Derived from the renowned multi-volume International Encyclopaedia of Laws, this convenient volume provides comprehensive analysis of the law affecting the physician-patient relationship in Canada. Cutting across the traditional compartments with which lawyers are familiar, medical law is concerned with issues arising from this relationship, and not with the many wider juridical relations involved in the broader field of health care law. After a general introduction, the book systematically describes law related to the medical profession, proceeding from training, licensing, and other aspects of access to the profession, through disciplinary and professional liability and medical ethics considerations and quality assurance, to such aspects of the physician-patient relationship as rights and duties of physicians and patients, consent, privacy, and access to medical records. Also covered are specific issues such as organ transplants, human medical research, abortion, and euthanasia, as well as matters dealing with the physician in relation to other health care providers, health care insurance, and the health care system. Succinct and practical, this book will prove to be of great value to professional organizations of physicians, nurses, hospitals, and relevant government agencies. Lawyers

representing parties with interests in Canada will welcome this very useful guide, and academics and researchers will appreciate its comparative value as a contribution to the study of medical law in the international context.

Competition and Antitrust Law Scarborough, Ont. : Prentice-Hall Canada

"This book provides comprehensive analysis of Canadian corporate law topics. The subjects covered in Volume 1 are foundational in nature: the corporate concept, corporate governance, historic foundations of corporate law, etc."--

Canadian Business Corporations Law:

Volume two

Scarborough, Ont. : Prentice-Hall Canada

This accessible and practical reference provides an overview of the essential features of the law governing business organizations in Canada, both in theory and practice. It is a comprehensive and up-to-date guide for practitioners and business people setting up and using sole proprietorships, partnerships and corporations to carry on small businesses as well as a thorough introduction to the law and policy of public company

governance. The fourth edition has been fully updated to reflect developments in the caselaw and statutory reforms in the last decade. Dozens of new cases are cited. The 2018 amendments to the Canada Business Corporations Act are discussed, including the requirements for public corporations to report on the diversity of their boards of directors that are not yet in force. The chapters on securities law, corporate governance, and corporate social responsibility have been significantly expanded. As well, features to improve the utility of the book have been added, such as more comprehensive cross-referencing throughout the text. Introduction to Information Systems Scarborough, Ont. : Nelson Canada This succinct, accessible text written in plain language, is ideal for business students in college and university, who are looking to gain an understanding of business law principles. Essentials of Canadian Law

WHAT'S IN IT FOR ME?  
Information technology lives all around us-in how we communicate, how we do business, how we shop, and how we learn. Smart phones, iPods, PDAs, and wireless devices dominate our lives, and yet it's all too easy for students to take information technology for granted. Rainer and Turban's Introduction to Information Systems, 2nd edition helps make Information Technology come alive

in the classroom. This text takes students where IT lives-in today's businesses and in our daily lives while helping students understand how valuable information technology is to their future careers. The new edition provides concise and accessible coverage of core IT topics while connecting these topics to Accounting, Finance, Marketing, Management, Human resources, and Operations, so students can discover how critical IT is to each functional area and every business. Also available with this edition is WileyPLUS - a powerful online tool that provides instructors and students with an integrated suite of teaching and learning resources in one easy-to-use website. The WileyPLUS course for Introduction to Information Systems, 2nd edition includes animated tutorials in Microsoft Office 2007, with iPod content and podcasts of chapter summaries provided by author Kelly Rainer.  
The Law and Business Administration in Canada, John Wiley & Sons

---

Law and Society provides a balanced and comprehensive analysis of the interplay between law and society using both Canadian and international examples. This clear and readable text is filled with interesting information, ideas and insights. All materials and supporting statistics have been carefully updated. This edition includes an expanded discussion of the law and First Nations people, recent developments impacting LGBTIQ2S persons, and persons with disabilities and a new section on civil procedures. Each chapter is structured similarly, with an outline, learning objectives, key terms, chapter summaries, critical thinking questions, and an array of additional resources.

**Study Guide for Business Law in Canada, Ninth Canadian Edition**  
Kluwer Law International B.V.  
Today, global competition obliges companies dealing in international trade to modernize their procedures of delivery in order to minimize the customs burden and simplify the relation with customs authorities. Customs planning is the current option to be effective in the worldwide marketplace. However, customs officials are facing new challenges: they must ensure the smooth flow of trade while applying necessary controls on the one hand, while protecting the health and safety of the Community's citizens on the other. To achieve and maintain the correct balance between these demands, control methods are constantly evolving raising major challenges to those charged with planning and compliance. This book is a highly

practical work dealing with the ins and outs of European Union (EU) customs law. Cases of study, jurisprudence and comparative law support the analysis of the different legal tools. The consolidated principles ruling the transactions within WTO Member States applied in EU law offer the readers the opportunity to understand how customs rules can be applied in any customs jurisdiction. Authored by an international tax lawyer with extensive experience enforcing EU customs law as a former member of Italy's financial police, this handy resource is designed to help the reader stay in compliance with the laws controlling EU importing and exporting while structuring transactions in a business-friendly manner. "This book is a reference work in the customs law field. It deals thoroughly and practically with all

---

the matters that a customs law practitioner would need to know. This book works well both for beginners and experts, since both will find needed information and insight in it." EU Law Live - Book Review by Darya Budova, Senior Associate, Uría Menéndez  
*PROOF* Kluwer Law International B.V. Appropriate for courses in Business Law at college and university levels. Smyth/Soberman/Easson/McGill is the leader in this market, presenting a comprehensive overview of traditional and current business law topics in a readable, practical yet thorough format. The 13th edition responds to the needs of today's business students by streamlining the traditional study of contractual principles, emphasizing current legal topics involving corporate governance, e-commerce, privacy,

and globalization and expanding the discussion of strategies to manage business's legal risks. MyBusLawLab is not included with the purchase of this product.  
Business Law in Canada  
Broadview Press  
This is a collection of Canadian legal decisions, primarily from the Supreme Court of Canada, along with international cases that have bearing on Canadian law. The selected cases raise and respond to current and controversial issues in political and legal philosophy. Cases have been edited to present key legal principles and methods of judicial reasoning in action, showing not only what was decided but also how the decisions were made. Topics include: constitutional law, fundamental freedoms, equality rights, civil and criminal responsibility, and sovereignty. This new fifth edition adds over two dozen new cases, including new sections on Indigenous issues and international law. A helpful glossary of common legal terms has also been added as an

appendix.  
*Canadian Business and the Law* Kluwer Law International B.V.  
"Designed for those who are planning careers in the Canadian justice system or who will be working with people impacted by various aspects of the system, this text provides the foundational knowledge needed to understand the way the various facets of the Canadian justice system work."--  
Medical Law in Canada  
The Law of the European Union is a complete reference work on all aspects of the law of the European Union, including the institutional framework, the Internal Market, Economic and Monetary Union and external policy and action. Completely revised and updated, with many newly written chapters, this fifth edition of the most thorough resource in its field provides the most comprehensive and systematic account available of the law

of the European Union (EU). Written by a new team of experts in their respective areas of European law, its coverage incorporates and embraces many current, controversial, and emerging issues and provides detailed attention to historical development and legislative history of EU law. Topics that are constantly debated in European legal analysis and practice are touched on in ways that are both fundamental and enlightening, including the following: powers and functions of the EU law institutions and relationship among them; the principles of equality, loyalty, subsidiarity, and proportionality; free movement of persons, goods, services, and capital; mechanisms of constitutional change - treaty revisions, accession treaties, withdrawal agreements; budgetary principles and procedures; State aid rules; effect of Union law in national legal systems; coexistence of EU, European Convention of Human Rights (ECHR), and national fundamental rights law; migration and asylum law; liability of Member States for damage suffered by individuals; competition law - cartels, abuse of dominant position, merger control; social policy, equal pay, and equal treatment; environmental policy, consumer protection, public health, cultural policy, education, and tourism; nature of EU citizenship, its acquisition, and loss; law and policy of the EU's external relations. The fifth edition embraces many new, ongoing, and emerging European legal issues. As in the previous editions, the presentation is notable for its attention to how the law relates to economic and political realities and how the various policy areas interact with each other and with the institutional framework. The many practitioners and scholars who have relied on the predecessors of this definitive work for years will welcome this extensively revised and updated edition. Those coming to the field for the first time will instantly recognize that they are in the presence of a masterwork that can always be turned to with profit and that helps in understanding the rationale underlying any EU law provision or principle.

The Law and Business Administration in Canada

Canadian Business and the Law, now in its 5th edition, has transformed the teaching and learning of business law across the country. Canadian Business and the Law is constructed on the insight that risk management offers the optimal way of dealing with the legal content of business decisions. Beyond this, Canadian Business and the Law provides an engaging pedagogical vision which speaks to the student perspective by emphasizing real life current examples of the business-law interface. For example, the text relies on boxes featuring the impact of the law on Facebook in a

---

variety of contexts including the liability of Facebook for alleged privacy violations, ownership issues relating to Facebook, the firing of employees for Facebook postings, and evidence provided by Facebook photographs leading to the termination of insurance benefits. Canadian Business and the Law offers an innovative and complete learning platform which builds student success.

*Canadian Business and the Law*

"The fifth edition of Canadian Immigration and Refugee Law for Legal Professionals presents the complexities of the principles and processes of immigration, refugee, and citizenship law in an approachable, user-friendly format. It uses clear language, multiple examples, process charts, fact

scenarios, and legal cases to break down and contextualize the law. This allows readers to clearly understand and apply what they have learned."--

Business Law in Canada
