fantastic surgical  
resource with just the  
right amount of detail (a  
great balance -  
comprehensive but not  
overwhelming) and is  
easy to follow very well  
written with lots of  
images to help get the  
point across. I love  
surgery and this is a  
thorough text for  
medical students with a  
similar interest. A must  
have.
