For a full hour I sat at my desk and stared up at the two photographs. One by one I smoked a packet of twenty Prima cigarettes.... The earth, I felt, was beginning to shift, and the long dead were stirring. In the closing days of the twentieth century, an elderly writer wanders the streets of Vilnius, Lithuania, possessed by the need to photograph the young mothers of the city. In their faces and the faces of their children he sees the reflection of a secret that haunts him. A secret he has spent years trying to bury. In a decaying back street of the city a woman

struggles to raise her family. As her son dreams of a better life she is torn between Vilnius' twilight world of prostitution and her determination of securing hope for her children. She too is haunted by memories that rob her of sleep. In Vilnius the rubble of the Jewish ghetto lies side by side with the fallen statues of communist heroes. Through this tangled debris of past and present the story of the writer's great love and his even greater betrayal begins to coil its way to the surface and demands to be told, in *The Last Girl* by Stephan Collishaw. *The Easter Hunt* Roaring

What Readers are Saying about Tender Mercies: "I discovered Kitty Thomas last year with her novel `Comfort Food'. I likened that erotica novel (about extreme Stockholm syndrome) to literary wasabi - sinus clearing and somewhat unsettling, but also incredibly, breathtakingly powerful. So I went into `Tender Mercies' excitedly

knowing that Kitty Thomas writes at the extreme-end of the erotica scale. She intrudes upon reader's comfort zones and pulls you (kicking and screaming) into an abrasive and compelling world of fetishism and erotica . . ."

-Dee18 "I've first read "Comfort food" by Kitty Thomas and was so exquisitely shocked that I went forward into the BDSM romance genre. So far, I've read around 26 genre books by different authors and can honestly say that Kitty Thomas is one of the best.

Her stories feel real in a psychological kind of way, the events recounted could be really traumatizing but they are set in environments that keep the reader "safe". The heroines suffer and endure beyond reason but somehow they make it through stronger and empowered in their own realizations." -Lenanena "I recommend it to adults, particularly those interested in aspects of BDSM."	enjoy this type of literary fiction in awe at the brilliance of Kitty Thomas' writing and concepts. I said it after her last book and I'll say it again -- I don't know how she'll top this! :)" -Among the Muses "I can't believe I have put off reading a Kitty Thomas book for so long! I thought "oh I've read dark erotica this won't be too shocking for me" but I was definitely surprised just how dark this book was. Some scenes definitely caused my stomach to churn and the writing reaches a deeper	psychological level than other dark books I've read." -R Nicole "Kitty Thomas is such a wonderful writer; her take on dark erotica is wonderful and refreshing. It's harsh, and raw - please use caution if you are not used to dark erotica." -Mel "So my favorite BDSM theme is where the submissive is abused / mistreated by a former Dom / Master and is healing and learning to trust a new Dom. This one fits the theme perfectly. From the first few pages I was hooked and flew right through the

rest of it! I love everything I've read by Thomas and this is no exception." -Mrs thj "The story is beautiful, and I love the characters. While the book is essentially dark erotica and non-consensual bdsm, Kitty Thomas still manages to create a beautiful romance between master and slave." -lunaselene "Wow! This book was well written, intelligent dialogue, graphic without being raunchy. I enjoyed the story and it was my second BDSM book. Kitty Thomas has "mad" skills as a writer and I look forward to reading her other books." - Maxine Holmes "As I mentioned earlier, I am in awe of Kitty Thomas' storytelling abilities. I was deeply caught up in the psychological conditioning in her novel Comfort Food and was titillated by the kinky sexual training in Guilty Pleasures. But the plot twists and multi-layered characters in Tender Mercies have made this book another one of my favorites." -AsianCocoa "I first became aware of Kitty Thomas's work with Comfort Food, a book I can honestly say I will never forget. While Kitty writes about subject matter that not everyone is comfortable with, she does so in a way that I find to be deft and almost lyrical. Though her current published stories are contemporary, she creates new worlds while drawing from very real elements of BDSM and total power exchange relationships." - Cari Quinn "I didn't think anything could top Kitty Thomas's Comfort Food, but boy was I wrong. The minute I had Tender Mercies downloaded to my Kindle, I

itched to read it. Had it not
 been for the fact I was deep
 in addiction with my last
 read, I could have easily
 ditched it like I have so many
 others in favour of what is
 fast becoming an obsession
 with Thomas's writing style
 and her darkly psychological
 / emotional take on the world
 of BDSM." -J. Valentino "I'm
 always skeptical about erotic
 novels. I don't want to read it
 and be disappointed at how
 quickly the author can push
 through the build-up of
 characters, backstory, plot,
 and emotions just to get to
 the (seemingly) "good stuff".
 With that said, I want to read
 more of Ms. Thomas's work
 because it did everything but
 that. I was hooked within the
 first few sentences, and
 continued to read it straight
 through in one sitting (after a
 break or two for snacks, that
 is)." - Renee "this book was
 great in that it didn't hide the
 fact that BDSM relationships
 sometimes are dangerous and
 abusive. I liked the realism"
 -doo3477 "Kitty Thomas is
 the queen of darker reads and
 I love her for it. Tender
 Mercies didnt disappoint at
 all. If you like the darker
 reads you will enjoy Kitty
 Thomas and her books."
 -Lisa C "One very good
 reason not to trust strange
 men you meet on the
 Internet. A dark story about
 the darker side of BDSM." -
 Joy Pelloquin "Kitty Thomas
 writes darkly erotic novels
 that are not easily forgotten;
 Tender Mercies is no
 exception. Her
 psychologically disturbing
 yet erotic stories take the
 reader on a journey of
 submission and trust as a way
 to fulfillment. Comfort Food,

<p>Guilty Pleasures, and Tender Mercies all explore the slave/master dynamic, but she manages to make the story different and intriguing each time. Her stories are well-crafted and even though the scenarios are fantastical in a kinky, masochistic sense, I don't have any trouble falling right into her stories and becoming fully vested in the characters and their experiences. I am slightly disturbed by how much I enjoy her books; as if something this dark should not be enjoyed, but I do.</p>	<p>Very much." -Loves FAB Romance "...about building trust and showcase that dominance and submission is a game between lovers and not about abuse." - Booklover101 What Authors are Saying about Tender Mercies: "Kitty Thomas's hottest book yet . . . emotionally gripping and painfully real . . . impossible to read and remain untouched." – Annabel Joseph, author of <i>Owning Wednesday</i> "Tender Mercies is a heart-rending tale that proves Prince Charming</p>	<p>doesn't always come charging in with a white steed . . .
