Colors fill your life. Some days you want to wear one color. Other days you prefer a different selection. You prefer one color of car to another. Why? The answer is that colors affect us mentally, physically, emotionally, and spiritually. *Practical Color Magick* by Raymond Buckland gives you everything you need to know so you can consciously use color to affect you and everyone around you. This book is the world's leading guide for using color in magick. You'll be amazed at how many aspects of your life can be changed by using the secret powers of color. Revealed in this book is how to meditate and how using color to meditate can take you farther than you've ever been. You'll also learn how to use

color to develop psychic powers and improve your abilities as a Tarot or crystal ball reader. You'll even learn how to use a pendulum, all with the help of color. Also covered is numerology, how to make and use talismans, and much more. One of the important parts of this well-researched book is the information on how to use color for healing. You'll discover how to project color and which colors affect various diseases. You'll learn how to charge water with color and use it for healing. You'll learn which colors can help your heart, your organs, your skin. You can use color to assist you in virtually any healing. One of the problems many people have with magick is that they think it is too expensive. All those wands and altars! Well, the fact is you don't need all of that. You can use very simple tools you've made yourself that use color and result in very powerful magick. So whatever your goal — healing abilities, divination, magick, meditation — you can find ways to enhance your skills with this book. You owe it to yourself to get it.

The Tree Llewellyn Worldwide Now you can get the collection of rituals and wisdom that has helped start thousands of people on a Pagan path for over thirty-five years?Magical Rites from the Crystal Well by Ed Fitch. The book also includes Pagan lore, such as the Rede of Chivalry, tips on forming a Pagan training group, how to tell if your pet is also your familiar, and much more. Almost every page has an elegant illustration. This book is not just filled with important ideas and rites that you can use, it's also beautiful to behold.

Cunningham's classic introduction to Wicca is about how to live life magically, spiritually, and wholly attuned with nature. It is a book of sense and common sense, not only about magick, but about religion and one of the most critical issues of today: how to achieve the much needed and wholesome relationship with our Earth. Cunningham presents Wicca as it is today: a gentle, Earth-oriented religion dedicated to the Goddess and God. Wicca also includes Scott Cunningham's own Book of Shadows and updated appendices of periodicals and occult suppliers.
