Both the house built on sand and the one built on rock are bound to suffer storms. Something terrible – some kind of failure or disaster – is going to strike both of them. In the face of that storm, the house built on sand will collapse, and the house built on rock will endure.

What is Your Foundation Built Upon? – Matthew 7:24-27 ...

Then with a shock we look at the situation we have created and find that we are now living in the house we have built. If we had realized that we would have done it differently. Think of yourself as the carpenter. Think about your house. Each day you hammer a nail, place a board, or erect a wall.

Built to Last Summary at - WikiSummaries

By Jim Collins and Jerry Porras. Jerry Porras’ and Jim Collins’ Built to Last is a philosophical blueprint based on research into the development of some of the United States’ most successful corporations. Recognizing struggling competitors whose businesses disappear after a period of time, Collins and Porras focus their research towards 18 bona fide, “visionary” companies and ...

Built To Last – God Reflection

Built to Last appeared in 1994, and I was more surprised than anyone when the book took off and became both widely read and highly influential. After all, what my co-author, Jerry I. Porras, and I had produced was a huge analytic study of the underlying principles that could yield enduring, great companies.

Matt 7:24-27 (NASB) “Therefore everyone who hears these words of Mine, and acts upon them, may be compared to a wise man, who built his house upon the rock. 25 “And the rain descended, and the floods came, and the winds blew, and burst against that house; and [yet] it did not fall, for it had been founded upon the rock. 26 “And everyone who hears these words of Mine, and does not act ...
