Our housing market is broken The housing market in this country is broken, and the cause is very simple: for too long, we haven ' t built enough homes. Since the 1970s, there have been on average 160,000 new homes each year in England. 1 The consensus is that we need from 225,000 to 275,000 or more homes per year to keep up with population growth
