Essential Surgery: Problems,
Diagnosis and Management. 4th ...
Essential Surgery is a
comprehensive and highly
illustrated textbook for clinical
students as well as a practical
manual for junior doctors and
those preparing for postgraduate
qualifications in surgery. The
unique feature of the book is its
problem-orientated nature as
distinct to the traditional disease-
based structure.

Essential Neurology 4th Edition - amazon.com

Essential Surgery is a fantastic surgical resource with just the right amount of detail (a great balance - comprehensive but not overwhelming) and is easy to follow very well written with lots of images to help get the point across. I love surgery and this is a thorough text for medical students with a similar interest. A must have.
