Britain, in the mid 21st century. A new prime minister, Lev Solokov is elected. In spite of his Russian surname, he is the charismatic politician who, on the surface, appears to be just what Britain needs. But he's not what Gavin needs. Gavin is a Pustoy, a human who, among countless others, Solokov's researchers has declared a soulless, subhuman race. Solokov joins a dark lineage of genocidal tyrants that have gone before him. In synthesizing his own race to persecute others, perhaps he has succeeded in a horror more insidious than any of his forebears, especially as he appears to have done so with both overwhelming public blessing and encouragement. Or at least he would have, if not for the increasing din of the Pustoy protesting outside his offices. Chosen at random owing to his position as a forefront campaigner for the rights of the Pustoy, Gavin is framed for a crime he didn't commit and is forced to go on the run, and so Solokov in one fell swoop kills any budding sympathy the people may have had for the Pustoy, and would appear to have silenced one of his loudest protestors. Just who are the Pustoy of this world? The persecutors or the persecuted? Will Gavin remain a hunted scapegoat? Is Solokov acting for the greater good; are the Pustoy really devoid of a soul? More importantly, how far away is this future, really? Phillippe Blenkiron's conceptual poetry collection demands these questions of the reader, whilst offering an unflinching examination of the human psyche, exploring the clouded moral hues between black and white, between right and wrong, that exist inside all of us. For fans of "1984," "Brave New World," and other greats of dystopian fiction, Philippe Blenkiron's debut poetry collection is shocking, unsettling, and closer to real-life than we dare admit...

Prisons, an integral part of society, generally are not familiar to most people. Length of sentence and treatment by others in the prisons vary widely. The immediate “ Man-in-charge ” of each prison unit is the warden, who has some flexibility within TDCJ guidelines. Warden Dr. Keith Price gained a reputation for turning around some chaotic prison units. He knows from experience that at best, prisons are very difficult places for people, whether they are behind the bars or in front of them. “ People that wind up in prison, inmates, generally are society ' s rejects, ” Price said. “ They ' ve been unable to do the things other people do to make life a success, whether it ' s because of an abusive parent, addiction to some substance, stupidity, being unable to read or write, they ' ve been failures and have chosen alternate means, that is crime. ” Price also knows officers have a challenging life, “ The correctional officer, has to deal with people so maladjusted that society says they can ' t live amongst them anymore. It ' s conflict day after day, hour after hour and it really takes a toll, from broken marriages to financial problems to substance abuse. It ' s continual. ” The Texas Prison System was named “ one of the best ” in the country by a leading penology expert. However, shortly after that, a Federal Judge took control of the entire Texas Department of Corrections for “ unconstitutional treatment ” of inmates. TDC denied and resisted many of the reforms the judge ordered. The result was chaos. Too few guards, rampant gangs, gang wars and overcrowding were the norm for several years. The court kept control 20 years and finally the prison system adapted to the new (and constitutional) ways of operating. At the same time Texas prison population doubled, and more than doubled, again. During that time, 19-year-old Rickie Smith began a 10-year sentence in TDC on a drug charge. He joined the gang wars, in the Aryan Brotherhood and then made his own personal war with prison officers. He could have been released in a few short years, but, in 3 separate trials juries added 3 ninety-nine-year sentences for him to serve. Trial transcripts have many references in testimonies to how dangerous Rickie Smith is--even calling him “ the most violent inmate ” in TDC. REAL PRISON / REAL FREEDOM is a biography of Rickie Smith and how his life intersects with the woes of the prison system and with Warden Keith Price. Naturally, he wanted out, knowing that realistically it will never happen. Officials told him he ' ll never get out. Then came the impossible that shocked everyone, especially Rickie.
