Kucers' The Use of Antibiotics is the definitive, internationally-authored reference, providing everything that the infectious diseases specialist and prescriber needs to know about antimicrobials in this vast and rapidly developing field. The much-expanded Seventh Edition comprises 4800 pages in 3 volumes in order to cover all new and existing therapies, and emerging drugs not yet fully licensed. Concentrating on the treatment of infectious diseases, the content is divided into four sections - antibiotics, anti-fungal drugs, anti-parasitic drugs, and anti-viral drugs - and is highly structured for ease of reference. Each chapter is organized in a consistent format, covering susceptibility, formulations and dosing (adult and pediatric), pharmacokinetics and pharmacodynamics, toxicity, and drug distribution, with detailed discussion regarding clinical uses - a feature unique to this title. Compiled by an expanded team of internationally renowned and respected editors, with expert contributors representing Europe, Africa, Asia, Australia, South America, the US, and Canada, the Seventh Edition adopts a truly global approach. It remains invaluable for anyone using antimicrobial agents in their clinical practice and provides, in a systematic and concise manner, all the information required when prescribing an antimicrobial to treat infection.

BONUS: This edition contains excerpts from Arthur Phillips's The Tragedy of Arthur, The Song Is You, Prague, and Angelica. From the bestselling author of Prague comes a witty, inventive, brilliantly constructed novel about an Egyptologist obsessed with finding the tomb of an apocryphal king. This darkly comic labyrinth of a story opens on the desert plains of Egypt in 1922, then winds its way from the slums of Australia to the ballrooms of Boston by way of Oxford, the battlefields of the First World War, and a royal court in turmoil. Just as Howard Carter unveils the tomb of Tutankhamun, making the most dazzling find in the history of archaeology, Oxford-educated Egyptologist Ralph Trilipush is digging himself into trouble, having staked his professional reputation and his fiancée’s fortune on a scrap of hieroglyphic pornography. Meanwhile, a relentless Australian detective sets off on the case of his career, spanning the globe in search of a murderer. And another murderer. And possibly another murderer. The confluence of these seemingly separate stories results in an explosive ending, at once inevitable and utterly unpredictable. Arthur Phillips leads this expedition to its unforgettable climax with all the wit and narrative bravado that made Prague one of the most critically acclaimed novels of 2002. Exploring issues of class, greed, ambition, and the very human hunger for eternal life, this staggering second novel gives us a glimpse of Phillips’s range and maturity—and is sure to earn him further acclaim as one of the most exciting authors of his generation.

A USA TODAY BESTSELLER! "A powerful debut that proves the threads that interweave our lives can withstand time and any tide, and bind our hearts forever."—Susanna Kearsley, New York Times bestselling author of Belleweather and The Vanished Days A historical novel inspired by true events, Kelli Estes's brilliant and atmospheric debut is a poignant tale of two women determined to do the right thing, highlighting the power of our own stories. The smallest items can hold centuries of secrets... While exploring her aunt's island estate, Inara Erickson is captivated by an elaborately stitched piece of fabric hidden in the house. The truth behind the silk sleeve dated back to 1886, when Mei Lien, the lone survivor of a cruel purge of the Chinese in Seattle found refuge on Orcas Island and shared her tragic experience by embroidering it. As

Inara peels back layer upon layer of the centuries of secrets the sleeve holds, her life becomes interwoven with that of Mei Lien. Through the stories Mei Lien tells in silk, Inara uncovers a tragic truth that will shake her family to its core—and force her to make an impossible choice. Should she bring shame to her family and risk everything by telling the truth, or tell no one and dishonor Mei Lien's memory? A touching and tender book for fans of Marie Benedict, Susanna Kearsley, and Duncan Jepson, The Girl Who Wrote in Silk is a dual-time period novel that explores how a delicate piece of silk interweaves the past and the present, reminding us that today's actions have far reaching implications. Praise for The Girl Who Wrote in Silk: "A beautiful, elegiac novel, as finely and delicately woven as the title suggests. Kelli Estes spins a spellbinding tale that illuminates the past in all its brutality and beauty, and the humanity that binds us all together." —Susan Wiggs, New York Times bestselling author of The Beekeeper's Ball "A touching and tender story about discovering the past to bring peace to the present." —Duncan Jepson, author of All the Flowers in Shanghai "Vibrant and tragic, The Girl Who Wrote in Silk explores a horrific, little-known era in our nation's history. Estes sensitively alternates between Mei Lien, a young Chinese-American girl who lived in the late 1800s, and Inara, a modern recent college grad who sets Mei Lien's story free." —Margaret Dilloway, author of How to Be an American Housewife and Sisters of Heart and Snow

“ Full of yearning, ponderances about art and what it means to be an artist, and self-revelation, A Scatter of Light has a simmering intensity that makes it hard to put down."—NPR An Instant New York Times Bestseller Last Night at the Telegraph Club author Malinda Lo returns to the Bay Area with another masterful queer coming-of-age story, this time set against the backdrop of the first major Supreme Court decisions legalizing gay marriage. Aria Tang West was looking forward to a summer on Martha ’ s Vineyard with her best friends—one last round of sand and sun before college. But after a graduation party goes wrong, Aria ’ s parents exile her to California to stay with her grandmother, artist Joan West. Aria expects boredom, but what she finds is Steph Nichols, her grandmother ’ s gardener. Soon, Aria is second-guessing who she is and what she wants to be, and a summer that once seemed lost becomes unforgettable—for Aria, her family, and the working-class queer community Steph introduces her to. It ’ s the kind of summer that changes a life forever. And almost sixty years after the end of Last Night at the Telegraph Club, A Scatter of Light also offers a glimpse into Lily and Kath ’ s lives since 1955.

Suzanne O'Malley takes a close look at the Andrea Yates murder trial and discovers medical misjudgment, professional negligence, misapplied law, and a revelation that led to the overturning of Yates's conviction. It took a jury less than four hours to find Houston housewife Andrea Yates guilty of the drowning deaths of three of her five children—and a mere half hour to sentence the troubled woman with a stunning history of severe mental problems to life in prison. But beyond the media coverage of her heinous crimes, there is a story that only investigative reporter Suzanne O'Malley has fully illuminated. This updated edition of Are You There Alone? features a new chapter on the appeal of the Yates case, as well as personal updates on both Andrea and Rusty Yates. Having drawn upon hundreds of interviews—with expert witnesses, close friends, family advisers, and Andrea and Rusty themselves—O'Malley has produced a riveting true-crime account that shatters our notions about criminal law, mental illness, death-penalty politics, and religious fanaticism in America today.

Chloe Doe chronicles a 17-year-old girl's tumultuous path to becoming a prostitute and her ultimate transformation back into mainstream society. During her therapy at Madeline Parker Institute for Girls, Chloe slowly reveals aspects of her painful past--the stepfather who abused her sister, the mother who let it all happen, the need to love and be loved--and faces the future she finally decides to build for herself. Told in heart-wrenching language that's sometimes caustic, often ironic, and always authentic, Chloe Doe is certain to find a place among classics about teens that triumph over their loneliness and desperation to find hope. A woman's unsolved family history comes back to haunt her in an eerie, old, isolated manor in the Scottish Highlands. Ailsa Calder has inherited half of a house. The other half belongs to a man who disappeared from her life without a trace twenty-seven years ago—her father. Leaving London behind to settle the inheritance, Ailsa returns to her childhood home, nestled amongst the craggy peaks of the Scottish Highlands, joined by the half-sister who's almost a stranger to her. Ailsa can't escape the claustrophobic feeling that the house itself is watching her—as if her past hungers to consume her. She also can't ignore how the neighborhood animals refuse to set one foot within the gates of the garden. When the first nighttime intruder shows up and the locals in the isolated community pry into her plans for the manor, Ailsa becomes terrified that the mysteries surrounding the beautiful old home will cost her everything.

"Are our schools safe?" It's hard to turn on the news without hearing this question, and the answer is

typically "no." This novel explores what happens when bullying escalates to violence, and it challenges our definition of victimization. With thought-provoking prose, Suzanne Phillips explores the psyche of Cameron, a bullied freshman who ultimately does the unthinkable: he kills another student. As she did with Chloe Doe, Suzanne has found a way to make this seemingly dark story ultimately redemptive. But she also dares readers to look at the behavior that provokes violence as having the potential to be as dangerous as the violence itself. It's Suzanne's hope that Burn will inspire readers to take a precautionary stance against bullying rather than waiting to react to it.

USA Today Bestseller: This “emotionally rich” novel of a father, a son, and a lesson in love is “pure pleasure from beginning to end” (Susan Elizabeth Phillips, #1 New York Times – bestselling author of Dance Away with Me). Jesse Sienna doesn’t believe that love can last. His parents’ marriage was caring but passionless, and his own romantic history tells him that love can burn bright, but that it cannot burn for long. So when his elderly father, Mickey, moves in with him and seems unable to understand Jesse’s no-strings-attached relationship with Marina, his current girlfriend, Jesse barely pays attention. It’s just another example of how different they are—and more evidence that he and his father will never connect on any meaningful level. But the truth is, Mickey Sienna knows more about love than most people learn in a lifetime. Over half a century ago, he discovered the endless rewards of investing your heart and soul in someone . . . and he knows the devastating costs of letting the perfect someone slip by. Mickey sees Jesse taking an extraordinary woman for granted and decides it’s time to tell Jesse his story—a story he’s never shared with any of his children before. It is a tale that will change both of them profoundly. “A wry, tender, beautifully written novel. . . . Once I started, I couldn’t put it down.” —Lisa Kleypas, New York Times – bestselling author of Secrets of a Summer Night “Better than Nicholas Sparks’s best. There’s more wit, more wisdom, and yes, there are tears.” —John R. Maxim, New York Times – bestselling author of The Shadow Box “A warm, engaging story [that] is well structured and funny and keeps you turning the pages till the very end. . . . It may even make you rethink your own attitude toward love.” —Suzanne Vega, multiplatinum recording artist
