The Barter Economy of the Khmer Rouge Labor Camps Hachette UK Two legendary coaches give golfers a powerful new approach to the game... and to life. As coaches to some of golf's top players, Pia Nilsson and Lynn Marriott have designed and refined a revolutionary way of teaching the game, with phenomenal results. They don't believe in prescribing the same stance, grip, and swing to everyone, followed by hours of purposeless drilling. They don't even believe in beginning with physical technique. Their success has proven to them that a great game begins with a great vision. Unlike any other golf book, *Every Shot Must Have a Purpose* offers cutting-edge techniques for integrating the physical, technical, mental, emotional, and social parts of a player's game. The book's revolutionary pre-shot routine will improve your focus, leading to a golf swing that is not only successful but can be repeated under extreme pressure. Emphasizing the individual golfer rather than a rigid set of mechanics, their VISION54 method takes the frustration out of the game. Why 54? Because they believe it's possible to shoot a 54 (making a birdie on every hole of a par-72 course) if you have the right mind-set and well-honed intuitive power. An engaging read for the beginner or the seasoned golfer, *Every Shot Must Have a Purpose* is inspiration for life, not just the links.

Everybody loves Katie; with her bubbly personality, her beauty, her never-ending supply of care and support for her patients and friends, and her huge sense of fun, there's very little to dislike. Yes, she's a bit scatty, she tends not to sweat the small stuff (like an engine light on her dashboard - that is until her Mini won't actually start any more), and she can talk the hind legs off a donkey, but none of that stops most people from thinking she's pretty damn adorable. Well, most people, other than Sam, that is. Sam is anything but bubbly. His surly demeanour is the complete opposite of Katie's, and over the six years that she's known him one thing has become very clear: Sam cannot stand her. The fact that he makes her nervous doesn't help the situation. Around Sam her verbal diarrhoea seems ten times worse, the snort that she tries to hold in when she laughs refuses to be suppressed, and her clumsiness assumes clown-like proportions. If only he weren't quite so intimidating, she might be able to act like a normal human being, but his sheer masculine beauty is enough to throw her off before she's even spoken to him. Then there's the fact that he looks at her like she's something he's scraped off his shoe. The combination is enough to short-circuit her brain. Katie may be bubbly and bright but unfortunately her past is not, and it's started leaking into her present. She hides her fear from her friends as they have problems of their own, but when Sam finds out the potential danger she's in, for some reason he is furious. Then again, there's a reason Sam is the way he is. He has his own demons to contend with. Shutting himself off and burying his pain has been working well for him over the last six years since leaving the Special Forces, so the last thing he wants is to spend any time with the one woman that cuts through the numbness he surrounds himself with and actually makes him feel again. But he simply can't stand by if Katie is in danger; he can't allow her to be hurt. Unfortunately there are other ways to be hurt, and by getting closer to Katie, Sam may inflict more damage than her past ever could. Because Sam is damaged, and some things are beyond repair. This is a full-length contemporary romance / romantic comedy with its own HEA and no cliffhanger. Praise for Beyond Repair "Fast paced and the author did a great job with the characters. Recommend to everyone who loves a romance between a tortured soul and bubbly, rainbow living angel." Star Angel's Reviews "I really enjoyed this read and cannot wait for the next book Susie Tate comes out with. This is a great series to read if you like the medical background of a show like Grey's Anatomy with the light humor of your favorite romantic comedy." Wicked Little Pixie Reviews "A must read series that begs to be on everyone's e-readers and shelves. Love, understanding, patience and passion - Perfection." The Book Fairy Reviews "This series has suspense, great banter, friendship, love and drama: what more could a reader want?" Scandalous Book Blog "I really enjoyed the book and am looking forward to Goody's story next. Once I started this one I couldn't put it down. Would recommend." Words Turn Me On Book Blog "This story had me hooked from

the beginning to the end and I've only just managed to put it down." "Really enjoyed the ending especially the epilogue." Mizz Clare Book Blog. Warning - This story contains some swearing and violence. Author Background Susie Tate is a general practitioner now, but she has also spent years working in hospital medicine. This the first of her books to be set in general practice and she hopes that it will give readers a feel for what it's like behind the scenes, as well as being a funny, at times heartbreaking story.

The Broken Puppet Createspace Independent Publishing Platform "What I really wanted was her." This trip home would be a hell of a lot easier if she wasn't here. Zoe. My ex-wife. Fixing the broken finances of my family's winery is a little below my pay grade. But if I don't help, they might lose their land. The trouble is, she's everywhere, and I can't avoid her. Seeing Zoe again dredges up feelings I'd rather ignore. Hurt. Regret. Desire. So much f***ing desire. She's sassy and tough, and still the sexiest woman I've ever known. I shouldn't want her like this. I let her go once, and I don't deserve a second chance. But the more time I spend with her, the more I realize what we lost. What we could have again. It might be crazy, but crazy was always our thing. And this time, I'm not going down without a fight. **Each book in the Miles Family series ends with a romantic HEA, but there is an ongoing subplot that spans the entire series. Contains explicit language and content.**
