The Complete Book and Lyrics of the Broadway Musical MIT Press

From Adelaide in "Guys and Dolls" to Nina in "In the Heights" and Elphaba in "Wicked," female characters in Broadway musicals have belted and crooned their way into the American psyche. In this lively book, Stacy Wolf illuminates the women of American musical theatre--performers, creators, and characters--from the start of the Cold War to the present day, creating a new, feminist history of the genre. The musicals discussed here are among the most beloved in the canon--"West Side Story," "Cabaret," "A Chorus Line," "Phantom of the Opera," and many others--with special emphasis on the blockbuster "Wicked." Along the way, Wolf demonstrates how the musical since the mid-1940s has actually been dominated by women--women onstage, women in the wings, and women offstage as spectators and fans.

[The Ultimate Broadway Musical List Book](#) Rowman & Littlefield

"Broadway in the Box shines a television-centric light on the cross-industry presence of a seminal American art form. Over seven chapters, it works to unearth, explore, and analyze pockets of over seventy years of television programming which embraced, nodded toward, and satirized the American musical in its various forms. This concentrated exploration of the genre across American television allows for an explication of America's shifting and at times wavering feelings toward the musical, its songs, and its stars. Further, examining these texts alongside constantly changing and at times intersecting entertainment industries uncovers forms of symbiosis and synergy that linked the cultural and economic futures of the musical across platforms. In the end, Mitzi Gaynor titillating America in a revealing and bejeweled Bob Mackie dress was not just the seventies being the seventies, but a single event reflecting a larger confluence of Broadway, film, Vegas, ratings, genre, and programming trends within a specific television model. Perhaps in a style similar to various Broadway and film retrospectives, Broadway in the Box takes individual events and brings them together to craft a larger commentary on American entertainments, economics, and industries. Broadway has always been in the box; someone just needed to plug it in to see what was on"--

Lifelong Kindergarten Broadway Coursebook 7The New York Times Book of BroadwayOn the Aisle for the Unforgettable Plays of the Last Century A charming and heartfelt picture book about a little bird who dreams of making it big on Broadway, from renowned Broadway director Alex Timbers. What Louisa loved most about living in Times Square wasn't the buzz of the city... No, it was that she could sing as loud as she wanted. She could sing all day and she could sing all night. Louisa was truly a Broadway bird. Louisa is a tiny parakeet with a HUGE dream: to be a Broadway star. But no matter what she does, everyone keeps telling her she's too small to

make it big! When a chance at her big break comes, Louisa learns that no matter how small you are, with a little talent and a lot of hard work, you can do anything - even be on Broadway! With colorful, charming illustrations by artist Alisa Coburn, this heartfelt picture book from renowned Broadway director Alex Timbers is about persistence, believing in yourself, and, of course, the magic of Broadway.

Memphis Createspace Independent Pub

From the 2-time Tony Award-winner and the star of TV 's Younger, funny and intimate stories and reflections about how crafting has kept her sane while navigating the highs and lows of family, love, and show business (and how it can help you, too). Whether she 's playing an "age-defying" book editor on television or dazzling audiences on the Broadway stage, Sutton Foster manages to make it all look easy. How? Crafting. From the moment she picked up a cross stitch needle to escape the bullying chorus girls in her early performing days, she was hooked. Cross stitching led to crocheting, crocheting led to collages, which led to drawing, and so much more. Channeling her emotions into her creations centered Sutton as she navigated the significant moments in her life and gave her tangible reminders of her experiences. Now, in this charming and poignant collection, Sutton shares those moments, including her fraught relationship with her agoraphobic mother; a painful divorce splashed on the pages of the tabloids; her struggles with fertility; the thrills she found on the stage during hit plays like Thoroughly Modern Millie, Anything Goes, and Violet; her breakout TV role in Younger; and the joy of adopting her daughter, Emily. Accompanying the stories, Sutton has included crochet patterns, recipes, and so much more! Witty and poignant, Hooked will leave readers entertained as well as inspire them to pick up their own cross stitch needles and paintbrushes.

When a young girl who has lived in Africa and been home-schooled moves to New York, she must enter a public high school. Survival of the fittest takes on a whole new meaning when she falls for the ex-boyfriend of the most popular girl in school.

A Feminist History of the Broadway Musical iUniverse

"A revered and provocative theater observer presents a grand history of the producers, directors, actors, and critics battling for creative and financial control of Broadway"--Front jacket flap.

The Immortal Life of Henrietta Lacks Houghton Mifflin Harcourt

This is a comprehensive introduction to the fundamentals of logic (both formal logic and critical reasoning), with exceptionally clear yet conversational explanations and a multitude of engaging examples and exercises. Herrick's examples are on-point and fun, often bringing in real-life situations and popular culture. And more so than other logic textbooks, Introduction to Logic brings in the history of philosophy and logic through interesting boxes/sidebars and discussions, showing logic's relation to philosophy.

[Television's Lasting Love Affair with the Musical](#) Simon and Schuster

A memoir done in the form of a graphic novel by a cult favorite comic artist offers a darkly funny family portrait that details her relationship with her father—a funeral home director, high school English teacher, and closeted homosexual.

Between the Lines Simon and Schuster

#1 NEW YORK TIMES BESTSELLER • “ The story of modern medicine and bioethics—and, indeed, race relations—is refracted beautifully, and movingly. ” —Entertainment Weekly NOW A MAJOR MOTION PICTURE FROM HBO® STARRING OPRAH WINFREY AND ROSE BYRNE • ONE OF THE “ MOST INFLUENTIAL ” (CNN), “ DEFINING ” (LITHUB), AND “ BEST ” (THE PHILADELPHIA INQUIRER) BOOKS OF THE DECADE • ONE OF ESSENCE ’ S 50 MOST IMPACTFUL BLACK BOOKS OF THE PAST 50 YEARS • WINNER OF THE CHICAGO TRIBUNE HEARTLAND PRIZE FOR NONFICTION NAMED ONE OF THE BEST BOOKS OF THE YEAR BY The New York Times Book Review • Entertainment Weekly • O: The Oprah Magazine • NPR • Financial Times • New York • Independent (U.K.) • Times (U.K.) • Publishers Weekly • Library Journal • Kirkus Reviews • Booklist • Globe and Mail Her name was Henrietta Lacks, but scientists know her as HeLa. She was a poor Southern tobacco farmer who worked the same land as her slave ancestors, yet her cells—taken without her knowledge—became one of the most important tools in medicine: The first “ immortal ” human cells grown in culture, which are still alive today, though she has been dead for more than sixty years. HeLa cells were vital for developing the polio vaccine; uncovered secrets of cancer, viruses, and the atom bomb ’ s effects; helped lead to important advances like in vitro fertilization, cloning, and gene mapping; and have been bought and sold by the billions. Yet Henrietta Lacks remains virtually unknown, buried in an unmarked grave. Henrietta ’ s family did not learn of her

“ immortality ” until more than twenty years after her death, when scientists investigating HeLa began using her husband and children in research without informed consent. And though the cells had launched a multimillion-dollar industry that sells human biological materials, her family never saw any of the profits. As Rebecca Skloot so brilliantly shows, the story of the Lacks family—past and present—is inextricably connected to the dark history of experimentation on African Americans, the birth of bioethics, and the legal battles over whether we control the stuff we are made of. Over the decade it took to uncover this story, Rebecca became enmeshed in the lives of the Lacks family—especially Henrietta ’ s daughter Deborah. Deborah was consumed with questions: Had scientists cloned her mother? Had they killed her to harvest her cells? And if her mother was so important to medicine, why couldn ’ t her children afford health insurance? Intimate in feeling, astonishing in scope, and impossible to put down, *The Immortal Life of Henrietta Lacks* captures the beauty and drama of scientific discovery, as well as its human consequences.

Changed for Good Doubleday Books for Young Readers

A guide to understanding the inner workings and outer limits of technology and why we should never assume that computers always get it right. In *Artificial Unintelligence*, Meredith Broussard argues that our collective enthusiasm for applying computer technology to every aspect of life has resulted in a tremendous amount of poorly designed systems. We are so eager to do everything digitally—hiring, driving, paying bills, even choosing romantic partners—that we have stopped demanding that our technology actually work. Broussard, a software developer and journalist, reminds us that there are fundamental limits to what we can (and should) do with technology. With this book, she offers a guide to understanding the inner workings and outer limits of technology—and issues a warning that we should never assume that computers always get things right.

Making a case against techno Chauvinism—the belief that technology is always the solution—Broussard argues that it's just not true that social problems would inevitably retreat before a digitally enabled Utopia. To prove her point, she undertakes a series of adventures in computer programming. She goes for an alarming ride in a driverless

car, concluding “ the cyborg future is not coming any time soon ” ; uses artificial intelligence to investigate why students can't pass standardized tests; deploys machine learning to predict which passengers survived the Titanic disaster; and attempts to repair the U.S. campaign finance system by building AI software. If we understand the limits of what we can do with technology, Broussard tells us, we can make better choices about what we should do with it to make the world better for everyone.

Broadway Coursebook 7 The New York Times Book of Broadway On the Aisle for the Unforgettable Plays of the Last Century Macmillan

Introduction to Logic Hal Leonard

From *Showboat* to *Hamilton*, American musical theater has long held the imagination of the nation's theatergoers. Those who love Broadway musicals always have their favorites—their all-time bests, their most reviled shows, and the ones that are absolutely unforgettable. The *Ultimate Broadway Musical List Book* considers the history of the Broadway musical from the unique perspective of the list—the bests and worsts of various eras, the groundbreaking shows and the forgotten gems. Author Steven M. Friedman explores the musicals of the last ninety years, taking apart favorites and flops alike in numerous creative ways. These lists offer facts and background that stimulate laugh and discussion, provoke passionate reactions, and provide tons of fun for any Broadway enthusiast. Offering a new twist on the subject, this collection explores Broadway musicals and their history and provides intriguing background for music theater aficionados of all levels.

Caspar's Directory of the American Book, News and Stationery Trade, Wholesale and Retail, ... in the United States and Canada MIT Press

In *The Complete Book of 1990s Broadway Musicals*, Dan Dietz examines in detail every musical that opened on Broadway during the 1990s. In addition to including every hit and flop that debuted during the decade, this book highlights revivals and personal-appearance revues. The 1990s saw major changes in the Broadway musical, most notably: the so-called Disneyfication of shows, with the debuts of long-running hits like *Beauty and the Beast* and *The Lion King*.

Artificial Unintelligence OUP USA

This title examines the careers of Broadway's major orchestrators and follows the song as it travels from the composer's piano to the orchestra pit.

Oxford University Press, USA

While rehearsing what may be the last show in the Ethel Merman Theater, twelve-year-old Monica Garcia and other cast members are locked in and must try to appease a ghost and reverse a curse.

Fearless Theatre Communications Group

From the incomparable Emmy, Grammy, and Tony Award winner, a powerful and revealing autobiography about race, sexuality, art, and healing. It's easy to be yourself when who and what you are is in vogue. But growing up Black and gay in America has never been easy. Before Billy Porter was slaying red carpets and giving an iconic Emmy-winning performance in the celebrated TV show *Pose*; before he was the groundbreaking Tony and Grammy Award-winning star of Broadway's *Kinky Boots*; and before he was an acclaimed recording artist, actor, playwright, director, and all-around legend, Porter was a young boy in Pittsburgh who was seen as different, who didn't fit in. At five years old, Porter was sent to therapy to “ fix ” his effeminacy. He was endlessly bullied at school, sexually abused by his stepfather, and criticized at his church. Porter came of age in a world where simply being himself was a constant struggle. *Billy Porter's Unprotected* is the life story of a singular artist and survivor in his own words. It is the story of a boy whose talent and courage opened doors for him, but only a crack. It is the story of a teenager discovering himself, learning his voice and his craft amidst deep trauma. And it is the story of a young man whose unbreakable determination led him through countless hard times to where he is now; a

proud icon who refuses to back down or hide. Porter is a multitalented, multifaceted treasure at the top of his game, and *Unprotected* is a resonant, inspirational story of trauma and healing, shot through with his singular voice.
