After seeing a kink-friendly therapist for months, the doctor makes her an illicit offer she isn't yet smart enough to refuse: "Let me find you a good master." Brian Sloan is a borderline sociopath with a dark and brutal past. Only taking his sadistic urges out on the women at a submissive training house allows him to sleep through the night. God doesn't listen to the pleas of the damned. I've been given a second chance. A chance to set things right. A chance for revenge. I will make them pay. They all will pay for every degradation, every humiliation, every moment they treated me like an object...like their property. God didn't listen to my pleas for mercy...let's see if he will listen to theirs. This is a twisted, dark horror novella. This is not a standalone. There is no HEA. You have been warned.

The stories are about her parents, grandparents, distant ancestors, and family friends, from Delaney's Irish forebears and how they settled in Alabama to a chapter written entirely from the point of view of a Confederate battle sword hanging on her grandfather's wall. This novel contains the award-winning chapters "Jewels" and "In the Heat of the Moment." Praise for these stories: "A wonderful facility for invoking mood via description. Love your character's wry humor." - Author Joshilyn Jackson "In the Heat of the Moment holds the reader's attention with well-placed hooks. Droll and darkly comic." - Brian Lister, Biscuit Publishing

I love how kitty writes. no shame. it's everything I didn't know I wanted." - Drew P. "Such a sexy submissive story. I love Vivian and all the many characters that are thrown into her life. Sequel please, would definitely love more about these characters!" - Kenzie "I read "Comfort Food" and wanted to read more from the author ... "Dark erotica" is so much more exciting than the "50 Shades" type story lines! With this book and Comfort Food, I questioned if I could handle reading about the things the character's were subjected to but that wasn't an issue, I was captivated. When about one quarter through the book, I

thought it's not going to be as good as "Comfort Food" but that definitely wasn't the case ... It's a hot book and I loved it!" - Megan

"This book is definitely not for the faint of heart. Very intense BDSM but if you have a depraved mind like me, you'll love it!" -AsianCocoa

"Kitty Thomas is an incredibly talented erotica writer and storyteller, and she really turned up the heat and the kink in her latest release. Guilty Pleasures is a very erotic and twisted tale that sucks the reader in from the first paragraph. Ultimately, it is a look at one woman's sexual awakening and the drastic steps she must take to arrive there. She must question what is the worse existence, a lifetime of dull, passionless sex in her husband's bed or being "forced" to experience orgasmic kinky sex with strangers. I am so very pleased with the book's ending. Perfect! Highly recommended to those who like darker, BDSM erotica" - Book of Secrets

"Guilty Pleasures is a lovely and sweet BDSM story about how a bored, rich and sexually shut-down wife gets her game back. " - Sheri Johnson

"In Guilty Pleasures, Kitty Thomas' second novel, she has once again produced a wickedly arousing tale of nonconsensual submission that turned me on, satisfied me and left me wanting for more." -Zelda Gillian

An electrifying story of the sensational murder trial that divided a city and ignited the civil rights struggle

In 1925, Detroit was a smoky swirl of jazz and speakeasies, assembly lines and fistfights. The advent of automobiles had brought workers from around the globe to compete for manufacturing jobs, and tensions often flared with the KKK in ascendance and violence rising. Ossian Sweet, a proud Negro doctor-grandson of a slave-had made the long climb from the ghetto to a home of his own in a previously all-white neighborhood. Yet just after his arrival, a mob gathered outside his house; suddenly, shots rang out: Sweet, or one of his defenders, had accidentally killed one of the whites threatening their lives and homes. And so it began-a chain of events that brought America's greatest attorney, Clarence

Darrow, into the fray and transformed Sweet into a controversial symbol of equality. Historian Kevin Boyle weaves the police investigation and courtroom drama of Sweet's murder trial into an unforgettable tapestry of narrative history that documents the volatile America of the 1920s and movingly re-creates the Sweet family's journey from slavery through the Great Migration to the middle class. Ossian Sweet's story, so richly and poignantly captured here, is an epic tale of one man trapped by the battles of his era's changing times. Arc of Justice is the winner of the 2004 National Book Award for Nonfiction.

I Hate to Say Goodbye Farrar, Straus and Giroux

APOLOGUE A young painter, indulging a vein of pleasantries, sketched a kind of conversation piece, representing a bear, an owl, a monkey, and an ass; and to render it more striking, humorous, and moral, distinguished every figure by some emblem of

human life. Bruin was exhibited in the garb and attitude of an old, toothless, drunken soldier; the owl perched upon the handle of a coffee-pot, with spectacle on nose, seemed to contemplate a newspaper; and the ass, ornamented with a huge tie-wig (which, however, could not conceal his long ears), sat for his picture to the monkey, who appeared with the implements of painting. This whimsical group afforded some mirth, and met with general approbation, until some mischievous wag hinted that the whole—was a lampoon upon the friends of the performer; an insinuation which was no sooner circulated than those very people who applauded it before began to be alarmed, and even to fancy themselves signified by the several figures of the piece. Among others, a worthy personage in years, who had served in the army with reputation, being incensed at the Supposed outrage, repaired to the lodging of the painter, and finding him at home, "Hark ye, Mr. Monkey," said he, "I have a good mind to convince you, that though the bear has lost his teeth, he retains his paws, and that he is not so drunk but he can perceive your impertinence." "Sblood! sir, that toothless jaw is a damned scandalous libel—but don't you imagine me so chopfallen as not to be able to chew the cud of resentment." Here he was interrupted by the arrival of a learned physician, who, advancing to the culprit with fury in his aspect, exclaimed, "Suppose the augmentation of the ass's ears should prove the diminution of the baboon's—nay, seek not to prevaricate, for, by the beard of Aesculapius! there is not one hair in this periwig that will not stand up in judgment to convict thee of personal abuse. Do but observe, captain, how this pitiful little fellow has copied the very curls—the colour, indeed, is different, but then the form and foretop are quite similar." While he thus remonstrated in a strain of vociferation, a venerable senator entered, and waddling up to the delinquent, "Jackanapes!" cried he, "I will now let thee see I can read something else than a newspaper, and that without the help of spectacles: here is your own note of hand, sirrah, for money, which if I had not advanced, you yourself would have resembled an owl, in not daring to show your face by day, you ungrateful slanderous knave!"
