has left her job as a receptionist at a veterinary clinic, has published successful books and has been friendzoned by Hollywood, left Chicago, and moved into a house with a garden that requires repairs and know-how with her wife in a Blue town in the middle of a Red state where she now hosts book clubs and makes mason jar salads. This is the bourgeois life of a Hallmark Channel dream. She goes on bad dates with new friends, spends

weeks in Los Angeles taking meetings with "tv executives slash amateur astrologers" while being a "cheese fry-eating slightly damp Midwest person," "with neck pain and no cartilage in [her] knees," who still hides past due bills under her pillow. The essays in this collection draw on the raw, hilarious particulars of Irby's new life. Wow, No Thank You. is Irby at her most unflinching, riotous, and relatable. Essays and Dissertations

"One hundred incisive, idiosyncratic essays on life and theater from a major American playwright "Don't send your characters to reform school!" pleads Sarah Ruhl in one of her essays. With titles as varied as "On Lice" to "On Sleeping in Theaters" and "Motherhood and Stools (The Furniture Kind)," these essays are artful meditations on life in the arts and joyous jumbles of observations on everything in between. The pieces combine admonition, celebration, inquiry, jokes, assignments, entreaties, prayers, and advice: honest reflections distilled from years of working in the theater. They offer candid accounts of

---

what it is like to be a mother and an artist, along with descriptions of how Ruhl's children's dreams, jokes, and songs work themselves into her writing. 100 Essays is not just a book about the theater. It is a map of a very particular artistic sensibility and a guide for anyone who has chosen an artist's life"--

One of Book Riot's "The Best Books We Read in October 2018" "To say this collection is transgressive, provocative, and brilliant is simply to tell you the truth." —Roxane Gay,

author of *Hunger* and *Bad Feminist* Smart, humorous, and strikingly original essays by one of "America's most bracing thinkers on race, gender, and capitalism of our time" (Rebecca Traister) In these eight piercing explorations on beauty, media, money, and more, Tressie McMillan Cottom—award-winning professor and acclaimed author of *Lower Ed*—embraces her venerated role as a purveyor of wit, wisdom, and Black Twitter snark

about all that is right and much that is wrong with this thing we call society. Ideas and identity fuse effortlessly in this vibrant collection that on bookshelves is just as at home alongside Rebecca Solnit and bell hooks as it is beside Jeff Chang and Janet Mock. It also fills an important void on those very shelves: a modern black American feminist voice waxing poetic on self and society, serving up a healthy portion of clever prose and southern aphorisms as she covers

everything from Saturday Night Live, LinkedIn, and BBQ Becky to sexual violence, infant mortality, and Trump rallies. Thick speaks fearlessly to a range of topics and is far more genre-bending than a typical compendium of personal essays. An intrepid intellectual force hailed by the likes of Trevor Noah, Chimamanda Ngozi Adichie, and Oprah, Tressie McMillan Cottom is “among America’s most bracing thinkers on race, gender, and

capitalism of our time” (Rebecca Traister). This stunning debut collection—in all its intersectional glory—mines for meaning in places many of us miss, and reveals precisely how the political, the social, and the personal are almost always one and the same. *Writing Essays For Dummies But Enough About You* #1 NEW YORK TIMES BESTSELLER • In this brilliant biography, Pulitzer Prize – winning

extraordinary access to the forty-first president and his family, Meacham paints an intimate and surprising portrait of an intensely private man who led the nation through tumultuous times. From the Oval Office to Camp David, from his study in the private quarters of the White House to Air Force One, from the fall of the Berlin Wall to the first Gulf War to the end of Communism, *Destiny and Power* charts the thoughts, decisions, and emotions of a modern president who may have been the last of his kind. This is the human story of a man who was, like the nation he led, at once noble and flawed. His was one of the great American lives. Born into a loving, privileged, and competitive family, Bush joined the navy on his eighteenth birthday and at age twenty was shot down on a combat mission over the Pacific. He married young, started a family, and resisted pressure to go to Wall Street, striking out for the adventurous world of Texas oil. Over the course of three decades, Bush would rise from the chairmanship of his county Republican Party to serve as congressman, ambassador to the United Nations, head of the Republican National Committee, envoy to

---

China, director of Central Intelligence, vice president under Ronald Reagan, and, finally, president of the United States. In retirement he became the first president since John Adams to see his son win the ultimate prize in American politics. With access not only to the Bush diaries but, through extensive interviews, to the former president himself, Meacham presents Bush ' s candid

assessments of many of the critical figures of the age, ranging from Richard Nixon to Nancy Reagan; Mao to Mikhail Gorbachev; Dick Cheney to Donald Rumsfeld; Henry Kissinger to Bill Clinton. Here is high politics as it really is but as we rarely see it. From the Pacific to the presidency, *Destiny and Power* charts the vicissitudes of the life of this quietly compelling American

original. Meacham sheds new light on the rise of the right wing in the Republican Party, a shift that signaled the beginning of the end of the center in American politics. *Destiny and Power* is an affecting portrait of a man who, driven by destiny and by duty, forever sought, ultimately, to put the country first. Praise for *Destiny and Power* " Should be required reading—if not for every presidential candidate,

---

then for every president elect. ” —The Washington Post “ Reflects the qualities of both subject and biographer: judicious, balanced, deliberative, with a deep appreciation of history and the personalities who shape it. ” —The New York Times Book Review “ A fascinating biography of the forty-first president. ” —The Dallas Morning News

The instant New York Times bestseller and publishing phenomenon: Marina Keegan 's posthumous collection of award-winning essays and stories "sparkles with talent, humanity, and youth" (O, The Oprah Magazine). Marina Keegan 's star was on the rise when she graduated magna cum laude from Yale in May

2012. She had a play that was to be produced at the New York Fringe Festival and a job waiting for her at The New Yorker. Tragically, five days after graduation, Marina died in a car crash. Marina left behind a rich, deeply expansive trove of writing that, like her title essay, captures the hope, uncertainty, and possibility of her generation. Her short story "Cold Pastoral" was published on

NewYorker.com. Her essay "Even Artichokes Have Doubts" was excerpted in the Financial Times, and her book was the focus of a Nicholas Kristof column in The New York Times. Millions of her contemporaries have responded to her work on social media. As Marina wrote: "We can still do anything. We can change our minds. We can start over...We 're so young. We can 't, we MUST not

---

lose this sense of possibility because in the end, it ' s all we have. ” The Opposite of Loneliness is an unforgettable collection of Marina ' s essays and stories that articulates the universal struggle all of us face as we figure out what we aspire to be and how we can harness our talents to impact the world.

“ How do you mourn the loss of a fiery talent that was barely a tendril before it was snuffed

out? Answer: Read this book. A clear-eyed observer of human nature, Keegan could take a clever idea...and make it something beautiful ” (People).

“ [A] landmark book . . . Solnit illustrates how the uprisings that begin on the streets can upend the status quo and topple authoritarian regimes ”

(Vice). A book as powerful and influential as Rebecca Solnit ' s *Men Explain Things to Me*, her *Hope in the Dark* was written to

counter the despair of activists at a moment when they were focused on their losses and had turned their back to the victories behind them—and the unimaginable changes soon to come. In it, she makes a radical case for hope as a commitment to act in a world whose future remains uncertain and unknowable. Drawing on her decades of activism and a wide reading of environmental, cultural, and political history, Solnit argues that radicals have a long, neglected history of transformative victories, that the positive consequences of our acts

---

are not always immediately seen, directly knowable, or even measurable, and that pessimism and despair rest on an unwarranted confidence about what is going to happen next. Now, with a moving new introduction explaining how the book came about and a new afterword that helps teach us how to hope and act in our unnerving world, she brings a new illumination to the darkness of our times in an unforgettable new edition of this classic book. “One of the best books of the 21st century.” —The Guardian  
“No writer has better

understood the mix of fear and possibility, peril and exuberance that’s marked this new millennium.” —Bill McKibben, New York Times – bestselling author of *Falter* “An elegant reminder that activist victories are easily forgotten, and that they often come in extremely unexpected, roundabout ways.” —The New Yorker  
*The Beast Is an Animal* Dial Press Trade Paperback  
George Orwell set out ‘to make political writing into an art’, and to a wide extent this aim shaped the future of English literature – his descriptions of

authoritarian regimes helped to form a new vocabulary that is fundamental to understanding totalitarianism. While *1984* and *Animal Farm* are amongst the most popular classic novels in the English language, this new series of Orwell’s essays seeks to bring a wider selection of his writing on politics and literature to a new readership. In *Why I Write*, the first in the *Orwell’s Essays* series, Orwell describes his journey to becoming a writer, and his movement from writing poems to short stories to the essays, fiction and non-

---

fiction we remember him for. He also discusses what he sees as the 'four great motives for writing' – 'sheer egoism', 'aesthetic enthusiasm', 'historical impulse' and 'political purpose' – and considers the importance of keeping these in balance. Why I Write is a unique opportunity to look into Orwell's mind, and it grants the reader an entirely different vantage point from which to consider the rest of the great writer's oeuvre. The international sensation that illuminates the experiences women are supposed to hide—from addiction, anger, sexual assault, and infertility to joy, sensuality, and love.

**WINNER OF THE AN POST IRISH BOOK OF THE YEAR** • “Emilie Pine’s voice is razor-sharp and raw; her story is utterly original yet as familiar as my own breath.” —Glennon Doyle, #1 New York Times bestselling author of *Love Warrior* In this dazzling debut, Emilie Pine speaks to the events that have marked her life—those emotional disruptions for which our society has no adequate language, at once bittersweet,

---

clandestine, and ordinary. She writes with radical honesty on the unspeakable grief of infertility, on caring for an alcoholic parent, on taboos around female bodies and female pain, on sexual violence and violence against the self. This is the story of one woman, and of all women. Devastating, poignant, and wise—and joyful against the odds—Notes to Self is an unforgettable exploration of what it feels like to be alive, and a daring act of rebellion against a society that is more comfortable with women’s silence. Praise for Notes to Self “Notes to Self begins as a deceptively simple catalogue of the injustices of modern female life and slyly emerges as a screaming treatise on just what it means to make your own rules, turning the hand you’ve been dealt into the coolest game in town. Emilie Pine is like your best friend—if your best friend was so sharp she drew blood.” —Lena Dunham, #1 New York Times bestselling author of Not That Kind of Girl “To read these essays is to understand the human condition more clearly, to reassess one’s place in the world, and to reclaim one’s own experiences as real and valid.” —Sunday Independent “Harrowing, clear-eyed . . .
