Business, Conflict Resolution and Peacebuilding examines the actions currently being taken by businesses in areas of violent conflict around the world, and explores how they can make a significant contribution to the resolution of violent conflicts through business-based peacebuilding. This book combines two approaches to provide a comprehensive look at the current state and future of business-based peacebuilding. It marries a detailed study of documented peacebuilding activities with a map of the possibilities for future business-related conflict work and pragmatic suggestions for business leaders, conflict resolution practitioners, and peacebuilding organizations. The use of the label 'business-based peacebuilding' is new and signifies actions business can take beyond simple legal compliance or making changes to avoid creating a conflict. Although business-based peacebuilding is new, examples are included from around the world to illustrate that, working together, businesses have a strong contribution to make to the creation of peaceful societies. The book advocates pragmatic peacebuilding, which is not overly concerned with cause-driven models of conflict. Instead, pragmatic peacebuilding

encourages an examination of what is needed in the conflict and what can be provided. This approach is free of some of the ideological baggage of traditional peacebuilding and allows for a much wider range of participants in the peacebuilding project. This book will be of much interest to students of peace studies, conflict resolution, international security and business studies, as well as to practitioners and business leaders. Derek Sweetman is Dispute Resolution Director for Better Business Bureau in Washington, DC and Instructor at New Century College, George Mason University, USA.

A reference to help business leaders and human resources managers dissolve office disputes and foster dialogue with employees. Ouch! Did I really say that? What was I thinking? It ' s uncomfortable to go into a tenuous situation blind and fumbling for words. That ' s why people run from conflict. Rather than avoid these situations, The Conflict Resolution Phrase Book can help you prepare for and embrace them. Sometimes you just need a prompt to say the right thing, and that ' s what this book will do. Using it you ' ll learn: Positive things to say when initiating or responding to difficult conversations and situations How to find and craft language to start a sensitive conversation The right words to positively influence the situation The more you practice, the better you ' ll become. Having this book at your fingertips will give you the confidence that the

words will come out right. The Conflict Resolution Phrase Book is a natural complement to the author ' s previous book, The Essential Workplace Conflict Handbook.
" Barbara and Cornelia take the fear out of managing conflict and difficult conversations. " —Adam Bowman, MA. PHR " A ready resource on how to talk differently to get different results when managing conflict. It is a must have for the manager or HR professional. " —Marsha Hughes-Rease, MSOD, PCC, CAPT/NC/USN/Ret., Quo Vadis Coaching and Consulting, LLC

If you ' re seeking a practical approach to building a safe and profitable business loan portfolio, you already know it ' s easy to get overwhelmed. The environment doesn ' t make the task easier: Economies continue to undergo structural adjustments, and markets are getting increasingly competitive and volatile. Kenny Tay, a veteran merchant banker and licensed securities dealer, provides a framework that allows new entrants into the corporate lending world succeed. Drawing on his decades of experience, he delivers lessons so you or your lending team can: understand the financing structure of a typical business corporation; determine the rationale for borrowing and lending; assess a company ' s credit risk profile; and evaluate loans until they are fully repaid. Many unforeseen events can happen along the way that can turn a good loan into a bad one, which is why you need to fully understand the process. Make a

complete commitment to building a business loan portfolio that will stand the test of time with Corporate and Business Lending.

A Harvard Business Review Paperback. Conscious Business Independently Published

Within the past few years, innovative methods have been developed not only to settle disputes out of court but also to supplement or replace the means by which legislatures, businesses, communities, therapists, and schools handle conflicts that once could be resolved only by litigation or force. Settling Disputes serves as an essential guide to the new settlement alternatives. This updated edition, in response to the rapid changes of the past five years, includes substantial new material that describes recent transformations in the way that courts and public agencies respond to disputes. The book discusses alternative dispute resolution from the viewpoints of potential participants and offers advice to those who are involved in disputes to help them analyze their situations and goals. Finally, it provides suggestions for professionals involved in dispute resolution and for those whose jobs in law, business, or government are affected by the new options for settling disputes. The dispute resolution movement continues to offer the most hopeful, powerful alternative to the business and personal costs of litigation or, worse, of violence. It has tremendous implications for the professional lives of Americans, for their private lives?as parents, spouses, neighbors, and consumers?and for their role as citizens. The first edition of Settling Disputes was awarded the 1990 Center for Public Resources Book Prize.

A panel of top scholars presents the first comprehensive collection of primary sources from Unitarian Universalist history. This critical resource covers the long histories of Unitarianism, Universalism, and Unitarian Universalism in the United States and around the world, and offers a wealth of sources from the first fifty-five years of the Unitarian Universalist Association. From Arius and Origen to Peter Morales and Rebecca Parker, this two-volume anthology features leaders, thinkers, and ordinary participants in the ever-changing tradition of liberal religion. Each volume contains more than a hundred distinct selections, with scholarly introductions by leading experts in Unitarian Universalist history. The selections include sermons, theologies, denominational statements, hymns, autobiographies, and manifestos, with special attention to class, cultural, gender, and sexual diversity. Primary sources are the building blocks of history, and A Documentary History of Unitarian Universalism presents the sources we need for understanding this denomination ' s past and for shaping its future.
