PowerUp 2019 Users Conference | BST Global
The BST Global Story. Since our founding in
1971, we have focused exclusively on one thing:
creating innovative business management software
solutions for the world ' s leading architects,
engineers, and environmental consultants. As a
privately held company, our allegiance lies with our
clients, ensuring that we are best serving their
needs.

BST Solutions

After a great deal of thought
and consideration we have made

the very difficult decision to cancel the 2020 BOSS User Conference and Training which was scheduled for September 10-11, 2020 at the Marriott Atlanta Buckhead. This decision was based primarily due to the uncertainty and safety considerations arising from the COVID-19 pandemic.
