Now in its Eighth Edition, Essentials of Entrepreneurship and Small Business Management teaches students how to successfully launch and manage a small business with staying power. By dissecting case studies, examining successes and failures in the context of the market, and observing the tactics used by today's most successful small business ventures, a diverse set of students can develop potent business acumen in the classroom.

*Business and Society: Ethics, Sustainability, and ...*

Description. This new edition of the text continues to extend its coverage of small business management and entrepreneurship, drawing on contemporary theory and practice in equal measure. Whilst the structure and format of the chapters remains broadly the same as the

previous edition, the book includes many new examples and current references drawn from a wide variety of industrial, social and cultural contexts, bringing our knowledge of small business management and entrepreneurship up to date.
