Needlework Economies: A Book of Mending and Making with Oddments and Scraps Krause Publications

The **Twenty-First Century Performance Reader** combines extracts from over 70 international practitioners, companies, collectives and makers from the fields of Dance, Theatre, Music, Live and Performance Art, and Activism to form an essential sourcebook for students, researchers and practitioners. This is the follow-on text from **The Twentieth-Century Performance Reader**, which has been the key introductory text to all kinds of performance for over 20 years since it was first published in 1996. Contributions from new and emerging practitioners are placed alongside those of long-established individual artists and companies, representing the work of this century's leading practitioners through the voices of over 140

individuals. The contributors in this volume reflect the diverse and eclectic culture of practices that now make up the expanded field of performance, and their stories, reflections and working processes collectively offer a snapshot of contemporary artistic concerns. Many of the pieces have been specially commissioned for this edition and comprise a range of written forms – scholarly, academic, creative, interviews, diary entries, autobiographical, polemical and visual. Ideal for university students and instructors, this volume's structure and global span invites readers to compare and cross-reference significant approaches outside of the constraints and simplifications of genre, encouraging cross-disciplinary understandings. For those who engage with new, live and innovative approaches to performance and the interplay of radical ideas, **The Twenty-First Century Performance**

Reader is invaluable.

Achtung-Panzer! Sterling Publishing Company, Inc. First Published in 1997, this book offers a full, comprehensive investigation into the relationship between our Immune System and Disease. Carefully compiled and filled with a vast repertoire of notes, diagrams, and references this book serves as a useful reference for students of medicine, and other practitioners in their respective fields.

My Custom Stitch Storey Publishing, LLC

This companion workbook consists of project instructions and card stock worksheets in a 3-hole binder for convenient storage. Using these resources, students can store sewn sample garment details and record design information for design projects. The instructions for each project list the supplies and tasks needed to prepare the samples, plus clear cross references to sewing

techniques in the textbook, Professional Sewing Techniques for Designers, 2nd Edition, and the supplementary half-scales patterns available to complete projects. Sample and Sewing worksheets are made of card stock for durable sample mounting and include space to attach sample and label sewing techniques, fabric type, fiber content, lining type, interfacing type, stitching order, stitch length, and notes on where to use the stitching technique on a garment and stitching mistakes. As students use the workbook to practice the sewing techniques, it becomes an ongoing resource and part of the design student's fashion library.

Start to Sew Good Press

A great plan, a great pattern, a great fit, a great fabric, and a great finish: These are the five

fundamentals for perfecting any sewing project. Sarai Mitnick, an independent pattern designer setting the high water mark in the industry, shares her knowledge of these fundamentals and offers five beautiful projects to go with them. Powerful instruction: A former expert in user experience in the tech industry, Sarai Mitnick's Colette Patterns line has gained a great deal of respect for comprehensive, clear instruction. Comprehensive resource: The chapters cover sewing techniques, planning and fitting, working with patterns, working with fabrics, working with linings, finishing techniques--in essence, each chapter focuses on what the entirety of another book might cover. Gorgeous package: Pitch-perfect combination of illustration,

step-by-step photography and beautiful project shots, all with a clean, lovely design.

*Disclaimer: eBook does not include Tissue Enclosures as enclosed with print book.

Sewing Machine Reference Tool John Wiley & Sons

Demonstrates the parts of a sewing machine, threading the machine, safety and provides some easy projects to make.

My First Sewing Machine Book
Arms & Armour

This jargon-free, fully illustrated guide to using your sewing machine explains essential techniques and offers easy projects for getting started.

Straightforward and accessible, *Me and My Sewing Machine* contains everything you need to know to get the most out of your sewing machine. There are no intimidating specialty techniques, painstaking procedures, or complicated methods. Instead you will find easy-to-understand, practical and decorative techniques that

make sewing simple, even if you have never used a machine before. Author and professional crafter Kate Haxell shares clever tips and shortcuts, as well as advice on when you can use these speedy methods and when it really is better to do something the traditional way. Everything is illustrated with step-by-step photography and finished samples. Haxell also includes easy sewing projects that are simple without skimping on style.

The Sewing Machine Attachment Handbook

Ryland Peters & Small
Describes the characteristics, pros and cons, properties, and care associated with more than one hundred fabrics, and provides close-up photos of, and advice on the best tools to use with, each.

365 Free Motion Quilting Designs
CICO Books

A Touch of Whimsy Sewing with Whimsy is a fanciful treat in children's sewing and embellishing. Each chapter begins with a classic pattern based on a simple silhouette then takes the sewing enthusiast on a magical journey, traveling down a path of originality filled with trims and techniques. Kari Mecca's one-of-a-kind projects and ideas range from fun and funky to sweet and sassy. She teaches each new trim or embellishing technique using step-by-step directions that mesh by design with a simple construction approach. The Stitches & Techniques section provides clear, in-depth instructions using easy-to-follow photographed steps

and detailed illustrations. Techniques include: creating magical rickrack flowers and trims making and applying beautiful ribbon flowers adding sparkle with beads the sewing artistry of machine and heirloom sewing techniques Special tips and hints are highlighted throughout and are punctuated with inspirational photos to encourage readers to lend Kari's touch to their own projects and patterns. Sewing with Whimsy is truly one of Kari's most creative endeavors to date, and gives everyone pause to wonder, what sewing journey will she take us on next?

Me and My Sewing Machine

Stewart, Tabori and Chang Follow Wendy Ward 's tutorials to make a collection of comfortable and stylish garments. Wendy 's style is functional but beautiful basics,

and you will learn the skills to make garments out of knitted fabrics that drape beautifully and are a joy to wear. There are t-shirts, wide-leg trousers, lounge trousers, tank tops, cardigans, skirts, and dresses made in versatile fabrics that can be dressed up or down. Both beginners and more experienced dressmakers often avoid using knitted fabrics, but Wendy will show you how to successfully sew them with just a regular sewing machine. You will learn essential skills with the help of a comprehensive techniques section that includes a guide to different types of knitted fabrics and their uses (including jersey, sweatshirt fabric, boiled wool, and many more), how to prepare them for making clothes, setting up your sewing machine, which needles you need, sewing seams and hems, and using elastic. There are also full-size patterns for every garment included at the back of the book, so you will have all the

information you need to start making your own perfect wardrobe!

Crafty Little Things to Sew Lark Books (NC)

With 35 projects that you ' ll love to make and a helpful techniques section, this book will teach you all about sewing machines. Start out with Clothes and Accessories, where you can make a felt collar and cosy scarf, as well as a pretty skirt.
