The debate about the role of business in society was sparked by the events during the 1960s and 1970s. Jacoby [4] argues that a serious opposition emerges in

the public opinion against the business world. In different spheres of society a live interest arises in problems such as civil rights, the wars, women's equality, industrial pollution of the

Law and Society offers a contemporary yet concise description of the structure and function of legal institutions, along with a lively discussion of both criminal and civil law, as well as basic legal doctrine. Unlike comparable books on law and society available today, Matthew Lippman takes an interdisciplinary

approach to integrate distinctive coverage of diversity, inequality, and globalism ...

THE ROLE OF
BUSINESS IN SOCIETY

Case studies of business and management success tend to focus on factors such as leadership, innovation, competition, and geography, but what about good fortune? This book highlights luck as a key idea for business and society. The author provides insights from

economics, sociology, political science, philosophy, and psychology to create a brief intellectual history of luck. In positioning ...

Business & Society aims to be the
leading, peer-reviewed outlet for
scholarly work dealing specifically
with the intersection of business
and society. We publish research
that develops, tests and refines
theory, and which enhances our

understanding of important
societal issues and their relation to
business.
