Scholastic Inc.  
The objective of this manual is to support teachers and practitioners in Education for Democratic

Citizenship and Human Rights Education (EDC/HRE). It addresses key questions about EDC and HRE, including competences for democratic citizenship, the objectives and basic principles of EDC/HRE, and a whole school approach to education for democracy and

human rights. The manual consists of three parts. Part I outlines the basic principles of EDC/HRE as far as they are helpful and meaningful for the practitioner. Part II gives guidelines and tools to design, support and assess the students' processes of constructivist and interactive learning. Part III provides toolboxes for teachers and students in EDC/HRE. The other volumes in this series offer concrete teaching models and materials in EDC/HRE for pupils from elementary to upper secondary level.

 You survived the twin pregnancy and have brought the twins home. Now the real adventure begins. This guide will walk you through the challenging and exciting aspects of raising twins. You can thrive as a father of twins even during the crazy early years with twins. In this book, you'll learn how to:  
 \* Keep balance in your personal life with twins  
 \* Juggle work and family life  
 \* Feed your twins and get them on a schedule  
 \* Get your twins to sleep

through the night \*  
 Keep your twins healthy and deal with inevitable sick kids \* Encourage individuality in your twins \* Teach your twins to be self-sufficient \* Keep your other kid(s) happy along the way  
 \* Escape diapers and potty train your twins \* Travel with twins \* Create and capture memories with your twins  
 Joe's first book for fathers of twins, the "Dad's Guide to Twins," got you ready for your twins' arrival. This companion book continues the journey and helps you from the moment you get the twins home. It guides you through

---

what to expect and how to handle those precious twins through the first couple of years. If you are expecting twins, have newborns, or are struggling through that first year (or more) with twins, this book is for you. You'll find tips and tricks to tackle each stage of your twins' development plus ideas to improve what you're already doing.

Alan Sugar is a business legend. When it comes to business, Sugar is both feared and fearless. Shrewd businessman,

---

inspirational figure and sweet-talking star of The Apprentice, this man knows how to strike a deal. The Unauthorized Guide to Doing Business the Alan Sugar Way draws out the universal lessons from Alan Sugar's remarkable success and identifies 10 strategies that can be applied to any business or career: Don't push or shove Start a revolution Know your customer Stay true to your values Learn

from your mistakes Drive a hard bargain Invest in the right people Lead from the front Win as a team Hire in haste, repent at leisure Want to be the best? The secrets of phenomenal success are in your hands. Check out the other Unauthorized Guides in this series: Richard Branson; Duncan Bannatyne; Jamie Oliver; Bill Gates; and Philip Green. *Dad's Guide to Raising Twins* Blackstaff Press

This book is about the role played by microbes in their community mode in sustaining ecosystems. The descriptions given in its chapters indicate clearly that microbial communities are more effective in delivering multifaceted benefits to the soil-plant system than those offered by microbial monocultures in planktonic modes. The role these communities play in a multitude of microbe-microbe and plant-microbe interactions have not yet been fully exploited to gain benefits in this field as well as to achieve sustainability in agriculture

---

practices. Amply discussed are the beneficial characteristics and metabolic capacities of specific microbial groups and the use of microbial traits for the benefit of plant growth. The book suggests the need to develop new microbial technologies to utilize plant-associated microbes for increased crop productivity and agroecosystem balance in order to ensure sustainability. This also provides an effective guidance to scientists, academics, researchers, students and policy makers of the sphere to achieve the above outcomes.

The Idle Parent is Tom Hodgkinson's radical parenting remedy against stifled, mollycoddled children. Modern life is wrecking childhood. Why can't we just leave our kids alone? If you've ever wondered why so many of today's children

are unhappy, spoilt, stressed and selfish, then the answers and the remedy are to be found in *The Idle Parent*. Tom Hodgkinson wants us to leave our kids be, to give them the space and time to grow into self-reliant, confident, inquisitive, happy and free people. Full of practical tips of what to do and (more importantly) what not to do, Tom will not only help your kids be happier, but also help you, their parents, live happier and more fulfilled

---

lives. 'Wise, practical, funny, personal, it will make you a much better parent' Oliver James 'An inspiring book, genuinely subversive. Time to put away "silly adult things" and embrace childhood in all its messy glory' London Lite 'A recipe for bright, happy people with need of neither television nor shrink. Who could ask for more?' Evening Standard 'An original, thought-provoking book' Toby Young, Mail on Sunday

Tom Hodgkinson is the founder and editor of The Idler and the author of How to be Idle, How to be Free, The Idle Parent and Brave Old World. In spring 2011 he founded The Idler Academy in London, a bookshop, coffeehouse and cultural centre which hosts literary events and offers courses in academic and practical subjects - from Latin to embroidery. Its motto is 'Liberty through Education'. Find out more at

**Dad's Guide to Twins**  
HarperCollins UK  
Where is God in the universe if anywhere? Why did God make germs? Why should we be so special? Could the universe have been different? This is a book that brings home, in no uncertain fashion, the discrepancy between the universe envisaged by the ancient sages and prophets and that of modern scientific

---

cosmology, where the possibility of divine intervention looks less and less likely. Butchins demonstrates with clarity how the scientific method may be used, despite certain drawbacks, in an attempt to verify objective truth. It describes how the effect of the Copernican Revolution in the seventeenth century has steadily undermined the basic structure of the three great monotheistic

religions of our day, Judaism, Christianity, and Islam, especially with respect to their eschatological concepts. The Eastern religions, being less anthropomorphic, are less affected. The theistic argument from design is shown to be powerful enough to have caused disagreement among present-day scientists, in spite of the strictures of Professor Dawkins. In general, the book attempts to make some sense of

the structure of the universe in terms of our own consciousness; it behoves the reader to consider the **The Idle Parent** by Simon and Schuster. Splendidly illustrated, expertly researched, this is the first comprehensive reference work devoted to the ring-the world's most cherished and symbolic ornamental object. *Parents* on Rotovision. Finding Your Feet looks back at the hurdles and trials I faced, the people and characters that gave me the tools to fight and tells

---

my story in their words. Sometimes traumatic, sometimes emotional but never without a big smile and some banter, I now know that, with a bit of effort, you really CAN do anything. There's NO magic wand. Golf in America Springer Nature America's best-selling and best-loved guide to baby gear is back with an updated and revised edition! The twelfth-century French poet Chrétien de Troyes is a major figure in European

literature. His courtly

romances

fathered the

Arthurian

tradition and

influenced

countless other poets in England

as well as on the continent. Yet

because of the difficulty of

capturing his swift-moving

style in

translation,

English-

speaking

audiences are

largely unfamiliar with the

pleasures of reading his

poems. Now, for the first time, an

experienced translator of

medieval verse who is himself a

poet provides a translation of

Chrétien's major poem, *Yvain*, in

verse that fully and satisfyingly

captures the movement, the

sense, and the spirit of the Old

French original.

*Yvain* is a courtly romance with a

moral tenor; it is ironic and

sometimes

bawdy; the

poetry is crisp

---

and vivid. In addition, the psychological and the socio-historical perceptions of the poem are of profound literary and historical importance, for it evokes the emotions and the values of a flourishing, vibrant medieval past.

### **Baby Bargains**

Macmillan + ORM

*Little Kids Will*

### *Listen*

The court of James I is a volatile place, with factions led by warring cousins Robert Cecil and Francis Bacon. Europe is seething with conflict between Protestants and Catholics. James sees himself as a grand peacemaker - and what better way to make his mark than to use his children in marriage negotiations? Into this court come Henry, Prince of Wales, and his sister Elizabeth. Their louche father is so distrusted that soon they are far

---

more popular than he is: an impossibly dangerous position. Then Elizabeth is introduced to Frederick of Bohemia, Elector Palatine. He's shy but they understand one another. She decides he will be her husband - but her parents change their minds. Brutally denied Henry's support, how can Elizabeth forge her own future? At once a love story, a tale of international politics and a tremendous evocation of England at a time of great change,

this is a landmark novel to thrill all lovers of fine historical fiction. **The King's Daughter** Newly updated 2019-20 Edition We understand how precious your time is, so we made *Baby Can Travel: Anywhere* quick and easy to read. This new & improved "second child" edition shares the lessons we learned traveling with our second baby and his older toddler sister around the world.
