Dear possible reader of this book, I wasn't sure I'd be able to write a book ever again after Canine Quarterly reviewed my series, Tales from the House of Bunnacula. They said I would never win the Newbony Award. Was I depressed! And I didn't even know what a Newbony was! Luckily Delilah's read a lot of Newbony books, so she helped me write this one.

It's about a poor (but very cute) orphan dachshund puppy named Howie Monroe, who lives on the prairie and yearns for a chicken bone. (I know. Trust me.) Things really get exciting when Howie and his best friend, the smart and well-read Delilah, find a time machine and travel back to ancient Egypt where they uncover...the mystery of the Pharaoh's tomb!!! Your friend, Howie

A SMALL BEAR WITH BIG

ADVENTURES It's a boring, rainy afternoon -- the perfect time for Teddy Bear to share his scrapbook of memories with the little girls who owns him. And what memories Teddy Bear has! He's ridden a bucking bronco in the rodeo, been an ace crime reporter -- he's even starred in a movie! No wonder he's a bit worn and shabby. For an ordinary little girl with flat brown hair, it's hard to imagine being important to someone with Teddy's glamorous past. But there's always room in Teddy's life -- and his scrapbook -- for someone who loves him just the way he is.

Though scoffed at by Harold the dog, Chester the cat tries to warn his human family that their foundling baby bunny must be a vampire.

The Stories Julian Tells Simon and Schuster

Is it possible? Can an ordinary human being really become a perfect person in three short days? Milo Crinkley thought so. What gave him the idea was a book that fell on his head one day at the library--a book with the impressive title *Be a Perfect Person in Just Three Days!* The author, Dr. K. Pinkerton

Silverfish, did look kind of weird, but he claimed to be the world's leading authority on perfection. Milo took the book home and followed its instructions. He liked the idea of being perfect. Perfect people never had their parents nag at them. Perfect people never had to take the blame for rotten tricks their sisters played. Perfect people never needed erasers. Perfect was obviously the perfect thing to be! Did Milo become a perfect person in just three days? More important, can you? Do you think we're going to answer all your questions here when we want you to read this hilarious book? A personal message from Dr. K. Pinkerton Silverfish, world's leading expert on perfection: ?

Maybe you think it's all a lot of baloney. Maybe you think nobody can become perfect in three short days. Well, maybe you should think again! ? Here's my no-risk guarantee: Try this book for just three days. If you're not absolutely delighted with the results, you can go soak your head. Now, what could be fairer than that? ? I won't be satisfied until every man, woman, and child on the face of the earth completes my amazing crash course in perfection. So, remember: If you don't read this book, I'm going to tell on you!

This wry tale of two brothers who amiably try to outdo each other by creating jumbo-size imaginary friends makes a great read-aloud and is a follow-up to *There's a Monster Under My Bed*.
Turtleback

"Let's just say the matter is under control," Chester slyly tells his pals Harold and Howie. But what on earth does he mean? It seems that Bunnacula, the vampire

rabbit, is back to his old ways -- or so Chester thinks, having found pale vegetables drained of their juices scattered about the Monroe family kitchen. And now, once and for all, Chester is determined to save the world from this threat. But why has Bunnacula -- so frisky just a short time ago -- been so listless and tired of late? Is this part of Chester's scheme? Can Harold let Chester get away with hurting an innocent bunny, no matter what his harebrained suspicions are? It is not long

before the Monroes notice Bunnacula's condition and rush him to the vet, and then the chase is on, ending up with a dramatic confrontation in a most unusual (and dangerous!) location.

Return to Howliday Inn Simon and Schuster

Dear possible reader of this book, I want to be a writer, just like my uncle Harold, who wrote a bunch of books about our friend Bunnacula. So I wrote this story. And boy! Did I ever get into trouble! My friend Delilah stopped speaking to me because I put her in my book. Uncle Harold stopped speaking to me because I didn't put him in my book. A

writer's life isn't easy! But back to my story: It's about how a talented and lovable (not to mention smart) wirehaired dachshund puppy named Howie saves the world from a disgusting, evil menace named...oops, that would give away the story. But trust me, this menace is disgusting and evil, all right!!! Your friend, Howie

The Monroe house is going mad with excitement. Pete has just won a contest, and the prize is a school visit from none other than M. T. Graves, Pete's idol and the bestselling author of the *FleshCrawlers* series. He's even going to stay with the Monroes while he's visiting! Harold and Howie are thrilled, but Chester the cat is suspicious. Why does Graves dress all in black? Why doesn't

the beady-eyed crow perched on his shoulder say anything? Why has a threatening flock of crows invaded the backyard? And most worrisome of all: In each of the *FleshCrawlers* books, why does something bad always happen to the pets? Suddenly, Graves's interest in all of the animals -- especially Bunnacula -- looks far from innocent. It's up to Chester, Harold, and Howie to find out if M. T. Graves and Edgar Allan Crow are really devising a plot to make their beloved bunny. . . NEVERMORE.

Junie B. Jones, the sneaky spy, finds herself in real trouble when she snoops on her teacher. Simultaneous. *Calamity Kate* Bunnacula
An overnight camping trip! Not Harold's idea of fun. Too many mosquitoes, ticks and cockleburrs. But when the Monroe family set out, their faithful dog Harold was with them, mostly because he remembered that camping could also bring s'mores and

toasted marshmallows. Howie, the other family dog, and Chester the cat were also included in the trip. Only Chester thought the idea was completely insane. The woods, he informed Harold, were not only full of cockleburrs and ticks, but of spirits, evil spirits who prey on the innocent. And on this, the worst night of the year -- St. George's Eve, when all spirits are set loose -- who knew what could happen. What Harold knew was that Chester was a well read, over-stimulated cat, full of weird

ideas. He did not take Chester's worries too seriously. He had s'more to think about. But then, the Monroes set up camp near two strange men and their even stranger dog, and things began to happen that made even Harold wonder. Could Chester be right? This begins a long night, full of terrors and alarms, full of Chester's horrifying tale of how Bunnacula, the vampire bunny, was born and came to America, full of storms and a total sense of danger; and at the end came surprises that

even Chester could not have predicted. Once again, the Monroe family may be the victims of evil forces or only of Chester's strange imagination. But whichever, the result is suspenseful and very, very funny.
