In this timely tale of immigration, two cousins learn the importance of family and friendship. A year of discoveries culminates in a performance full of surprises, as two girls find their own way to belong. Mexico may be her parents' home, but it's certainly not Margie's. She has finally convinced the other kids at school she is one-hundred percent American--just like them. But when her Mexican cousin Lupe visits, the image she's created for herself crumbles. Things aren't easy for Lupe, either. Mexico hadn't felt like home since her father went North to find work. Lupe's hope of seeing him in the United States comforts her some, but learning a new language in a new school is tough. Lupe, as much as Margie, is in need of a friend. Little by little, the girls' individual steps find the rhythm of one shared dance, and they learn what "home" really means. In the tradition of My Name is Maria Isabel--and simultaneously published in English and in Spanish--Alma Flor Ada and her son Gabriel M. Zubizarreta offer an honest story of family, friendship, and the classic immigrant experience: becoming part of something new, while straying true to who you are.

A Challenge to College Programs McGraw-Hill Education  
"This book proposes a different perspective and shows, through a knowledge historical approach and several case studies, that the School of Salamanca has to be considered both an epistemic community and a community of practice that cannot be fixed to any individual place. Instead, the School of Salamanca encompassed a variety of different sites and actors throughout the world and thus represents a case of global knowledge production"--

A witch is cursed to relive a doomed love affair through many lifetimes, as both troubled muse and frustrated artist, in this haunting debut novel. Helen Lambert has lived several lives-a young piano virtuoso in 1890s Paris, an actress in 1930's Hollywood, a rock star in 1970s Los Angeles -- only she doesn't know it. Until she meets a strange man who claims he's watched over her for centuries, bound to her from the beginning. At first, Helen doesn't believe him. Her life is as normal as any other modern career woman's. Then she begins having vivid dreams about ill-fated love and lives cut short. Caught in a curse, Helen will be forced to relive the same tragic events that ruined her previous lives. But with each rebirth, she's developed uncanny powers. And as the most powerful version of herself, Helen must find a way to break the curse before her time runs out. A Witch in Time is a bewitching tale of passion, reincarnation, and magic perfect for fans of A Secret History of Witches and Outlander. Praise for A Witch in Time: "A sweeping story of magical, star-crossed love, as glamorous as it is romantic. Prepare to be dazzled."?Alma Katsu, author of The Hunger "Incredibly engrossing and decadent in all the best ways, A Witch in Time is a sumptuous story of love and loss that's perfect for fans of historical fiction with a touch of fantasy."?Hypable "A narrative rich in historical detail, brightened by flashes of humor, and filled with colorful characters and fascinating settings. A most rewarding read!" ?Louisa Morgan, author of A Secret History of Witches For more from Constance Sayers, check out The Ladies of the Secret Circus.

For Oscar, life is good. Living and working with his cousins in Dodge City, Kansas, he is living what one might call the American Dream. After many years Oscar finally receives his permanent resident card (green card), and opens a business, a house-painting company. The work is steady and honest. In fact, it is so constant that Oscar looks to buy a new vehicle to support the business. He is offered a truck at an incredible price, but he has to travel to San Antonio in order to pick it up. What should be a quick two-day trip, turns into one of panic when Oscar loses something he has worked so hard to achieve. Michelle is also living a good life. She and her husband, Marcos, live in Las Cruces, New Mexico. Michelle and Marcos work hard - she as a delivery driver and he as a restaurant manager - in the hopes of bringing the rest of the family to live with them in New Mexico. Marcos is originally from Mexico and has two daughters who still live there with his mother. What the couple lacks, however, is the money needed to secure a lawyer to help with legal paperwork. On one particular trip to San Antonio, though, Michelle's luck seems to turn when she finds a large sum of cash - a perfect solution to her problem. Or is it? Learn how the lives of two people on separate journeys intersect in San Antonio, one of the colonial cities of the southwest United States.

**A Story about Building the World's Fittest Athletes** McGraw-Hill Education While many professional translators believe the ability to translate is a gift that one either has or does not have, Allison Beeby Lonsdale questions this view. In her innovative book, she demonstrates how teachers can guide their students by showing them how insights from communication theory, discourse analysis, pragmatics, and semiotics illuminate the translation process. Challenging long-held assumptions, she establishes a fascinating framework on which to base the structure of a professional prose-translation class. Her original contributions to the question of directionatliy and to the specific strategies of tranlsating are applicable to not only the teaching of translation from Spanish to English, but to other teaching situations and to other pairs of languages as well. She also reviews the latest attempts in translation theory to define and contextualize ideal translator competence, student translator competence, and general translation strategies. Beeby Lonsdale completes her book by applying her conclusions to selecting and organizing the content of teaching translation from Spanish to English. She illustrates one or more of the basic translation principles through 29 teaching units, which are prefaced by objectives, tasks, and commentaries for the teacher, and through 48 task sheets, which show how to present the material to students.
