Study Guide and Workbook to Accompany Law for Business South-Western Pub

Understanding Corporate Law is designed to assist students by offering a clear and comprehensive treatment of key concepts in corporate law. It is a popular study guide for students and has been used by professors to supplement their casebook or as recommended reading. Significant business, economic, and policy issues are highlighted in connection with a thorough analysis of the important cases and statutory provisions used in the study of corporations. It includes the major theoretical approaches used in current corporate law literature. In each chapter, the authors identify important policies and discuss the relationship of the law as it has developed to those policies. Statutory issues are covered under both the General Corporation Law of the State of Delaware and the Revised Model Business Corporation Act. The Third Edition of Understanding Corporate Law discusses developing case law since the Second Edition including the Delaware courts' use of good faith in fiduciary duty cases. The book also reflects the corporate governance issues raised by the corporate scandals and the passage of the Sarbanes-Oxley Act of 2002. A section of Chapter 5 deals generally with that Act, but its impact is also covered in relevant sections throughout the book. This Understanding treatise is designed to be used in conjunction with all of the major corporate law casebooks.

Study Guide W/Answers for Essentials of Business Law and the Legal Environment Thomson South-Western

Prepared by Neely S. Inlow of Lynchburg College, this student guide provides for each chapter a brief statement of purpose, chapter checkpoints, study tips, chapter outlines, key term definitions, and true/false, multiple choice, and short essay questions. Business Law (Speedy Study Guides) Thomson South-Western Questions and Answers: Business Associations helps students better understand and develop their mastery of the law of business association in ways that will help them succeed in a standard survey course, prepare for the bar exam, and enter practice. The third edition of this popular supplement updates, clarifies, and builds upon the coverage of earlier chapters, introduces questions focused on the law of agency, and elaborates on distinctions between the Model Business Corporation Act and the Delaware General Corporation Law. Notably, the revisions of the third edition have been informed by developments announced by the National Conference of Bar Examiners in anticipation of forthcoming revisions to the bar exam. This study guide includes multiple-choice and short-answer questions arranged topically for ease of use during the semester, plus an additional set of questions comprising a comprehensive "practice exam." For each multiple-choice question, the authors have provided a thorough, yet concise, explanation that both indicates which of four options is the best answer and explains why that option is better than the other three options. Each short-answer question is designed to be answered in fifteen minutes or less. For these questions, the authors provide a comprehensive, yet brief, model answer. In all, this study guide provides a useful tool for formative assessment and self-evaluation.

West's Business Law Research & Education Assoc.
