Dad's Guide to Raising Twins Learning Media Ltd
Splendidly illustrated, expertly researched, this is the first comprehensive reference work devoted to the ring-the world's most cherished and symbolic ornamental object.

Parents Scholastic Inc.
The Stone Roses captures the magic—and

chaos—behind the UK band's rise, fall, and recent resurrection. The iconic Brit pop band The Stone Roses became an overnight sensation when their 1989 eponymous album went double platinum. It was a recording that is still often listed as one of the best albums ever made. Its chiming guitar riffs, anthemic melodies, and Smiths-like pop sensibility elevated The Stone Roses to a cult-like status in the UK and put them on the map in the U.S. But theirs is a story of unfulfilled success: their star imploded as their sophomore effort took years to complete and the band broke up acrimoniously in 1996.

Sixteen years later, they reunited and have been playing sold out gigs, thrilling fans around the globe, and working on new material. In 2013, they nabbed the coveted headline spot at the Coachella Festival. With one hundred interviews of key figures, forty rare photographs, and exclusive insider material including how they created their music, *The Stone Roses* charts the band's rise from the backwaters of Manchester to becoming the stars of the "Madchester" scene to their successful comeback years later. Going beyond the myths to depict a band that defined Brit pop,

Simon Spence illustrates their incandescent talent and jaw-dropping success while contextualizing them in the 90s music scene. This is the definitive story of *The Stone Roses*.

The Ring Macmillan + ORM
You survived the twin pregnancy and have brought the twins home. Now the real adventure begins. This guide will walk you through the challenging and exciting aspects of raising twins. You can thrive as a father of twins even during the crazy early years with twins. In this book, you'll learn how to:

- * Keep balance in your personal life with twins
- * Juggle work and family life
- * Feed your twins and get them on a schedule
- * Get your twins to sleep through the night
- * Keep your twins healthy and deal with inevitable sick kids
- * Encourage individuality in your

twins * Teach your twins to be self-sufficient * Keep your other kid(s) happy along the way * Escape diapers and potty train your twins * Travel with twins * Create and capture memories with your twins

Joe's first book for fathers of twins, the "Dad's Guide to Twins," got you ready for your twins' arrival. This companion book continues the journey and helps you from the moment you get the twins home. It guides you through what to expect and how to handle those precious twins through the first couple of years. If you are expecting twins, have newborns, or are struggling through that first year (or more) with twins, this book is for you. You'll find tips and tricks to tackle each stage of your twins' development plus ideas to improve what you're already doing.

Blackstaff Press

The court of James I is a volatile place, with factions led by warring cousins Robert Cecil and Francis Bacon. Europe is seething with conflict between Protestants and Catholics. James sees himself as a grand peacemaker - and what better way to make his mark than to use his children in marriage negotiations? Into this court come Henry, Prince of Wales, and his sister Elizabeth. Their louche father is so distrusted that soon they are far more popular than he is: an impossibly dangerous position. Then Elizabeth is introduced to Frederick of Bohemia, Elector Palatine. He's shy but they understand one another. She decides he will be her husband - but her parents change their minds.

Brutally denied Henry's support, how can Elizabeth forge her own future? At once a love story, a tale of international politics and a tremendous evocation of England at a time of great change, this is a landmark novel to thrill all lovers of fine historical fiction.

When you find out that you are expecting twins, you are in total shock. Your mind races with a million questions and you start to stress out about what to do to get ready. This guide will help you be prepared and ready to tackle life the next several months without having to wade through a lengthy book you don't have time to read.

The Idle Parent Rotovision

The Idle Parent is Tom Hodgkinson's radical parenting

remedy against stifled, mollycoddled children. Modern life is wrecking childhood. Why can't we just leave our kids alone? If you've ever wondered why so many of today's children are unhappy, spoilt, stressed and selfish, then the answers and the remedy are to be found in *The Idle Parent*. Tom Hodgkinson wants us to leave our kids be, to give them the space and time to grow into self-reliant, confident, inquisitive, happy and free people. Full of practical tips of what to do and (more importantly) what not to do, Tom will not only help your kids be happier, but also help you, their parents, live happier and more fulfilled lives. 'Wise, practical, funny, personal, it will make you a much better parent' Oliver James 'An inspiring book, genuinely subversive. Time to put away "silly adult things" and embrace childhood in all its messy glory' London Lite 'A recipe for bright, happy people with need of neither television nor shrink. Who could ask for more?' Evening Standard 'An original, thought-provoking book'

Toby Young, Mail on Sunday
Tom Hodgkinson is the founder and editor of *The Idler* and the author of *How to be Idle*, *How to be Free*, *The Idle Parent* and *Brave Old World*. In spring 2011 he founded *The Idler Academy* in London, a bookshop, coffeehouse and cultural centre which hosts literary events and offers courses in academic and practical subjects - from Latin to embroidery. Its motto is 'Liberty through Education'. Find out more at www.idler.co.uk.

Where is God in the universe if
anywhere? Why did God make
germs? Why should we be so
special? Could the universe have
been different? This is a book
that brings home, in no uncertain
fashion, the discrepancy between
the universe envisaged by the
ancient sages and prophets and
that of modern scientific
cosmology, where the possibility

of divine intervention looks less
and less likely. Butchins
demonstrates with clarity how the
scientific method may be used,
despite certain drawbacks, in an
attempt to verify objective truth.
It describes how the effect of the
Copernican Revolution in the
seventeenth century has steadily
undermined the basic structure of
the three great monotheistic
religions of our day, Judaism,
Christianity, and Islam, especially
with respect to their
eschatological concepts. The
Eastern religions, being less
anthropomorphic, are less
affected. The theistic argument
from design is shown to be
powerful enough to have caused
disagreement among present-day
scientists, in spite of the strictures
of Professor Dawkins. In general,
the book attempts to make some
sense of the structure of the
universe in terms of our own
consciousness; it behoves the
reader to consider tha

"Wendy Ramshaw who lives
in London is one of the
leading artist-jewellers of the

late 20th century whose distinctive style is internationally admired and widely influential." "Picasso, one of the most prolific artists of the 20th century, and his painted records of his wives, mistresses and friends have been the focus of Ramshaw's study since the mid-Eighties. The sheer beauty of the women and the full range of emotions expressed in these paintings provided the impetus to design one or more jewels for each of the 66 portraits of 'Picasso's Ladies' illustrated in this book." "In this publication the collection is for the first time being presented in its entirety alongside Picasso's paintings, the source of stimulus. In an unusual approach the artist gives in her notes an insight into her working process. She reveals to us the personal messages of each painting which led to a number of amazing designs and how her choice of stones either reflect

or go against the colours on the paintings. Four authors have illuminated various aspects of what are undoubtedly some of the most intellectually complex and aesthetically accomplished jewels."--BOOK
