Life for the man whom many considered the go-to-guy became one of complete dependency in a blinding, searing explosion. His story is one of courage, inspiration, and hope for both the individual that suffers catastrophic injury and the family that loves them. Nolte blends his rehabilitation with his faith journey in a way that brings the spiritual and the secular components of all our lives into beautiful balance. After more than 25 years of enjoying a life he created for himself (or so he thought), this is the remarkable story of one man's search for purpose in living his second life. Broken for a Purpose Krystle A. Barrington

For many of us, it can be difficult to imagine that our own life stories are worth telling. Are they exciting or impactful enough to share with others? What wisdom can we impart on those we tell? What can younger generations take from our experiences that would even apply to their lives? In this book, Rob Johnson faces these questions head-on. Abandoned, Not Broken tells the moving true story of a young boy adopted as a baby and raised in a small, tight-knit trailer community. Spanning the author's life from birth to present day, this touching memoir explores his troubled beginnings, his spiritual journey, a televised marriage proposal, endeavors in entrepreneurship, a campaign for local office, success, failure, perseverance, and more. All the while, this book offers an honest and powerful testimony of God's love that will move and inspire its readers. Armed with the philosophy that one's story is worth telling if even one person is positively affected by what you've been through, this book sets out to uplift and encourage its readers, proving that the stories God gives us are always worth sharing. Still A Good Thing: "Damaged BUT Not UnDone" AuthorHouse
Most Christians don't know the importance of brokenness in a believer's life. If we want to be who God has called us to be, we must allow God to take us through periods of testing, trials, and breaking. In fact, we are broken for a purpose. God must break us of anything that stands in the way of us being a usable vessel. Some of the greatest leaders in the Bible went through extensive periods of breaking. Many lost their lives, family members, careers, and much more. Part of the salvation experience is a transformation process where God will destroy the parts of us that are in the way of us becoming obedient vessels. We must die to our flesh, to our desires, and anything else that will interfere with our ability to serve God. When God breaks us, He is stripping away some things. Greater than that, He is equipping us with what we need to be Christ-like. Many Christians run from adversity, trials, and tests. Many don't want to be broken, yet they want to be used and blessed by God. Our purpose can only be found by submitting to the breaking process that God takes every believer through. This book will teach you what it means to be broken, why we must be broken, and the purpose of that brokenness. Every believer desiring spiritual growth should read this book, "Broken for a Purpose."

The purpose of become whole requires you to endure and grow through your experiences. You have to push through painful places. There is power in pain. Being broken into pieces allows you to become a vessel of honor. God will continue to make and mold you into a willing vessel. Understand that storms have a purpose: to uproot things that are shipwrecked in our lives. A vessel is a hollow container, yet spiritually we have the Word of God as a treasure in this earthen vessel, that the excellency of the power may be of God and not of us! Only God can complete us within the inner man and make whole the outer man. But the God of all grace, who hath called us unto his eternal glory by Christ Jesus, after that ye have suffered a while, make you perfect, stablish, strengthen, settle you! (1 Peter 5:10)
