"Anton Chekhov's best stories display a detached sympathy for the Russian people and a controversial skill in portraying the decaying world of czarist Russia. Though not a political man, Chekhov could be cutting in his criticisms of upper-class society, and he turned a lens on its manners and shortsightedness. His finely observed and sharp-as-nails writing created unforgettable characters." "In these short novels, Chekhov was interested, above all, in human relationships, especially mutual unintelligibility and frustration between lovers and the evolution of affection over time. "The Duel," "My Life," and "Ward No. 6" are intimate portraits of individuals and their predicaments, while "A Woman's Kingdom," "Peasants," "Three Years," and "In the Ravine" depict the social milieu on a much larger scale than was possible in his shorter stories."--BOOK JACKET.

Satan tries to corrupt every good thing that God gives us, and he often succeeds at this through our own ignorance and complacency. In *Ultimate Truth and Lies*, author Adelle Yvette Potgieter exposes the web of lies that Satan has spun to ensnare believers and unbelievers alike. In turn, she counters those lies and their consequences with the real truths about God. Part I provides an overview of topics relating to varied aspects of our daily lives, such as poverty and suffering; religion and custom; destiny, purpose, and choice; gender, marriage, and sex; emotion; and forgiveness.

It challenges traditional mainstream thinking and shows that manmade rules, inspired by Satan, deny the opportunity for happy, fulfilling lives. Part II focuses on self-development exercises and explores issues such as anger, rage, sadness, and negative thoughts that impact our physical, mental, and spiritual well-being. Potgieter offers skills to change your life for the better. Part III is a collection of thought-provoking poems that will inspire the reader and invites reflection of personal life truths. *Ultimate Truth and Lies* challenges you to examine your life. Are you living as a victim of Satan or as a victorious spiritual warrior of the living God? A happy life is yours for the taking by accepting the responsibility and undertaking the work necessary to reach that goal.

The award-winning, bestselling French novel by Philippe Besson—"the French Brokeback Mountain" (Elle)—about an affair between two teenage boys in 1984 France, translated with subtle beauty and haunting lyricism by the iconic and internationally acclaimed actress/writer Molly Ringwald. We drive at high speed along back roads, through woods, vineyards, and oat fields. The bike smells like gasoline and makes a lot of noise, and sometimes I'm frightened when the wheels slip on the gravel on the dirt road, but the only thing that matters is that I'm holding on to him, that I'm holding on to him outside. Just outside a hotel in Bordeaux, Philippe chances upon a young man who bears a striking resemblance to his first love. What follows is a look back at the relationship he's never forgotten, a hidden affair with a gorgeous boy named Thomas during their last year of high school. Without ever acknowledging they know each other in the halls, they steal time to meet in secret, carrying on a passionate, world-altering affair. Dazzlingly rendered in English by Ringwald in her first-ever translation, Besson's powerfully moving coming-of-age story captures the eroticism and tenderness of first love—and the heartbreaking passage of time.

Jesus died to set us free, yet we all experience thoughts from the enemy that lead us away from Christ and his truth. Popular author and speaker Deacon Keith Strohm shines God's light on ten of the most common lies that Satan uses to bind our hearts and prevent us from experiencing the fullness of God's love. Not only does Deacon Strohm helps us gain clarity to the ways in which these lies take hold and imprison us. He also shows us that through the use of Scripture and the spiritual traditions of the Church, we can break the power and authority those lies have in our lives. We all want to be drawn closer in our relationship with Jesus Christ and more secure in our identities as sons and daughters of God, so we can never be too vigilant in battling the lies of

the enemy. This book offers valuable wisdom for any Christian—those just beginning to follow Christ and those who are more mature in their faith.
