### The Darkest Night SPACIOUS

Leader of the most powerful army in the heavens, Zacharel has been deemed nearly too dangerous, too ruthless—and if he isn't careful, he'll lose his wings. But this warrior with a heart of ice will not be deterred from his missions at any cost...until a vulnerable human tempts him with a carnal pleasure he's never known before. Accused of a crime she did not commit, Annabelle Miller has spent four years in an institution for the criminally insane. Demons track her every move, and their king will stop at nothing to have her. Zacharel is her only hope for survival, but is the brutal angel with a touch as hot as hell her salvation—or her ultimate damnation?

A new novel set in the world of the popular science fiction online role playing game, EVE. We all crave a purpose. A fire to spark our lives into action. It's this burning life within that drives us to our destinies. But when it burns too deep, or goes unchecked, it can shatter innocent lives in its wake. A vicious attack on a deep-space mining colony rains death and destruction on nearly all its inhabitants. Only a handful survive. Among the shattered survivors is a young man, hell-bent on an impossible revenge. In another part of the universe, a wealthy agent of death finds her tenuous grip on sanity slipping, and is forced to leave everything she's come to know and love. But her last chance at redemption lies in the last place she ever thought to look. Their respective paths take them through the vast universe of EVE, to galactic empires built on faith, hedonism, discipline, and rebellion. Their fates plunge them into the darkest parts of this galaxy, to encounters with denizens of the chaotic and dangerous pirate kingdoms. And all the while, as each draws closer to what they seek, they begin to realize that the only stakes worth playing for are the ones from which they've run so far away. . . . At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Book two in the Angelarium series. This artbook is a chronicle of Enoch, a living man wandering the world of Angels. Seeking a path home, Enoch witnesses a rogue order of Angels invading his home and threatening the existence of humanity. The book includes illustrations, poetry, and short stories centering around the fallen Angels known as the Watchers.

[On the Move! Harlequin](#)

INSTANT NEW YORK TIMES BESTSELLER A dramatically new understanding of human history, challenging our most fundamental assumptions about social evolution—from the development of agriculture and cities to the origins of the state, democracy, and inequality—and revealing new possibilities for human emancipation. For generations, our remote ancestors have been cast as primitive and childlike—either free and equal innocents, or thuggish and warlike. Civilization, we are told, could be achieved only by sacrificing those original freedoms or, alternatively, by taming our baser instincts. David Graeber and David Wengrow show how such theories first emerged in the eighteenth century as a conservative reaction to powerful critiques of European society posed by Indigenous observers and intellectuals. Revisiting this encounter has startling implications for how we make sense of human history today, including the origins of farming, property, cities, democracy, slavery, and civilization itself. Drawing on pathbreaking research in archaeology and anthropology, the authors show how history becomes a far more interesting place once we learn to throw off our conceptual shackles and perceive what's really there. If humans did not spend 95 percent of their evolutionary past in tiny bands of hunter-gatherers, what were they doing all that time? If agriculture, and cities, did not mean a plunge into hierarchy and domination, then what kinds of social and economic organization did they lead to? The answers are often unexpected, and suggest that the course of human history may be less set in stone, and more full of playful, hopeful possibilities, than we tend to assume. The Dawn of Everything fundamentally transforms our understanding of the human past and offers a path toward imagining new forms of freedom, new ways of organizing society. This is a monumental book of formidable intellectual range, animated by curiosity, moral vision, and a faith in the power of direct action. Includes Black-and-White Illustrations

After a devastating galactic war, disgraced veteran Ralston Muck ekes out a living as a bouncer at Last Stop Station's premier nightclub, A Curtain of Stars. Night after night he listens to the club's star performer, Siren, sing her memories and ease some of his aching loss. But when Siren goes missing, Muck finds himself drawn into a world of dirty cops, drug lords, and conspiracies that trace back to the war itself. The only person he can trust isn't even human. Angel, Siren's personal AI, was ripped from the singer's mind the night Siren disappeared. With no idea what has happened to her human host, and pursued by a killer virus, Angel flees to Muck for answers. Together they struggle to comprehend the conspiracy that entangles both their lives. Can Muck and the angel on his shoulder recover Siren before it's too late? Or will he lose everything that matters to him one more time?

Eva Mozes Kor was just ten years old when she arrived in Auschwitz. While her parents and two older sisters were taken to the gas chambers, she and her twin, Miriam, were herded into the care of the man known as the Angel of Death, Dr. Josef Mengele. Subjected to sadistic medical

experiments, she was forced to fight daily for her and her twin's survival. In this incredible true story written for young adults, readers learn of a child's endurance and survival in the face of truly extraordinary evil and Eva's recovery and her controversial but often misunderstood decision to publicly forgive the Nazis. Readers will learn of how she triumphed over unfathomable pain and suffering into a life-long work for peace, human rights, and Holocaust education. The new edition provides interesting details and important context to the events related in the original story. A new Afterword by publisher Peggy Porter Tierney offers a richer portrayal of Eva as a person, the truth behind the controversies, and the eventful last ten years of her life.

In this Guild Hunter novel, New York Times bestselling author Nalini Singh returns to her world of angelic rulers, vampiric servants, and the woman thrust into their darkly seductive world... Vampire hunter Elena Deveraux wakes from a year-long coma to find herself changed—an angel with wings of midnight and dawn—but her fragile body needs time to heal before she can take flight. Her lover, the stunningly dangerous archangel Raphael, is used to being in control—especially when it comes to the woman he considers his own. But Elena has never done well with authority... They've barely begun to learn each other when Raphael receives an invitation to a ball from the archangel Lijuan. To refuse would be a sign of fatal weakness, so Raphael must ready Elena for the flight to Beijing—and to the nightmare that awaits. For ancient and without conscience, Lijuan's power lies with the dead. And she has organized the most perfect and most vicious of welcomes for Elena...

They say that long ago, there was a rebellion in Heaven. That an army of angels sought to seize the throne, and were cast down into the pits of Hell in punishment. Those are the affairs of angels, and everything would have been fine if they'd kept them to themselves. But there's been another uprising, and another Fall. Cast down to Earth, the rebel angels ravaged the globe in an orgy of sin and violence as they indulged in their newfound freedoms. Their new home is the Perch, a black, towering monstrosity that blights what's left of the New York City skyline. Life inside the Perch means you watch your tongue, if you're a servant. Jana has lived there since she was a child, and now she's found herself thrust into the middle of angelic politics. Some of them want to torture her, just for the fun of it. Others say they want to protect her. And Rhamiel, a charismatic and powerful angel with one of the few faces that wasn't burnt and scarred by the Fall, is relentlessly pursuing her affections. Life outside can be just as dangerous. Strange things fell with the angels and wander the countrysides. The roads are filled with Vichies, cringing humans who've thrown their lot in with their oppressors and won't hesitate to take advantage of the weak. But some are still fighting, including William Holt. He leads a small cell of fighters, searching for a way to strike back against the angels without getting themselves killed in the process. And all around, the fallen angels inflict their savageries on the dwindling remains of humanity, enjoying every vice they'd been forbidden during their long centuries of service. They Who Fell is the first book in a trilogy.

"Utterly unique and absolutely riveting—I couldn't put it down! What a marvelously cool world." —New York Times bestselling author Sarah J. Maas on Firstlife Return to the realms with the Everlife Trilogy Complete Collection from the author of the New York Times bestselling The White Rabbit Chronicles, Gena Showalter! FIRSTLIFE Tenley "Ten" Lockwood is an average seventeen-year-old girl...who has spent the past thirteen months locked inside the Prynne Asylum. The reason? Not her obsession with numbers, but her refusal to let her parents choose where she'll live—after she dies. There is an eternal truth most of the world has come to accept: Firstlife is merely a dress rehearsal, and real life begins after death. LIFE BLOOD Lena Wise is always looking forward to tomorrow, especially at the start of her senior year. She's ready to pack in as much friend time as possible, to finish college applications and to maybe let her childhood best friend Sebastian know how she really feels about him. For Lena, the upcoming year is going to be epic—one of opportunities and chances. Until one choice, one moment, destroys everything. EVERLIFE When nothing goes as planned and betrayal leads to the edge of utter defeat, Ten and Killian will have to rebuild trust from the ashes of their hearts. Victory seems impossible, the odds stacked against them. In the end, how far will they be willing to go for the sake of their realms and the Everlife? Titles originally published in 2016, 2017, and 2018.

Secrets and betrayals, as the saga of Dark Angel continues! In a chaotic world where the lines between good and evil often blur, and violent anarchy and brutal repression become commonplace, secrets can be deadly. So when Max discovers a shattering truth that Logan has kept concealed from her for years, the betrayal threatens the very essence of their trust. Yet when Logan is kidnapped, all questions of truth and loyalty are cast aside. Max's search will lead her to a familiar, menacing enemy—and back into the shadow of the Snake Cult, which waits for her with chilling anticipation. But the search will also lead her into wholly unexpected territory. Locked in the fight of her life, Max will discover a captive of the cult who can provide her with the one thing that has haunted her ever since she escaped from Manticore. . . .

Cary Umhau had everything she'd ever wanted -- beautiful children, a healthy bank account, even, she'd been told, a ticket to heaven. Yet something felt desperately wrong. Somewhere on the road to the American Dream, her happy Christian life had become a fireproof fortress -- one that kept the world's pain at bay but left her all too safe from God's burning love. And she learned that he would do anything to break her out. Including -- it seemed -- breaking her. Burning Down the Fireproof Hotel is part memoir, part manifesto for the spacious life that's waiting for all of us beyond our private prisons.
