World Quest combines the drama and excitement of an episodic story, with real world texts and topics to accelerate students' progression. Your students will be enchanted by award winning author, Paul Shipton's episodic story at the beginning of each unit and they will want to know what happens next. Written especially for the course, the story introduces key vocabulary at the start of each unit as well as capturing students' attention. Read the stories aloud in class or listen to them on the class audio CDs. Give your students the vocabulary, grammar and practice they need to progress quickly in English. When students use English in the real world they are most likely to want to talk about their own lives and interests, World Quest provides them with the vocabulary and grammar to do this as well as plenty of practice.

Modern Spanish Grammar: A Practical Guide is an innovative reference guide to Spanish, combining traditional and function-based grammar in a single volume. The Grammar is divided into two parts. The shorter section covers traditional grammatical categories such as word order, nouns, verbs and adjectives. The larger section is carefully organized around language functions and notions such as: giving and seeking information putting actions into context * expressing likes, dislikes and preferences comparing objects and actions. All grammar points and functions are richly illustrated and information is provided on register and relevant cultural background. Written by experienced teachers and academics, the Grammar has a strong emphasis on contemporary usage. Particular attention is paid to indexing and cross-referencing across the two sections. This is the ideal reference grammar for learners of Spanish at all levels, from elementary to advanced. It will prove invaluable to those with little experience of formal grammar, as no prior knowledge of grammatical terminology is assumed and a glossary of terms is provided. The book will also be useful to teachers seeking back-up to functional syllabuses, and to designers of Spanish courses.
