with £28 million worth of gold bullion from a Brink's-Mat warehouse at London's Heathrow Airport. The Curse of Brink's-Mat reveals the pulse-racing full story of the crime itself before moving to its chilling aftermath, which still reverberates to this day. The heist made the careers of many of the underworld's biggest names, and changed the face of British crime forever but in the years that followed the robbery, many of those involved, innocent and guilty alike have been sent to an early grave. Two decades on, the death toll is still rising. Nobody knows more about that extraordinary morning's events than Wensley Clarkson. Nobody is better placed to track the vicious, violent and unexpected waves that followed in its wake or bring to life its cast of larger-than-life characters. From small-time crime in south-east London, to 'the heist of the century' and its bloody consequences, Wensley Clarkson's The Curse of Brink's-Mat is an epic tale of villainy, gold and revenge.

### **Brink of Extinction** R.A. Harrington

? Major League Baseball was in crisis in 1968. The commissioner was inept, professional football was challenging the sport's popularity and the game on the field was boring, with pitchers dominating hitters in a succession of dull, low-scoring games. The major league expanded for the 1969 season but the muddled process by which new franchises were selected highlighted the ineffective management of the sport. This book describes how baseball reached its nadir in the late 1960s and how it survived and began its slow comeback. The lack of offense in the game is examined, taking in the great pitching performances of Denny McLain, Bob Gibson, Don Drysdale and others. Colorful characters like Charley Finley and Ken Harrelson are covered, along with the effects that dramatic changes in American society and the war in Vietnam had on the game.

### **Perdition's Brink** iUniverse

Unnoticed by everyone, Luke had stayed frozen in his spot. He stared, unseeing, at the spot in space where Grant's head had been. His eyes were wide and unbelieving. What did I just do?" Luke has to come to terms with a newfound power and responsibility that has unceremoniously been thrown on his lap. Seemingly alone, with nobody to share his frustrations, he has to make a decision that nobody else can. A decision that can either lead to the harnessing of power for a greater cause, or one that can lead to his ultimate destruction. What is happening to Luke? What is the presence that watches him from afar and seems to trigger the power that flows through his veins? In this story of self-discovery, reunification, and mystery, journey with Luke, his friends, and his family as he strives to find out what is driving him to the brink of his own sanity. Step into a reality turned fantasy with him as he discovers more about his origins and the secrets that he never knew existed...until they unravelled before him.

### **The Mirage on the Brink of Oblivion** Simon & Schuster

From the outside looking in, it appears as if architect Paul Randolph and his wife, Brenda, have it all. They've lived a comfortable life in the same house on Songbird Lane in New Orleans East with their two children, nine-year-old Jason and seven-year-old Janie, for the last ten years. But Paul's life is a lie. None of his dreams of a vine-covered cottage with a little picket fence are anywhere near reality. He feels trapped in a loveless marriage and is emotionally unable to have an affair. Paul is not sexually attracted to women, and he is frightened to make a sexual advance on a man for fear the man will react unfavorably, or even violently. On the Brink follows Paul's journey as he addresses the emotional and psychological aspects of his sexuality. He is torn between his love for his children, his societal position, and a desperate desire for integrity. Weary of suppressing his true self, Paul deliberates his fate, his only desire being wholeness.

### **Baseball on the Brink** Rowman & Littlefield

Abomination! Caleb Baker is not alive. He's been twisted, damned, and dumped near the remote desert town of Perdition. He struggles for answers to his new undead state while caught between evil agents who want to recruit him, a holy knighthood vowed to destroy those like him, and a town full of very odd residents who don't trust anyone or anything strange. Despite the evil growing within him, Caleb soon finds himself in an unusual alliance with a beautiful knight and her priestly brother—a joint venture to discover the truth about strange happenings in and around Perdition. The

three aren't prepared for the depth of malevolence at the root of the truth-truth that brings grave danger to Caleb's soul and the whole of humankind. Caleb stands on the brink of damnation and redemption, hopelessness and hope, and subjection and free will. Which way will he fall?

A riveting and frequently hilarious insider account of one of the twentieth century's most outrageous capers. On the evening of January 17, 1950, armed robbers wearing Captain Marvel masks entered the Brink's Armored Car building in Boston, Massachusetts. They walked out less than an hour later with more than \$2.7 million in cash and securities. It was a brazen and expertly executed theft that captured the imaginations of millions of Americans and baffled the FBI and local law enforcement officials. But what appeared on the surface to be the perfect crime was, in fact, the end result of a mind-boggling series of mistakes, miscalculations, and missteps. The men behind the masks were not expert bank robbers but a motley crew of small-time crooks who bumbled their way into a record-breaking payday and managed to elude the long arm of the law for six years. New York Times—bestselling author Noel Behn tape-recorded nearly one thousand hours of interviews with the surviving robbers, including motormouthed mastermind Tony Pino, a character so colorful he might have been dreamed up by a Hollywood screenwriter, to tell the uncensored story of the heist forever known as “the Great Brink's Robbery.” Fun and suspenseful from first page to last, Behn's true-crime classic was the basis for The Brink's Job (1978), the Academy Award—nominated film directed by William Friedkin and starring Peter Falk and Peter Boyle.

### **Brink of Death** Open Road Media

At the time of the Cuban Missile Crisis, Britain was Americas first-line defense, a vulnerable, but unsinkable aircraft carrier on which the United States based the Strategic Air Commands first-strike elements of their Americas nuclear deterrent. The Strategic Air Commands UK bases and the RAFs V-Force were ordered to the highest state of readiness at any time during the Cold War. Nuclear weapons were loaded, some nuclear-armed aircraft went on round-the-clock airborne patrol, others were held at cockpit readiness. But the British public was largely unaware that, as tensions rose thousands of miles away, the UK itself was under imminent threat of Armageddon. The book focuses on the implications for Britain of the covert deployment by the Soviet Union of ballistic nuclear missiles ninety miles off the US coast. It follows the crisis as it developed in London, Washington and Moscow. It looks at secret planning in the UK for World War III, and the activities of the JIGSAW Group (Joint Inter-Services Group for the Study of All-Out War). It also examines how close the UK went to activating Visitation, the code name for the movement of parts of the British State into a secret bunker referred to in Whitehall as The Quarry. Britain on the Brink also reveals the major strategic rethink the Cuban Crisis forced on Prime Minister Macmillan and the British Government.

To anyone who has ever wondered if broken could be powerful and beautiful, the cover portrait depicts you, and everyone who, when at the brink of breaking, chose to heal. This is you – unbound, invaluable, whole. In this collection of stories, walk along the journey of the characters and witness their distinctive ways of escaping and embracing the cracks within them. Losing innocence to hunger. Being married to abuse. A gaping wound left by miscarriage. “One thing I knew back then was that hunger does not starve with you. Hunger slowly eats you. In its rancidity the good, the right, the bad and the wrong corrode alike.” – To the Elysian Fields “Given the social stigma sewn in strongly with incidences of domestic violence, the victims suffer in the embrace of torture without a noise. Is it murder only when you kill a person? What is it when you kill a personality?” – The Bird that Stayed Back “Somehow it is so much easier to spot people who have void in their lives. It shows up on them. He and I share the same void, only it does not show up on him as severely as it does on me.” – By the Name of Faith If you knew you could heal your

---

cracks with something precious, would you still resist healing?

**On the Brink** St. Martin's Paperbacks

The noises, faint, fleeting, whispered into her consciousness like wraiths passing in the night. Twelve-year-old Erin Willit opened her eyes to darkness lit only by the dim green nightlight near her closet door and the faint glow of a street lamp through her front window. She felt her forehead wrinkle, the fingers of one hand curl as she tried to discern what had awakened her. Something was not right . . . Annie Kingston moves to Grove Landing for safety and quiet—and comes face to face with evil. When neighbor Lisa Willet is killed by an intruder in her home, Sheriff's detectives are left with little evidence. Lisa's daughter, Erin, saw the killer, but she's too traumatized to give a description. The detectives grow desperate. Because of her background in art, Annie is asked to question Erin and draw a composite. But Annie knows little about forensic art or the sensitive interview process. A nonbeliever, she finds herself begging God for help. What if her lack of experience leads Erin astray? The detectives could end up searching for a face that doesn't exist. Leaving the real killer free to stalk the neighborhood . . .

**Talk at the Brink** Zondervan

Praise for Life on the Brink: ..". an achingly raw memoir that balances existential quandaries with a healthy sense of humor." - Eric, Editor Have you ever wondered why we're here or what it's all for? Do you sometimes get so caught up in your thoughts that you forget that they aren't real and only exist in your head? What if you could change your perspective and view the events in your life as happening for you, rather than to you? Do you think this could change your reaction? Could it then also have a positive impact on your overall outlook and how you view each day? Life on the Brink is a book of memories and reflections, told with the author's charismatic and hilarious take on growing up, raising a family and facing life's many challenges. This book will help you laugh a lot, cry a bit, and slow down long enough to think. You might even end up a little more hopeful and believe the journey to discovery is worth the struggle.

*Paris on the Brink* Atlantic Books

Alistair Darling's long-awaited book will be one of the most reviewed, widely discussed, and saleable political memoirs of recent years. In the late summer of 2007, shares of Northern Rock went into free-fall, causing a run on the bank - the first in over 150 years. Northern Rock proved to be only the first. Twelve months later, as the world was engulfed in the worst banking crisis for more than a century, one of its largest banks, RBS, came within hours of collapse. Back from the Brink tells the gripping story of Alistair Darling's one thousand days in Number 11 Downing Street. As Chancellor, he had to avert the collapse of RBS hours before the cash machines would have ceased to function; at the eleventh hour, he stopped Barclays from acquiring Lehman Brothers in order to protect UK taxpayers; he used anti-terror legislation to stop Icelandic banks from withdrawing funds from Britain. From crisis talks in Washington, to dramatic meetings with the titans of international banking, to dealing with the massive political and economic fallout in the UK, Darling places the reader in the rooms where the destinies of millions weighed heavily on the shoulders of a few. His book is also a candid account of life in the Downing Street pressure cooker and his relationship with Gordon Brown during the last years of New Labor. Back from the Brink is a vivid and immediate depiction of the British government's handling of an unprecedented global financial catastrophe. Alistair Darling's knowledge and understanding provide a unique perspective on the events that rocked international capitalism. It is also a vital historical document.
