audiences have limited attention spans.

business communication essentials 7th edition

Business communication involves constant flow of information. Feedback is integral part of business communication.

Organizations these days are verly large and involve large number of people. There are various levels of hierarchy in an organization. Greater the number of levels, the more difficult is the job of managing the organization.

What is Business Communication - Management Study Guide

Define communication, and explain the importance of effective business communication. Communication is the process of transferring information and meaning between senders and receivers, using one or more written, oral, visual, or electronic media. The ability to communicate well will play a key role in your success as a business professional.
