Teaching Vocabulary to English Language Learners

McGraw-Hill Education

Here's a great vocabulary program that is equally appropriate for younger students working at grade level and older students who have "forgotten" or never mastered the basics. The friendly look and tone of this series belies the comprehensive sweep of the instructional sequence. Every topic--from primary level phonics to the specialized terminology of essay tests--is developed "from the ground up." Includes answer key, 144-pages.

Contents include: Synonyms/Antonyms, Precise Word Choice, Parts of Speech, Abbreviations/Acronyms, Dictionary Skills, Multiple-Meaning Words.

Making Sense of "Bad English" Pascal Press

This book presents 12 strategies (focusing on one strategy a week) for students to increase vocabulary and boost communication skills, suggesting that these techniques can easily double the average person's vocabulary. After an introduction, the book presents the following 12 techniques: (1) "Expand on What You Know: Synonyms, Antonyms, and Homophones"; (2) "Build through Word Structure: Base Words and Prefixes"; (3) "Build through Word Endings: Base Words and Suffixes"; (4) "Find Related Words and Grow"; (5) "Gain Meaning from Context"; (6) "Say Exactly What You Mean"; (7) "Play the Analogies Game"; (8) "Create Word Maps and Word Webs"; (9) "Search for Treasure in Dictionaries and Thesauruses"; (10) "Learn More about Word Structure: Roots and Affixes"; "Discover Latin and Greek Word Families"; and (12) "Take a Foreign Tour: Words from Other Languages." An epilogue, "Keep Building Your Vocabulary: An Ongoing Process," is attached. (RS)

Research in Education Guilford Press

Some people collect stamps. Some people collect coins. Some people collect art. And Jerome? Jerome collected words . . . In this extraordinary new tale from Peter H. Reynolds, Jerome discovers the magic of the words all around him -- short and sweet words, two-syllable treats, and multisyllable words that sound like little songs. Words that connect, transform, and empower. From the creator of *The Dot* and *Happy Dreamer* comes a celebration of finding your own words -- and the impact you can have when you share them with the world.

Word Smart Sylvan Learning Publishing

Provides the definitions of words that are commonly misused or misunderstood and uses them in a sentence, along with a guide for how to memorize words quickly and quick quizzes.

Building Vocabulary Skills MDPI

Knowledge of word meanings is critical to success

in reading. A reader cannot fully understand a text in which the meaning to a significant number of words is unknown. Vocabulary knowledge has long been correlated with proficiency in reading. Yet, national surveys of student vocabulary knowledge have demonstrated that student growth in vocabulary has been stagnant at best. This volume offers new insights into vocabulary knowledge and vocabulary teaching. Articles range from a presentation of theories of vocabulary that guide instruction to innovative methods and approaches for teaching vocabulary. Special emphasis is placed on teaching academic and disciplinary vocabulary that is critical to success in content area learning. Our hope for this volume is that it may spark a renewed interest in research into vocabulary and vocabulary instruction and move toward making vocabulary instruction an even more integral part of all literacy and disciplinary instruction.

How to Communicate Effectively with Everyone You Lead Prentice Hall

Melodic dictation plays an important role in music theory classes, but instruction is often based on tradition rather than research. Dictation teachers and students do not just need more exercises and drills; they need to see deeper into the materials, consider how we connect to them, and practice wisely. Building Better Dictation Skills offers teachers and students the "why" and "how" of melodic dictation, through research-based exercises aimed at developing proactive musical listening. During dictation, students must actively involve themselves in the unfolding of an unfamiliar melody—using all of their musical skills in a concerted effort—to get into the composer's mind and understand what is played. The author's published research, on which this book is based, provides a level of insight unlikely to be discovered simply through drilling more melodies. Building Better Dictation Skills provides music educators and students with a concise, specific, and affordable resource that focuses on what they really need: dictation strategies aimed at learning beyond the "right answer."

Vocabulary Development Saddleback Educational Publishing These six lessons will help you learn how to move your dietary choices toward healthier, more enjoyable options by using superstar ingredients in your daily cooking.

Short Daily Warm-Ups for the Classroom Pascal Press

In the Student Edition, students learn key vocabulary skills through: Themed, four-part lessons that include practice in word meanings, reference skills, word building, and word play Weekly word lists that include content-area words A complete Glossary and a Tools and Reference section Vocabulary Basics Improving Vocabulary Skills Groundwork for a Better Vocabulary This instructor's edition of a vocabulary textbook for college students, who read at the fifth to eighth grade level, features 25 chapters and teaches 250 basic words. The first and third chapters in each unit contain word-part practices. The second and fourth chapters in each unit contain synonym-antonym practices. The book's last chapter in each unit contains an analogy practice, review, and test. Also included is an answer key, a section on dictionary use, and a word list. The student edition is identical to the instructor's edition except that answers are not provided. (CR) Building Vocabulary Skills Introduces "260 words and 40 word parts" that are needed for general reading comprehension in high school and college. Vocabulary Instruction,

Second Edition Research to Practice "5 Voices helps leaders know themselves to lead their team. By discovering your voice and the voices of those around you, you will learn how to connect, communicate, and lead every kind of team member. The 5 Voices of Leadership are: 1. the Pioneer: focused of future vision and how to win 2. the Connector: focused on relational networks, communication, collaboration 3. the Creative: focused on future, organizational integrity, social conscience 4. the Guardian: focused on tradition, money, and resources 5. the Nurturer: focused on people, values, relationships"-- 4 Color Book Mark Twain Media

The Building Your Vocabulary Skills series is a three book set of workbooks to help children increase their vocabulary and become more confident in using new words correctly. Each book is divided into single-page activities with each page using a different strategy or theme to help your child learn new words. This is the first of three books in the series and contains: over 60 pages of vocabulary exercises to help your child learn new words easy-to-follow tasks a wide range of activities covering different skills practice in matching words to definitions, finding synonyms and antonyms and sorting words into groups a lift-out answer section This series of books are designed to help your child at home, which will in turn improve their confidence in reading, writing, spelling and comprehension exercises at school. It would be useful for children to have a quality dictionary at hand when doing these exercises. This can avoid guesswork if they are unsure of an answer. Theoretically, then, there will be no errors for parents to correct, yet children will have added new words to their vocabularies.

Vocabulary and the Four Skills Teacher Created Materials In this third book in the series, Building Your Vocabulary Skills Years 5-6, subjects such as place names, geography, weather, occupations, useful verbs and adjectives are covered. In the activities, children can practice a range of vocabulary skills, such as: matching words to definitions recognising synonyms and antonyms understanding idioms (non-literal sayings) expanding their knowledge of verbs, adjectives and other parts of speech recognising homophones (words that sound the same but are spelt differently) As with all books in the Excel Basic Skills series, the Building Your Vocabulary Skills books are designed to help your child at home, which will in turn improve their confidence in reading, writing, spelling and comprehension exercises at school. Vocabulary and Spelling Success in 20 Minutes a Day Guilford Press

This engaging workbook will help your elementary school students build essential vocabulary skills This book will strengthen the vocabulary of your third, fourth, or fifth grader. It will strengthen their vocabulary and encourage them to use their new word skills to excel in their classwork and on standardized tests. The book's lessons focus on a particular subject and include 10 or more vocabulary words related to that topic. Each vocabulary list includes definitions and example sentences. Fun, puzzle-format worksheets accompany each lesson and keep students motivated to learn. Here they can practice the vocabulary they find challenging, polish skills they've mastered, and develop their strengths. With this book to guide them, students will learn how to:

- Apply vocabulary rules
- Understand meaning and usage
- Differentiate among synonyms, antonyms, homophones, prefixes, and suffixes
- Conquer compound words and easily confused words

Vocabulary Grades 3-5 includes:

- Vocabulary specific to the needs of students from grades 3-5
- More than 500 essential vocabulary words
- 45 lessons, each featuring a special topic, a vocabulary list of at least 10 words with definitions and example sentences, followed by vocabulary-building worksheets.
- An alphabetical word list at the end of the book makes looking up vocabulary easy
- An answer key for easy correcting

Sylvan ' s line of educational products equips families with fun, effective, and grade-appropriate learning tools. Our workbooks and learning kits feature activities, stories, and games to reinforce the skills children need to develop and achieve their academic potential. Students will reap the rewards of improved confidence and a newfound love of learning.

Building Vocabulary Skills, Teacher's Edition, Level 4
Rowman & Littlefield

Why is it that some ways of using English are considered "good" and others are considered "bad"? Why are certain forms of language termed elegant, eloquent or refined, whereas others are deemed uneducated, coarse, or inappropriate? Making Sense of "Bad English" is an accessible introduction to attitudes and ideologies towards the use of English in different settings around the world. Outlining how perceptions about what constitutes "good" and "bad" English have been shaped, this book shows how these principles are based on social factors rather than linguistic issues and highlights some of the real-life consequences of these perceptions. Features include: an overview of attitudes towards English and how they came about, as well as real-life consequences and benefits of using "bad" English; explicit links between different English language systems, including child ' s English, English as a lingua franca, African American English, Singlish, and New Delhi English; examples taken from classic names in the field of sociolinguistics, including Labov, Trudgill, Baugh, and Lambert, as well as rising stars and more recent cutting-edge research; links to relevant social parallels, including cultural outputs such as holiday myths, to help readers engage in a new way with the notion of Standard English; supporting online material for students which features worksheets, links to audio and news files, further examples and discussion questions, and background on key issues from the book. Making Sense of "Bad English" provides an engaging and thought-provoking overview of this topic and is essential reading for any student studying sociolinguistics within a global setting.

Building Better Dictation Skills Grand Central Publishing
Introduces "260 words and 40 word parts" that are needed for general reading comprehension in high school and college.
