Jenna Fischer's Hollywood journey began at the age of 22 when she moved to Los

Angeles from her hometown of St. Louis. With a theater degree in hand, she was determined, she was confident, she was ready to work hard. So, what could go wrong? Uh, basically everything. The path to being a professional actor was so much more vast and competitive than she'd imagined. It would be eight long years before she landed her iconic role on The Office, nearly a decade of frustration, struggle, rejection and doubt. If only she'd had a handbook for the aspiring actor. Or, better yet, someone to show her the way—an established actor who could educate her about the business, manage her expectations, and reassure her in those moments of despair. Jenna wants to be that person for you. With amusing candor and wit, Fischer spells out the nuts and bolts of getting established in the profession, based on her own memorable and hilarious experiences. She tells you how to get the right headshot, what to look for in representation, and the importance of joining forces with other like-minded artists and creating your own work—invaluable advice personally acquired from her many years of struggle. She provides helpful hints on how to be gutsy and take risks, the tricks to good auditioning and callbacks, and how not to fall for certain scams (auditions in a guy's apartment are probably not legit—or at least not for the kind of part you're looking for!). Her inspiring, helpful guidance feels like a trusted friend who's made the journey, and has now returned to walk beside you, pointing out the pitfalls as you blaze your own path towards the life of a professional actor.

Now a Netflix original series! The graphic novel The A.V. Club named a "modern masterpiece," Locke & Key tells a sprawling tale of magic and family, legacy and grief, good and evil. Acclaimed suspense novelist and New York Times-bestselling author Joe Hill (The Fireman, Heart-Shaped Box) has created a gripping story of dark fantasy and wonder—with astounding artwork from Gabriel Rodríguez—that, like the doors of Keyhouse,

will transform all who open it. The epic begins here: Welcome to Lovecraft. Following their father's gruesome murder in a violent home invasion, the Locke children return to his childhood home of Keyhouse in secluded Lovecraft, Massachusetts. Their mother, Nina, is too trapped in her grief—and a wine bottle—to notice that all in Keyhouse is not what it seems: too many locked doors, too many unanswered questions. Older kids Tyler and Kinsey aren't much better. But not youngest son Bode, who quickly finds a new friend living in an empty well and a new toy, a key, that offers hours of spirited entertainment. But again, all at Keyhouse is not what it seems, and not all doors are meant to be opened. Soon, horrors old and new, real and imagined, will come ravaging after the Lockes and the secrets their family holds. *Locke & Key, Vol. 1* features an introduction by Robert Crais, author of the bestselling Elvis Cole series of crime novels.
