When Charley follows his pet insects to a pool of blood behind a false wall, he could run and let those stones bury their secrets. He could assimilate, focus on his studies, and wait for his father to send for him. Or he could walk the dark tunnels of the school's heart, scour its abandoned passages, and pick at the scab of a family's legacy of madness and murder. With the help of Sam Forster, the school's gardener, and Matron Grace, the staff nurse, Charley unravels Old Cross' history and

Daniel Mattson once believed he was gay. Raised in a Christian family, and aware of attractions to other boys at age six, Mattson's life was marked by constant turmoil between his faith in God and his sexual attractions. Finding the conflict between his sexual desires and the teachings of his church too great, he assumed he was gay, turned his back on God, and began a relationship with another man. Yet freedom and happiness remained elusive until he discovered Christ and his true identity. In this frank memoir, Mattson chronicles his journey to and from a gay identity, finding peace in his true

identity, as a man, made in the image and likeness of God. Part autobiography, part philosophy of life, and part a practical guide in living chastely, the book draws lessons from Mattson's search for inner freedom and integrity, sharing wisdom from his failures and successes. His lifelong search for happiness and peace comes full circle in his realization that, above all else, what is true about him is that he is a beloved son of God, loved into existence by God, created for happiness in this life and the next. Mattson's book is for anyone who has ever wondered who he is, why he is here, and, in the face of suffering, where to find joy, happiness, and the peace that surpasses all understanding.

Persian Boy centers on the most tempestuous years of Alexander the Great ' s life, as seen through the eyes of his lover and most faithful attendant, Bagoas. When Bagoas is very young, his father is murdered and he is sold as a slave to King Darius of Persia. Then, when Alexander conquers the land, he is given Bagoas as a gift, and the boy is besotted. This passion comes at a time when much is at stake—Alexander has two wives, conflicts are ablaze, and plots on the Macedon king ' s life abound. The result is a riveting account of a great conqueror ' s years of triumph and, ultimately, heartbreak. The Persian Boy is the

second volume of the Novels of Alexander the Great trilogy, which also includes Fire from Heaven and Funeral Games. This ebook features an illustrated biography of Mary Renault including rare images of the author. “ Mary Renault is a shining light to both historical novelists and their readers. She does not pretend the past is like the present, or that the people of ancient Greece were just like us. She shows us their strangeness; discerning, sure-footed, challenging our values, piquing our curiosity, she leads us through an alien landscape that moves and delights us. ” —Hilary Mantel Ven Conmigo!
