Many companies still rely on the Brown & Sharpe Micromaster for grinding smaller parts - and with good reason, they were well built machines. Rather

than opt for a foreign-made surface grinder as a replacement, contact Bourn & Koch about our rebuild services for Brown & Sharpe's line of surface grinders.

Denver Machine Tool, Inc.

I bought a 618 micromaster by brown and sharpe with unseen. The machine is in good condition but needs parts that will cost more than the machine itself. I think my only way to get my money back from it is to sell the parts to other people that are in a similar position.
