Also includes enlightening articles on today's MBA degree, admissions and application advice, new business programs, and more.

Selling Your Startup John Wiley & Sons

Learn how to sell your startup from an acquisition expert Many entrepreneurs dream of the day their company is acquired and they secure a perfect exit. But information about the process of getting your business

acquired usually comes from expensive investment bankers who typically advise late-stage startups. In *Selling Your Startup*, serial entrepreneur Alejandro Cremades delivers an accessible guide on how to sell your startup. With first-hand experience as a fully exited entrepreneur, investment banker, and lawyer, Cremades describes the tips and tricks startup founders need to sell their early-stage to growth-stage business. In this book, you'll discover: The role that investment bankers play in the acquisition process, how they add value, and how to break down their fees. Preparing your company for sale, including compiling a pitch book, putting its finances in order, and building a target list of potential acquirers. How to get to a Letter of Intent, perform due diligence, and reach a purchase agreement. Perfect for entrepreneurs of all kinds, *Selling Your Startup* is a must-have roadmap to the practical realities of company acquisition and contains proven guidance on crafting your perfect exit.
