"The Complete Book of Classic Chevy  
Muscle Cars covers the primary muscle and  
performance cars produced by Chevrolet in  
the 60s and 70s, such as the Camaro and  
Malibu"--

*Motor Auto Repair Manual.* Chilton Book

The Muncie 4-speeds, M20, M21, and M22  
are some of the most popular manual  
transmissions ever made and continue to be  
incredibly popular. The Muncie was the top

high-performance manual transmission GM  
offered in its muscle cars of the 60s and  
early 70s. It was installed in the Camaro,  
Chevelle, Buick GS, Pontiac GTO, Olds  
Cutlass, and many other classic cars. Many  
owners want to retain the original  
transmission in their classic cars to maintain  
its value. Transmission expert and veteran  
author Paul Cangialosi has created an  
indispensible reference to Muncie 4-speeds  
that guides you through each crucial stage  
of the rebuild process. Comprehensive ID  
information is provided, so you can  
positively identify the cases, shafts, and

related parts. It discusses available models, parts options, and gearbox cases. Most important, it shows how to completely disassemble the gearbox, identify wear and damage, select the best parts, and complete the rebuild. It also explains how to choose the ideal gear ratio for a particular application. Various high-performance and racing setups are also shown, including essential modifications, gun drilling the shafts, cutting down the gears to remove weight, and achieving race-specific clearances. Muncie 4-speeds need rebuilding after many miles of service and extreme use. In addition, when a muscle car owner builds a high-performance engine that far exceeds stock horsepower, a stronger high-performance transmission must be built to accommodate this torque and horsepower increase. No other book goes into this much detail on the identification of the Muncie 4-speed, available parts, selection of gear ratios, and the rebuild process.

Perhaps the most photographed personality in automotive and motorsports history, Linda Vaughn has entertained fans and has been a premier marketer of automotive goods for more than 55 years. From her first days as Miss Atlanta Raceway, coming of age while representing Hurst, through her annual appearances at America's top automotive and racing events, Linda continues to engage fans, drawing long lines whenever she makes an appearance. At her peak, Linda attended more than 100 events annually, year after year, and she still attends more than 25 events each year. The only entity that's probably seen as many events as Linda is Goodyear! For the first time ever, Linda Vaughn allows her fans a behind-the-scenes look at her career in motorsports and promotion through her

personal photographic archive and other photos. Through captions, Linda tells the story of individual images recounting countless stories from her photographic memory, with no detail left unshared. She recounts events with racing personalities and automotive icons from George Hurst to Richard Petty to Mario Andretti to Don Garlits. Nobody is left out as Linda tells stories about the photos chronicling her career in Motorsports. Linda Vaughn: The First Lady of Motorsports is the most comprehensive gathering of imagery ever assembled on Linda Vaughn. Through her 50-plus years in Motorsports, Linda has lived it all, been everywhere, and met everyone. Whether you are simply a fan of Linda or a collector of Linda Vaughn memorabilia, this will be the premier piece in your collection!

The founder of Utne Reader chronicles his adventures on the frontlines of American culture—from the Vietnam era to the age of Trump—as a spiritual seeker, antiwar activist, and minor media celebrity. “ Fascinating . . . a remarkable piece of social history. ” —Bill McKibben, author of *Falter: Has the Human Game Begun to Play Itself Out?* Far Out Man is the story of a life-long seeker who was occasionally a finder as well. In 1984, Eric Utne founded Utne Reader, a digest of new

ideas and fresh perspectives percolating in the arts, culture, politics, business, and spirituality. With the tag line “ The Best of the Alternative Press, ” the magazine was twice a finalist for a National Magazine Award and grew to more than 300,000 paid circulation. In the nineties, the magazine promoted the Neighborhood Salon Association to revive the endangered art of conversation and start a revolution in people ’ s living rooms. More than 18,000 people joined, comprising nearly 500 salons across North America. Utne devoted the magazine to bringing people together to help make the world a “ little greener and a little kinder. ” Far Out Man serves as a chronicle of both an individual life and a generation, covering the conflicts of the Vietnam era, the hopes and excesses of the sexual revolution and the Me Decade, the idealism and depredations of the entrepreneurial eighties and nineties, and the promise and perils of the digital age. Ultimately, Far Out Man is the story of Eric Utne ’ s lifelong search for hope, how he lost it, and what he found on the other side that sustains him in his darkest moments. It is a book dedicated to helping all seekers become finders.
