But perhaps less well known is that he was also the first person to use mouth-to-mouth resuscitation on an electric-shock victim. Odder still, it was actually mouth-to-beak resuscitation on a hen that he himself had shocked. Welcome to

Filled with stories of science gone strange, Electrified Sheep is packed with eccentric characters, irrational obsessions, and extreme experiments. Watch as scientists attempt to nuke the moon, wince at the doctor who performs a self-appendectomy, and catch the faint whiff of singed wool from an electrified sheep.

Adapted from Margareta Osborn ' s bestselling ebook novella A Bush Christmas, Rose River is a gloriously funny romantic comedy set in the beautiful Australian outback. Take one city girl - and drop her into the back of beyond... Housesitting in rural Burdekin ' s Gap, high up in the East Gippsland Mountains, is not an obvious career move for a PR executive like Jaime Hanrahan. But, hey, retrenchment is a kicker. Plus she ' s determined not to

spend Christmas in Melbourne with her friends, who still have company cars and six-figure salaries, or with her mother, Blanche, who has remarried too soon after her father's death. However, it turns out that Burdekin's Gap is a little more remote than Jaime had anticipated, the house is in the middle of a cattle station, and the handsome manager, Stirling McEvoy, doesn't appreciate a new farmhand in Jimmy Choos and Sass & Bide cut-offs. Soon Jaime is fending off stampeding cows, town ladies wielding clipboards, sheep that think they are goats,

nude sportsmen and one very neurotic cat. So why does she feel like she's falling in love . . . with the life, with the breathtaking landscape, and with one infuriating cowboy ...? **Cowboy Heat** Random House Australia

L A Cotton's angsty college
mafia romance series,
Verona Legacy, continues
with Enzo Marchetti's
story... Nora Abato is the
kind of girl people gravitate
to. Sassy. Selfless.

Stubborn. She knows what
she wants and she's
determined to get it. And

Nora wants her very own
mafioso, the bad boy with a
tortured soul who will do
whatever it takes to protect
his family. Enzo Marchetti is
the kind of guy people run
from. Rash. Reckless.
Ruined. As the Marchetti
crime family's new enforcer,
he'd rather spend his days
getting his hands dirty than
thinking about the future, or
the girl with fire in her eyes
and fight in her heart. When
a new enemy threatens the
Marchetti empire, Enzo and
Nora suddenly find
themselves in close
confines, and the undeniable

connection between them is
pushed to its limits. He can't
resist the girl who sees past
the darkness in his soul and
she can't give up on the guy
who has never been taught
how to love. There's only
one problem. Enzo isn't
Nora's fairytale prince, he's
the villain who will destroy
her dream of a happily-ever-
after. He'll break her... If she
doesn't break him first.

Forty years ago, a flashy
new rugby league
competition, the 'Amco
Cup', was launched.

Played under lights, televised live on Wednesday nights with commentary by a young Ray Warren, it was supposed to be won by one of the rich Sydney clubs. Instead, the trophy went to Western Division, a team from western NSW that included a timber cutter, a slaughterman, a greyhound trainer, a policeman, a brickie, miners and farmers. One player, a balding back-rower nicknamed 'TV Ted' Ellery, became an instant

celebrity. Along the way, TV Ted and his mates fought a match against Great Britain that might have been the most violent football game ever played. Three players were sent off and the referee needed a police escort to get not just out of the ground but out of town. Ian Heads has in effect written two books in one: describing in vivid detail a memorable season highlighted by an implausible triumph... and revisiting the players to

discover what has become of them. The tale told by the referee of the Great Britain encounter, a family secret until Heads came upon it in the course of his research, is one of the most revealing and controversial ever published. The Night the Music Died is the classic story of the underdog winning against all odds. It could be the sporting book of the year.
