The Modern Survival Manual is based on first hand experience of the 2001 Economic Collapse in Argentina. In it you will find a variety of subjects that the author considers essential if a person wants to be prepared for tougher times: -How to prepare your family, yourself, your home and your vehicle -How to prepare your finances so that you don't suffer what millions in my country went through

-How to prepare your supplies for food shortages and power failures -How to correctly fight with a chair, gun, knife, pen or choke with your bare hands if required -Most important, how to reach a good awareness level so that you can avoid having to do all that These are just a few examples of what you will find in this book. It's about Attitude, and being a more capable person and get the politically correct wimp out of your system completely.

I See a Pattern Here Macmillan

This is a contemporary cross-stitch design and project book - a refreshing and modern take on the traditional craft of cross-stitching that will appeal to an audience that keeps up with current trends. The reader will be guided through the materials and tools of the trade before being taught the fundamental techniques of cross-stitching. Once the basics have been covered, chapters continue to

---

explain how to read from a cross-stitch pattern and introduce a selection of designs that the reader can use, either for the projects featured in the book or in their personal projects. There are 20 step-by-step projects to make and readers will also be taught how to create their own designs from scratch.. The projects are divided into three sections: Simple, Trickier and Challenging. The projects are wide-ranging, from buttons, hair bobbles and brooches, to watch straps, coasters, tote bags, customized pumps and Peter Pan collars. Readers can experiment with working up miniature designs to large-scale canvases and rugs. Finally, there is a chapter on Thinking Outside the Box, which aims to inspire with suggestions of alternative materials and ideas to explore.
