There's a Dragon in My Sleeping Bag Hachette UK
A bunch of friendly vegetables wear colorful underwear of all varieties—big, small, clean, dirty, serious, and funny—demonstrating for young ones the silliness and necessity of this item of clothing. The unexpectedness of vegetables in their unmentionables is enough to draw giggles, but the pride with which the “big kid” attire is flaunted in front of the baby carrots in diapers will tickle readers of all ages. With rhyming text that begs to be chanted aloud and art that looks good enough to eat, this vibrant story will encourage preschoolers to celebrate having left those diapers behind!
Addie on the Inside Simon and Schuster

The Stories Julian Tells Henry Holt and Company (BYR)
The Monroe house is going mad with excitement. Pete has just won a contest, and the prize is a school visit from none other than M. T. Graves, Pete's idol and the bestselling author of the *FleshCrawlers* series. He's even going to stay with the Monroes while he's visiting! Harold and Howie are thrilled, but Chester the cat is suspicious. Why does Graves dress all in black? Why doesn't the beady-eyed crow perched on his shoulder say anything? Why has a threatening flock of crows invaded the backyard? And most worrisome of all: In each of the *FleshCrawlers* books, why does something bad always happen to the pets? Suddenly, Graves's interest in all of the animals -- especially Bunnacula -- looks far from innocent. It's up to Chester, Harold, and Howie to find out if M. T. Graves and Edgar Allan Crow are really devising a plot to make their beloved bunny. . . NEVERMORE.
Rabbit-cadabra! Simon and Schuster

An overnight camping trip! Not Harold's idea of fun. Too many mosquitoes, ticks and cockleburrs. But when the Monroe family set out, their faithful dog Harold was with them, mostly because he remembered that camping could also bring s'mores and toasted marshmallows. Howie, the other family dog, and Chester the cat were also included in the trip. Only Chester thought the idea was completely insane. The woods, he informed Harold, were not only full of cockleburrs and ticks, but of spirits, evil spirits who prey on the innocent. And on this, the worst night

of the year -- St. George's Eve, when all spirits are set loose -- who knew what could happen. What Harold knew was that Chester was a well read, over-stimulated cat, full of weird ideas. He did not take Chester's worries too seriously. He had s'more to think about. But then, the Monroes set up camp near two strange men and their even stranger dog, and things began to happen that made even Harold wonder. Could Chester be right? This begins a long night, full of terrors and alarms, full of Chester's horrifying tale of how Bunnacula, the vampire bunny, was born and came to America, full of storms and a total sense of danger; and at the end came surprises that even Chester could not have predicted. Once again, the Monroe family may be the victims of evil forces or only of Chester's strange imagination. But whichever, the result is suspenseful and very, very funny.
Creepy-Crawly Birthday Random House Books for Young Readers
Dear possible reader of this book, I wasn't sure I'd be able to write a book ever again after Canine Quarterly reviewed my series, *Tales from the House of Bunnacula*. They said I would never win the Newbony Award. Was I depressed! And I didn't even know what a Newbony was! Luckily Delilah's read a lot of Newbony books, so she helped me write this one. It's about a poor (but very cute) orphan dachshund puppy named Howie Monroe, who lives on the prairie and yearns for a chicken bone. (I know. Trust me.) Things really get exciting when Howie and his best friend, the smart and well-read Delilah, find a time machine and travel back to ancient Egypt where they uncover...the mystery of the Pharaoh's tomb!!! Your friend, Howie

Though scoffed at by Harold the dog, Chester the cat tries to warn his human family that their foundling baby bunny must be a vampire.
Pinky and Rex Get Married Random House Books for Young Readers
One night on the farm, the cows overhear a fantastic tale. “Hey Diddle Diddle, the cat and the fiddle, the cow jumped over the moon!” Inspired by this classic rhyme, a plucky cow named Cindy Moo sets out to prove that cows really can leap over the moon. The other cows laugh at her, but that doesn’t stop Cindy from trying—and failing—night after night . . . until a trick of nature shows Cindy a way to triumph. As delightfully silly as the original nursery rhyme, this hilarious picture book will have readers of all stripes (and spots) cheering for its determined heroine.

Ready-to-Read Level 3 Simon and Schuster
"Let's just say the matter is under control," Chester slyly tells his pals Harold and Howie. But what on earth does he mean? It seems that Bunnacula, the vampire rabbit, is back to his old ways -- or so Chester thinks, having found pale vegetables drained of their juices scattered about the Monroe family kitchen. And now, once and for all, Chester is determined to save the world from this threat. But why has Bunnacula -- so frisky just a short time ago -- been so listless and tired of late? Is this part of Chester's scheme? Can Harold let Chester get away with hurting an innocent bunny, no matter what his harebrained suspicions are? It is not long before the Monroes notice Bunnacula's condition and rush him to the vet, and then the chase is on, ending up with a dramatic confrontation in a most unusual (and dangerous!) location.

Lily and Miss Liberty Simon and Schuster
First there is the omen: A relentless rain stops suddenly at 3:00 am and Chester shows Harold and Howie a cat carrier, open and waiting, by the front door. Chester, who has been reading avidly about the paranormal, predicts that they will soon be traveling someplace, and chances are they are not going to like it. Indeed they are not, as the very next day, with the sun shining bright and clear, the Monroes finally leave for their vacation, dropping Chester, Harold, and Howie off at the scene of some previous harrowing experiences -- Chateau Bow-Wow, the boarding kennel that Chester so aptly had dubbed "Howliday Inn." And this visit promises to be no less harrowing than the last one. The three are greeted by a whole new group of temporary residents. There's Hamlet, the Great Dane, whose sadness grows deeper with his certainty that his beloved master Archie will never return to pick him up. And Bob and Linda, a pair of yuppie puppies from fashionable Upper Centerville

who have been left at Chateau Bow-Wow with a more than adequate supply of gourmet treats, also seem to have been left with a more than adequate supply of worries. Then there are Felony and Miss Demeanor, sinister sisters in crime who pride themselves as cat burglars, and The Weasel who tries almost too hard to make a good impression. Chester is certain that nothing bodes well and he is right. Unexplained voices, buried bones, a collar with the name Rosebud on it, and a secret code all make for a paranormal experience that none of the guests at Chateau Bow-Wow will ever forget.
