A classic fairy tale gets a sexy, edgy twist. Jackson "The Beast" Boudreaux is rich, gorgeous, and unbelievably rude to the staff at Chef Bianca Hardwick's New Orleans restaurant. Bianca would sooner douse herself in hot sauce than cook for Jackson again, but when he asks her to cater his fundraiser, Bianca can't refuse, knowing the cash will help

pay her mother's medical bills. Then Jackson makes another outrageous request: Marry me. The unconventional offer includes an enormous sum--money Bianca desperately needs, even if it does come with a contract--and a stunning ring. The heir to a family bourbon dynasty, Jackson knows the rumors swirling around him. The truth is even darker. Still, he needs a wife to secure his inheritance, and free-spirited, sassy Bianca would play the part beautifully. Soon, though, their simple business deal evolves into an emotional intimacy he's built walls to avoid. As the passion heats up between them, Bianca and Jackson struggle to define which feelings are real and which are for show. Is falling for your fake fianc the best happy ending...or a recipe for disaster?

Kenzie holds one truth above all: the company is everything. As a citizen of Omnistellar Concepts, the most powerful corporation in the solar system, Kenzie has trained her entire life for one goal: to become an elite guard on Sanctuary, Omnistellar's space prison for superpowered teens too dangerous for Earth. that won't propel her forward. But then a routine drill goes sideways and Kenzie is taken hostage by rioting prisoners. At first, she's confident her commanding officer—who also happens to be her mother—will stop at nothing to secure her freedom. Yet it soon becomes clear that her mother is more concerned with sticking to Omnistellar protocol than she is with getting Kenzie out safely. As Kenzie forms her own plan to escape, she doesn't realize there's a more sinister threat looming, something ancient and evil that has clawed its way into Sanctuary from the vacuum of space. And Kenzie might have to team up with her captors to survive—all while beginning to suspect there's a darker side to the Omnistellar she knows.
