But the thing is... we're flying 30,000 feet in the air in a speeding aluminum cage, and there's a berserker raging out in the aisle beside me. Security won't be able to hold him. They won't be strong enough. They have no idea what they're dealing with. And if he gets a taste of blood, he's going to rampage through the entire plane leaving a path of death and destruction, including me. I've never used my power before. I'm afraid it won't work and he'll turn on

me, but I know all too well what these beasts are capable of. There's nowhere to go, and he's just getting started. I have one option: Calm him, and hope I can escape when the plane lands. This is a standalone. No cliffhangers. HEA Guaranteed.

Lies, and Twisted Fates. "Kitty Thomas is a one-click author for me!" -Anna Zaires, NYT Bestselling author of Twist Me Guilty Pleasures: She was a bored housewife until she was taken and trained for the pleasure of the highest bidder. Vivian Delaney leads a life of privilege, but behind closed doors she feels isolated and trapped in a gilded cage. Unable to achieve sexual pleasure with her husband, she finds herself in the capable hands of Anton, a massage therapist intent on awakening her to her full sexual potential. By any

means necessary. Broken Dolls: Mina Calloway always finds herself in the hands of the wrong master: Gentle at first, then brutally sadistic and abusive. She no longer believes it 's possible to find a man who will be gentle with her. After seeing a kink-friendly therapist for months, the doctor makes her an illicit offer she isn ' t yet smart enough to refuse: " Let me find you a good master. " Brian Sloan is a borderline sociopath with a dark and brutal past. Only taking his sadistic urges out on the women at a submissive

training house allows him to sleep through the night. When Brian sees Mina, she should be ripe for the picking, but her damage is too similar to his own. Can he fight past his demons to protect the one person he considers worth saving? Surrender: Julie wants Gabe Griffin like fish want water, but what she wants is sweet domestic bliss and a white picket fence. What Gabe wants is to put a collar around Julie ' s throat and train her in the finer points of being his slave. At first too innocent, then too broken, can Julie ever surrender to

the man intent on claiming her? Pretty Lies: "She told pretty lies to the wrong man and now she must give herself to him to save her sister ' s life" As a phone sex operator, Annette Waincott knows how to tease to get what she wants. That is, until she teases the wrong man at a club, claiming kinky fantasies she doesn ' t really have. It must have been too much vodka and his tantalizing Russian accent. Too bad he believes her. When the Russian accidentally kidnaps her twin sister as part of an ill-fated sex game, things

quickly get real. In a desperate bid to free her twin, Annette offers herself to him in trade. He both terrifies and excites her, but as she knows she can never trust him. The things he wants will push her to her limits and beyond. And this time, she can't tell pretty lies and run away. Twisted Fates: When Lindsay Smith brought her to the house, it was to train and sell her. They both knew it. She'd agreed to this arrangement. She wanted to belong to someone. But Lindsay wanted her to be his. Three days into her stay at the

Inpleasure house, Shannon Foster's life is forever destroyed by a sociopathic monster. Lindsay saved her life that day, but the scars bind her to the house without a future. Now, eight years later, Lindsay saves her once again, only this time he's playing for keeps. Pretty Lies Burlesque Press
