If you need a double stroller compatible with the Britax B-Safe 35, we recommend the Baby Jogger City Select with the Britax car seat adapter and the extenders for the second seat. It ' s the perfect solution to accommodate two children at the same time, including Britax B-Safe 35 car seat on top and the reclinable baby seat below.

Car Seats for Children of all ages - Britax

Use the car's lap and shoulder seat belt with a booster seat as shown in the video above. The shoulder strap should fit across the chest and on the shoulder, not across the face or neck. The lap belt should lie on the top of the legs or low on the hips, not across the stomach.

DualFit Harnessed Booster Car Seat - Britax

Frequently Asked Questions - Britax

Britax is the #1 brand in safety technology leading the way in innovative car seats, strollers and travel systems. Britax - A Leader in Safety Technology.

If the Diono car seat protector is not up to your alley, consider the Britax seat protector your best replacement. However, unlike Diono, the Britax has a slightly steeper price point. The real concern is, is it worth the few extra bucks? This car seat protector contains a non-slip material that grabs onto the car seat and keeps it in place.

We know that determining which child seat is right for your child can sometimes be a challenge; that ' s why at BRITAX we developed fit guidelines for each car seat that includes not only a child ' s weight and standing height, but a child ' s seated shoulder height as well.

[Britax Car Seats, Strollers, Travel Systems](#)

Never fit a rear-facing car seat in the front passenger seat while the airbags are still active. If installing a forward-facing car seat in the front passenger seat, airbags must be active and the passenger seat must be moved back — in some models this may be as far back as the B pillar and in other models it may be as far back as possible, so ensure to check the specific car manual for this information.

[Britax Fit My Child Car Seat Finder](#)

It is imperative that the seat is ' approved ' for use in your car. It is however only one part of a requirement for achieving the most suitable seat. Fitting lists are simply a guide and a compatible fit cannot be guaranteed. The only way you will be able to ensure compatibility is if we physically fit car seats into your car(s) before ...
