This Buffettology Workbook Book, as one of the most functioning sellers here will extremely be in the course of the best options to review.

*The Warren Buffett Stock Portfolio*  
Scribner

Words of wisdom from Charlie Munger—Warren Buffett's longtime business partner and the visionary Vice Chairman of Berkshire Hathaway—collected and interpreted with an eye towards investing by David Clark, coauthor of the bestselling Buffettology series. Born in Omaha, Nebraska in 1924 Charlie Munger studied mathematics at the University of Michigan, trained as a meteorologist at Cal Tech Pasadena while in the Army, and graduated magna cum laude from Harvard Law School without ever earning an undergraduate degree. Today, Munger is one of America's most successful investors, the Vice Chairman of Berkshire Hathaway, and Warren Buffett's

business partner for almost forty years. Buffett says "Berkshire has been built to Charlie's blueprint. My role has been that of general contractor." Munger is an intelligent, opinionated business man whose ideas can teach professional and amateur investors how to be successful in finance and life. Like *The Tao of Warren Buffett* and *The Tao of Te Ching*, *The Tao of Charlie Munger* is a compendium of pithy quotes including, "Knowing what you don't know is more useful than being brilliant" and "In my whole life, I have known no wise people who didn't read all the time—none, zero." This collection, culled from interviews, speeches, and questions and answers at the Berkshire Hathaway and Wesco annual meetings, offers insights into Munger's amazing financial success and life philosophies. Described by *Business Insider* as "sharp in his wit and investing wisdom," Charlie Munger's investment tips, business philosophy, and rules for living are as unique as his life story; intelligent as he clearly is; and as successful as he has been.

*Buffet Step-By-Step* Simon and Schuster Warren Buffett's Stock Portfolio is the first book to take readers deep into Warren Buffett's investment portfolio. Each of Buffett's current stock investments is analyzed in detail with information as to why Buffett found these attractive businesses and how he determined that they are good long-term investments. Each company will be analyzed using the criteria outlined in *Buffettology* and *Warren Buffett and the Interpretation of Financial Statements*. The reader can then apply these techniques to a variety of other stocks and see if they meet Buffett's criteria. Although information about Warren Buffett's stock portfolio is available online, it is merely listings of the stocks Warren owns. No one else explains the criteria Warren uses to determine how and when to buy and sell. In addition, this book will include stocks that are too new to be online. The authors will also look at a few top-performing stocks that Warren has sold in the last ten years.

*Buffettology* Simon and Schuster  
A new collection of simple yet powerful words and wisdom from Warren Buffett about today's economy and how investing has changed in the past two decades—from crypto to climate change—compiled and commented upon by bestselling authors Mary Buffett and David Clark. Warren Buffett's investment achievements are unparalleled. He owes his success to hard work, integrity, and the most elusive commodity of all, common sense. In *The New Tao of Warren Buffett*, Mary Buffett—coauthor of the bestselling *Buffettology* series—joins David Clark to bring readers more of Warren Buffett's smartest, funniest, and most memorable sayings that reveal the life philosophy and the investment

strategies that have made Warren Buffett, and the shareholders of Berkshire Hathaway, so enormously wealthy. Culled from a variety of fresh sources, including personal conversations, corporate reports, profiles, and interviews, the new quotations here reflect Warren's practical strategies and provide useful tips for every investor, large or small. Including short explanations for each quote and examples from Buffett's own business transactions, these ruminations on everything from AI to inflation illustrate his words at work. Inspiring, thought-provoking, and invaluable, this irresistibly browsable book offers priceless investment savvy that anyone can take to the bank—and is destined to become a new classic.

*The Warren Buffett Stock Portfolio* Simon and Schuster

The *Workbook* contains informative question-and-answer sections that

---

correspond to the topics covered throughout the actual book. Written by foremost Buffett expert Robert Hagstrom, engaging and informative, the Third Edition of *The Warren Buffett Way + Workbook* is a must-have—not just for avid Buffett fans, but for anyone who wants to know what it takes to make the best investment decisions possible.

*The New Tao of Warren Buffett* Wiley

An insightful new take on the life and work of one of the world's most remarkable investors: Warren Buffett. In the 30th Anniversary Edition of *The Warren Buffett Way*, celebrated author and investor Robert Hagstrom delivers the definitive version of his bestselling compendium of the investment strategies made famous by Warren Buffett. *The Warren Buffett Way* describes the twelve investment tenets of Warren Buffett's strategy called business-driven investing and his distinct approach to managing a portfolio of businesses. You'll learn how you can apply these same principles to building your own portfolio and find discussions on the psychology of long-term investing, its optimal benefits, and how to avoid the most common pitfalls and mistakes encountered by investors. This latest edition includes: A new author preface to complement the existing forewords from Peter Lynch, Bill Miller, and Howard Marks. Insights on how to achieve worldly wisdom advanced by Warren Buffett's longtime business partner Charlie Munger. Footnotes and references to academic work that supports and expands on Warren Buffett's investment approach and portfolio management. The complete Berkshire Hathaway common stocks portfolios from 1977-2021. An indispensable guide to the remarkable work and accomplishments of Warren Buffett. *The Warren Buffett Way* is a can't-miss resource for professional and individual investors who want to learn from the world's greatest investor.

Warren Buffett and the Interpretation of Financial Statements Harriman House Limited

This book concentrates on the investment style of Business Perspective Investing, as practiced by

Benjamin Graham and Warren Buffett. It takes the reader through the realisation that the thought process involved when buying shares in a company is no different to buying the company in its entirety. Beginning with how to assess the quality of a business, it explains and illustrates with examples what to look for in company accounts, how to determine the value drivers of a business, the strength of its franchise and how to interpret key financial ratios and performance indicators. It discusses the ideal characteristics of a business worthy of investment so that you will develop a mental checklist of what to look out for. The book then sets out a number of valuation methods to determine the likely economic worth of a company. It is against this estimate that a judgement can be made as to whether a share price offers good value. The book concludes with thoughts on portfolio construction, in particular Focus Investing, where a concentrated approach is taken, and legitimate reasons for deciding to sell a holding. Throughout, the emphasis is on the methodology used to manage the Sanford DeLand UK Buffettology Fund.

*Buffettology* Simon and Schuster

The book is divided into several sections covering Warren Buffett's personal business management: . *Managing one's life* - focuses on Buffett's insistence on a good education, picking one's heroes early in life, and staying away from things that damage you personally. The authors also discuss Buffett's belief that challenges make life interesting. . *Managing One's Career* - Buffett believes that you should work at something that you are passionate about. Do what you like and you will find a way to make money. Do what you hate and you will be miserable even if you are rich. . *Managing Employees* - place honesty on the same level as intelligence as a managerial attribute. How to keep managers inspired and working hard. . *Managing the Business* - Buffett has learned that companies that have a durable competitive advantage over their competitors consistently earn more

---

money year after year and are the easiest to manage. . Managing of Personal Money - discover the simple rules that Buffett uses for buying other businesses and how he has incorporated them into his own personal investment style.

Security Analysis: The Classic 1934 Edition Simon and Schuster

Bestselling authors Mary Buffett and David Clark examine seventeen companies that Warren Buffett has bought for himself and for his holding company, Berkshire Hathaway, as durable investments and explain why these companies are once again selling at prices that offer great long-term growth prospects. Warren Buffett has always believed that the time to buy stocks is when nobody else wants them. Even some of the most amazing businesses—those with a durable competitive advantage—are trading at prices and price-to-earnings ratios that offer investors serious long-term moneymaking opportunities. Pessimism about the banking situation in Europe and unemployment in America have created the perfect storm to bring stock prices down and present value-oriented investors some great possibilities. In Warren Buffett's world, as stock prices decrease, the prospects for investment increase. Putting a number on those prospects tells Warren whether or not the stock is an attractive buy. The Warren Buffett Stock Portfolio explains how to do just that—how to value companies and conservatively estimate the kind of future return that an investment is offering at its current market price. Mary Buffett and David Clark look at stocks in Warren's portfolio as the basis for their analysis. After a brief history of Warren's investment strategy, Buffett and Clark explain how to interpret a company's per-share earnings and per-share book-value histories to quickly identify which companies have a durable competitive advantage and to project the compounding annual rate of return that an investment offers. The authors provide case studies and evaluations of seventeen companies in Warren Buffett's portfolio. The Warren Buffett Stock Portfolio is a valuable companion to the other books in Buffett and Clark's successful series—Buffettology, The Buffettology Workbook, The New Buffettology, The Tao of Warren Buffett,

Warren Buffett and the Interpretation of Financial Statements, Warren Buffett's Management Secrets, and Warren Buffett and the Art of Stock Arbitrage  
**The Tao of Warren Buffett** Simon and Schuster

A \$10,000 investment in Warren Buffett's original 1956 portfolio would today be worth a staggering \$250 million ... after taxes! What are his investing secrets? How to Pick Stocks Like Warren Buffett contains the answers and shows, step-by-profitable-step, how any investor can follow Buffett's path to consistently find bargains in all markets: up, down, or sideways. How to Pick Stocks Like Warren Buffett sticks to the basics: how Buffett continually finds bargain stocks passed over by others.

Written by an actual financial analyst who uses Buffett's strategies professionally, this tactical how-to book includes:

Comprehensive financial tools and information  
Strategy-packed "Buffett in action" boxes  
Buffett's own stock portfolio continually updated on the author's website!

*The Tao of Warren Buffett* Dutton Adult

In this crisply written, thoroughly accessible book, educator Aaron Braxton provides parents and educators with insights and strategies for nurturing and encouraging successful students. Common sense prevails as Mr. Braxton discusses proper study habits. Get comfortable but not too comfortable (stay off that bed or you'll fall asleep before you'll retain information); get organized and have the discipline to turn off all distractions. Here parents will learn how to become aware to those teachable moments in which daily occurrences provide segues to meaningful discussions with children. He suggests ways in which to imaginatively enliven a child's learning process, and explains the full commitment required to raise a well-balance child. The goal is to give parents principles that will aid in their lives, thus aiding in the lives of their children. Mr. Braxton writes in a strong, easily understandable voice as he presents

---

valuable concepts that empower and involve parents in their children's emotional, psychological, spiritual, and educational lives.

### **Buffett's Tips** Simon and Schuster

For the first time ever, discover how Warren Buffett has made unheard-of profits in the world of arbitrage and special investments, and how to be a player in these ventures. Investors around the world recently learned that from 1980 through 2003 Warren Buffett's arbitrage operations produced an astronomical average annualized rate of return of 81.28%. Even more amazing, this incredible rate of return was produced with very low rates of risk. Long considered one of the most powerful and profitable of Buffett's investment operations, but the least understood, these special types of investments have been the edge that made Warren Buffett so phenomenally successful. Warren Buffett and the Art of Stock Arbitrage is the first book to examine Buffett's special brand of arbitrage investing. Buffettologists Mary Buffett and David Clark explore the previously secret domain of Warren Buffett's stock arbitrage investments. They explain how Buffett finds deals, evaluates them, picks the winners from the losers, and when he is willing to use leverage to help boost his performance in these investments to make amazing profits. Basic mathematical equations are included to help readers determine the projected rate of return, evaluate risk, and determine the probability of the deal being a success. Buffett and Clark provide detailed explanations and examples of Warren Buffett's methods for arbitrage, and for investing in tender offers, liquidations, spin-offs, and reorganizations. They take readers step by step from the initial public announcement to tendering shares, explaining how Buffett evaluates risk and maximizes his profit at every step. Warren Buffett and the Art of Stock Arbitrage is a valuable companion to the other books in Buffett and Clark's successful series—Buffettology, The Buffettology Workbook, The New Buffettology, The Tao of Warren Buffett, Warren Buffett and the Interpretation of Financial Statements, and Warren Buffett's Management Secrets.

investment and life tips from the Oracle—a great read for the beginning investor." —S. Basu Mullick, retired Portfolio Manager and Managing Director, Neuberger Berman; former General Partner, Omega Advisors; noted value investor; former "Marketwatch Fund Manager of the Year" "John Longo has a well-earned reputation for excellence in teaching at the University level. Working with his son Tyler, John now extends his passion for education out of the classroom and across generations with this guidebook to the essential tools for financial proficiency." —Gregory P. Francfort, noted value investor; former Institutional Investor "All-Star Analyst" "John and his son have written an invaluable guide steeped in the wisdom of Warren Buffett. Marrying sound financial advice with general life lessons, Buffett's Tips provides a solid foundation for advancing financial literacy across a broad multi-generational audience." —Joshua Rosenbaum, Joshua Pearl, Joseph Gasparro, co-authors, *The Little Book of Investing Like the Pros and Investment Banking: Valuation, LBOs, M&A, and IPOs*

### The New Tao of Warren Buffett Wiley

In the past eighteen months, investors have seen rapid, often intimidating changes in the stock market—tech stocks have soared and crashed and assets that shifted away from traditional blue chip companies have quickly shifted back again. In spite of this volatility however, there has been one constant: Warren Buffett's value investing strategies make money. In *BUFFETOLOGY*, Mary Buffet and David Clark unveiled the analysis techniques that made Warren Buffet the billionaire and investment icon he is today. Now in this companion workbook, the authors explain Buffett's system of business perspective investing, focusing on specific mathematical ratios and calculations. Written in clear, easy-to-understand

### language, *THE BUFFETTOLOGY*

*WORKBOOK* offers everyone with or without an Internet connection the tools they'll need to apply the same kind of value analysis to readily available financial data that Warren Buffet does.

**Buffettology** Turner Publishing Company Explains financial analysis techniques, shows how to interpret financial statements, and discusses the analysis of fixed-income securities and the valuation of stocks.

Tap Dancing to Work Portfolio Trade In Warren Buffett: Inside the Ultimate Money Mind, Hagstrom breaks new ground with a deep analysis of Buffett's essential wisdom, an intricate mosaic of wide-ranging ideas and insights that Buffett calls a Money Mind. What exactly is a Money Mind? At one level, it's a way of thinking about major financial issues such as capital allocation. At another level, it summarizes an overall mindset for successfully investing in today's fast-paced stock market, a mindset that depends on a commitment to learning, adapting, and facing down irrelevant noise. This is not a method book. It is a thinking book. Warren Buffett: Inside the Ultimate Money Mind explains the philosophies of self-reliance, stoicism, rationalism, and pragmatism and their contributions to making intelligent investment decisions. It also outlines the evolution of value investing, discusses how to develop a business-driven investing mindset, and describes the defining traits of successful active management. Lastly, it examines the surprising aspects of a Money Mind – sportsman, teacher, and artist. In short, Warren Buffett: Inside the Ultimate Money Mind helps readers understand the building blocks that go into making a Money Mind so they can begin to

*Summary* John Wiley & Sons

Published in 1997, the bestselling BUFFETTOLOGY was tailored to the conditions of investors in the midst of a long bull market. Now, four years later, that market has seen once hot tech stocks crash and investors scramble to move their assets, or what remains of them, back to the safety of traditional blue chip companies. As peaks turn to troughs, worried investors wonder if there are any constants in today's volatile market. The answer is yes: Warren Buffett's value investing strategies make money. And, as THE NEW BUFFETTOLOGY demonstrates, there is no time to acquire like today's bear market. THE NEW BUFFETTOLOGY is the first guide to Warren Buffett's strategy for exploiting down stocks - a strategy that has made him the world's second richest person. Designed to teach investors how to decipher and use financial information like Buffett himself, this one-of-a-kind guide walks readers step-by-step through the equations and formulas Buffett uses to determine what to invest in and, just as importantly, when. Authors Mary Buffett and David Clark explore Buffett's recent investments in detail, proving time and time again that his strategy has earned enormous profits at a time when no one expects them - and with almost zero risk to his capital. **Buffettology** ARMOUR PUBLISHING PTE LTD With an insider's view of the mind of the master, Mary Buffett and David Clark have written a simple guide for reading financial statements from Buffett's successful perspective. They clearly outline Warren Buffett's strategies in a way that will appeal to newcomers and seasoned Buffettologists alike. Inspired by the seminal work of Buffett's mentor, Benjamin Graham, this book presents Buffett's interpretation of financial statements with anecdotes and quotes from the master investor himself. Destined to become a

---

classic in the world of investment books, Warren Buffett and the Interpretation of Financial Statements is the perfect companion volume to The New Buffettology and The Tao of Warren Buffett. *Warren Buffett's Three Favorite Books* Simon and Schuster

"Teaches essential accounting terminology and techniques that serious stock investors need to know." -- Preface
