Brad Meltzer--author of the #1 New York Times bestseller *The Book of Fate*--returns with his most thrilling and emotionally powerful novel to date. In Chapter Four of the Bible, Cain kills Abel. It is the world's most famous murder. But the Bible is silent about one key detail: the weapon Cain used to kill his brother. That weapon is still

lost to history. In 1932, Mitchell Siegel was killed by three gunshots to his chest. While mourning, his son dreamed of a bulletproof man and created the world's greatest hero: Superman. And like Cain's murder weapon, the gun used in this unsolved murder has never been found. Until now. Today in Fort Lauderdale, Florida, Cal Harper comes face-to-face with his family's greatest secret: his long-lost father, who's been shot with a gun that traces back to Mitchell Siegel's 1932 murder. But before Cal can ask a single question, he and his father are attacked by a ruthless killer tattooed with the ancient markings of Cain. And so begins the chase for the world's first murder weapon. What does Cain, history's greatest villain, have to do with Superman, the world's greatest hero? And what do two murders, committed thousands of years apart, have in common? This is the mystery at the heart of Brad Meltzer's riveting and utterly intriguing new thriller *Buffy the Vampire Slayer Season 8 Volume 6: Retreat* Springer

Hugely enjoyable, long awaited book by top world authority on "Buffy the Vampire Slayer". Buffy is still on screens and on DVD in home television libraries of a wide array of TV watchers and fans. This is also the student text for TV and cultural studies at colleges and universities where Buffy is widely taught. Rhonda Wilcox is a world authority on "Buffy the Vampire Slayer", who has been writing and lecturing about the show since its arrival on our screens. This book is the distillation of this remarkable body of work and thought, a celebration of the series that she proposes is an aesthetic test case for television. Buffy is enduring as art, she argues, by exploring its own possibilities for long-term construction as well as producing individual episodes that are powerful in their own right. She examines

therefore the larger patterns that extend through many episodes: the hero myth, the imagery of light, naming symbolism, Spike, sex and redemption, Buffy Summers compared and contrasted with Harry Potter. She then moves in to focus on individual episodes, such as the "Buffy musical Once More, with Feeling", the largely silent Hush and the dream episode "Restless" (T.S. Eliot comes to television). She also examines Buffy's ways of making meaning - from literary narrative and symbolism to visual imagery and sound. Combining great intelligence and wit, written for the wide Buffy readership, this is the worthy companion to the show that has claimed and kept the minds and hearts of watchers worldwide.
