Immigrants and Comics is an

interdisciplinary, themed anthology that focuses on how comics have played a crucial role in representing, constructing, and reifying the immigrant subject and the immigrant experience in popular global culture of the twentieth and twenty-first centuries. Nhora Luc í a Serrano and a diverse group of contributors examine immigrant experience as they navigate new socio-political milieux in cartoons, comics, and graphic novels across cultures and time periods. They interrogate how immigration is portrayed in comics and how

the ‘ immigrant ’ was an indispensable and vital trope to the development of the comics medium in the twentieth century. At the heart of the book ‘ s interdisciplinary nexus is a critical framework steeped in the ideas of remembrance and commemoration, what Pierre Nora calls lieux de m é moire. This book will be of interest to students and scholars in Visual Studies, Comparative Literature, English, Ethnic Studies, Francophone Studies, American Studies, Hispanic Studies, art history, and museum studies.

Death Sty Other Press, LLC

A Kirkus Reviews Best Book of the Year The Investigator, a humble and ordinary man, has been ordered to conduct an Investigation into a series of suicides that have taken place at the Enterprise—a huge, sprawling complex in an unnamed Town. But the Investigator’s train is delayed. When he finally arrives, no one is there to meet him at the station. When he reaches the Enterprise, he is denied entrance. The harder the Investigator tries to fulfill his task, the more senseless obstacles he encounters: regulations hamstringing him, street layouts befuddle him, and—perhaps most

unnervingly—he senses someone watching and recording his every movement. In this highly original and absorbing work, Claudel turns his masterful storytelling toward a sweeping critique of the contemporary world. Like Kafka, Beckett, and Huxley, Claudel's dark fable shows that the most looming questions of our time can only be countered with piercing intelligence and considerable humor.

Traumatized by memories of his war-ravaged country, his son and daughter-in-law dead, Monsieur Linh travels to a

foreign land to bring the child in his arms to safety. To begin with, he is too afraid to leave the refugee centre, but the first time he braves the freezing cold to walk the streets of this strange, fast-moving town, he encounters Monsieur Bark, a widower whose dignified sorrow mirrors his own. Though they have no shared language, an instinctive friendship is forged; but Monsieur Linh's stay in the dormitory is only temporary. Sooner or later he and his child must find a permanent home. Delicate and restrained, but with an extraordinary twist, *Monsieur Linh and His Child* is an

immensely moving novel of perfect simplicity, by the author of *Brodeck's Report*.

Empire of the Sun Headline

Powerful feminist nature writing by the pioneer of women's big-wave surfing in Ireland. Easkey Britton provides a rare female perspective on surfing, exploring the mental skills it fosters, and the need to recognize the value of the ocean and of nature's cycles in our lives. This is an incredibly inspiring exploration of the sea's role in the wellness of people and

the planet, beautifully written by Easkey Britton – surfer, scientist and social activist. She offers a powerful female perspective on the sea and surfing, explaining what it's like to be a woman in a man's world and how she promoted the sport to women in Iran, surfing while wearing a hijab. She speaks of the undiscussed taboo around entering the water while menstruating – and of how she has come to celebrate her own bodily cycles. She has developed her own approach to surfing, which instead of seeking to dominate the waves, works in tune with the natural cycles of her body, the moon and the seasons. In a society that rewards busyness, she believes

that understanding the influence of cycles becomes even more important – and we all have them, men and women. For Easkey, the sea is a source of mental and physical wellbeing. She explores the mental toughness needed in big-wave surfing, and presents surfing as an embodied mindfulness practice in which we can find flow and connect with the movement of the waves. She stresses the need to recognize the ocean as our most powerful ally when addressing our greatest global challenge: the climate crisis. Above all, Easkey's relationship to the sea has taught her about the need to meet life and evolve with it, rather than seeking to control it. By such wisdom our

planet might just survive and thrive.

Unlock the more straightforward side of Brodeck's Report with this concise and insightful summary and analysis! This engaging summary presents an analysis of Brodeck's Report by Philippe Claudel, a deeply disturbing story about the depths humans will stoop to in order to erase difference. Brodeck, a concentration camp survivor, is tasked with writing a report to justify the murder of a strange man known as the Anderer. The man had only

recently arrived in the village, but was feared for being too different. Claudel expertly interweaves the present-day investigation and Brodeck's past experiences in a prison camp to highlight the importance of the past and, above all, of memory. Philippe Claudel is a writer and a professor of literature. He has also taught in prisons, and he says that it is this experience which has had the greatest impact on his writing. Brodeck's Report is his fifth book, and was showered with awards in both his native France and in the English-

speaking world; John Cullen received particular praise for his English translation of the novel. Find out everything you need to know about Brodeck's Report in a fraction of the time! The Investigator is despatched to a provincial town to find out the truth behind a disturbing spate of suicides amongst employees of The Firm. But from the moment he steps off the train, he finds himself in a world that is alien, unrecognisable, and diabolically complex. From the hostile weather and the fickle hospitality at Hotel Hope to the town's bewildering inhabitants,

everything seems to be against him to the point where he wonders whether he is trapped in a recurring nightmare, or has passed into the realm of death itself. Cold, hungry and humiliated, and always one step behind, he nevertheless remains determined to find the only man he can hold to account - The Firm's legendary but elusive founder. The Investigation is an enthralling fable in which our own world is turned on its head, and where the only answers are more questions. Philippe Claudel - author of *Brodeck's Report* and *Monsieur Linh and His Child* - is one of Europe's most daring and versatile novelists.

Le Rapport de Brodeck de

Philippe Claudel (Analyse de l'oeuvre) Random House (NY) A powerful and moving novel about the ravages war and the need to tell the truth, even in the face of adversity. After the close of a great war, a mysterious stranger arrives in a small European village. He is an artist and he begins sketching the villagers, showing the painful reality of the crimes and betrayals the war left in its wake. Consumed by distrust, the villagers conspire and murder him. The authorities commission Brodeck, a timid, low-level bureaucrat, to write a report

that essentially whitewashes the incident. Brodeck agrees to write the official account, but he simultaneously sets down his version of the incident in a parallel narrative, which interweaves his own horrific experiences as a prisoner of war, the truth about the stranger's disappearance, and the dark secrets the villagers have fought fiercely to keep hidden.

The remarkable, emotional debut novel, both funny and moving, which was longlisted for the Orange Prize for Fiction, from the critically

acclaimed Andrea Levy, author of the Orange Prize winning *SMALL ISLAND* and the Man Booker shortlisted *THE LONG SONG*. 'Better opportunity' - that's why Angela's dad sailed to England from America in 1948 on the *Empire Windrush*. Six months later her mum joined him in his one room in Earl's Court... ..Twenty years and four children later, Mr Jacob has become seriously ill and starts to move unsteadily through the care of the National Health Service. As Angela, his youngest, tries to help her mother through this ordeal, she finds herself reliving her

childhood years, spent on a council estate in Highbury.

The Exchange of Princesses Les Rêveurs

From his village in post-war France, Brodeck makes his solitary journeys into the mountains to collect data on the natural environment. Day by day he also reconstructs his own life, all but lost in the years he spent in a camp during the war. No-one had expected to see him again. One day, a flamboyant stranger rides into the village, upsetting the fragile balance of everyday life.

Soon he is named the Anderer, “the other”, and tensions rise until, one night, the newcomer is murdered. Brodeck is instructed to write an account of the events leading to his death, but his report delivers much more than the bare facts: it becomes the story of a community coming to terms with the legacy of enemy occupation. In a powerful narrative of exceptional fascination, Brodeck's Report explores the very limits of humanity.

A bestseller in France and winner of the Prix Renaudot, *By a Slow River* is a mesmerizing and atmospheric tale of three mysterious deaths in an oddly isolated French village during World War I. The placid daily life of a small town near the front seems impervious to the nearby pounding of artillery fire and the parade of wounded strangers passing through its streets. But the illusion of calm is soon shattered by the deaths of three innocents—the charming new schoolmistress

who captures every male heart only to kill herself; an angelic ten-year-old girl who is found strangled; and a local policeman's cherished wife, who dies alone in labor while her husband is hunting the murderer. Twenty years later, the policeman still struggles to make sense of these tragedies, a struggle that both torments and sustains him. But excavating the town's secret history will bring neither peace to him nor justice to the wicked. From the Trade Paperback edition.

An Economist “Our Books of the Year” Selection Economist Bryan Caplan makes a bold case for unrestricted immigration in this fact-filled graphic nonfiction. American policy-makers have long been locked in a heated battle over whether, how many, and what kind of immigrants to allow to live and work in the country. Those in favor of welcoming more immigrants often cite humanitarian reasons, while those in favor of more restrictive laws argue the need

to protect native citizens. But economist Bryan Caplan adds a new, compelling perspective to the immigration debate: He argues that opening all borders could eliminate absolute poverty worldwide and usher in a booming worldwide economy—greatly benefiting humanity. With a clear and conversational tone, exhaustive research, and vibrant illustrations by Zach Weinersmith, *Open Borders* makes the case for unrestricted immigration easy to follow and hard to deny.

From the sizzling sharpness of freshly cut garlic to the cool tang of a father's aftershave; the heady intoxication of a fumbled first kiss to the anodyne void of disinfectant and death, this is a decadently original olfactory memoir. In sixty-three elusive episodes we roam freely across the countryside of Lorraine, North-East France, from kitchen to farm to a lover's bed. Recognising the bittersweet nostalgia of a scent that slips away on the summer breeze, Claudel demonstrates again his impeccable grasp of the personal and the universal, interweaved with a rare, self-deprecating charm. This is an evocative patchwork at once earthy and ethereal, erotic and heart-breaking. Claudel permits us

a glimpse of moments that have driven him to delight or despair, creating through the fading aromas of the past fragments of humour, insight and quite intangible beauty.
