I bought a 618 micromaster by brown and sharpe with unseen. The machine is in good condition but needs parts that will cost more than the machine itself. I think my only way to get my money back from it is to sell the parts to other people that are in a similar position.

2018 #1 So, this guy popped up on my local craigslist for really
cheap, and I jumped at it. It seems complete and has about every
feature I could want, as well as being rust-free.
