Introduced in 1953, Chevrolet's Corvette has endured for over four decades and today to this day America's preeminent sports car. First published in 1983, "Illustrated Corvette Buyer's Guide" has been updated and expanded to include an all new chapter on the newly designed 1997 models. 225 illustrations.

[Spend Your Way to Wealth](#) Mike Schiano

The Porsche 911 Buyer's Guide takes a year-by-year approach to what a prospective buyer should look for when evaluating a used 911. For each year, from 1965 to the present, the author examines the problematic areas of each model, what to ask the seller, and much more.

**FTC Buyer's Guide** Federal Register Federal Trade Commission

Why the increasing use of boilerplate is eroding our rights Boilerplate--the fine-print terms and conditions that we become subject to when we click I agree online, rent an apartment, enter an employment contract, sign up for a cellphone carrier, or buy travel tickets--pervades all aspects of our modern lives. On a daily basis, most of us accept boilerplate provisions without realizing that should a dispute arise about a purchased good or service, the nonnegotiable boilerplate terms can deprive us of our right to jury trial and relieve providers of responsibility for harm. Boilerplate is the first comprehensive treatment of the problems posed by the increasing use of these terms, demonstrating how their use has degraded traditional notions of consent, agreement, and contract, and sacrificed core rights whose loss threatens the democratic order. Margaret Jane Radin examines attempts to justify the use of boilerplate provisions by claiming either that recipients freely consent to them or that economic efficiency demands them, and she finds these justifications wanting. She argues, moreover, that our courts, legislatures, and

regulatory agencies have fallen short in their evaluation and oversight of the use of boilerplate clauses. To improve legal evaluation of boilerplate, Radin offers a new analytical framework, one that takes into account the nature of the rights affected, the quality of the recipient's consent, and the extent of the use of these terms. Radin goes on to offer possibilities for new methods of boilerplate evaluation and control, among them the bold suggestion that tort law rather than contract law provides a preferable analysis for some boilerplate schemes. She concludes by discussing positive steps that NGOs, legislators, regulators, courts, and scholars could take to bring about better practices.

*The Yugo* Hill and Wang

*Corvette C3 Buyer's Guide 1968-1982* Consumer Reports Books

Gelber's highly readable and lively prose makes clear how this unique economic ritual survived into the industrial twentieth century, in the process adding a colorful and interesting chapter to the history of the automobile.

[Consumer Action Handbook](#) Routledge

"Your toolkit for prevention, redemption, and occasionally retribution." -Ralph Nader Whenever you purchase goods or services in a personal, household, or family capacity, you are entitled to the rights and remedies of state and federal consumer law. Realistically, only a very small percentage of consumer problems can be addressed by hiring a private attorney. Everyday Law for Consumers teaches practical self-help remedies that ordinary Americans can use to protect their consumer rights. Michael L. Rustad, a nationally known practicing attorney and legal scholar, translates into plain English the legalese that forms the basis for many common transactions, including consumer loans, credit repair, credit, consumer leases, usury, interest rates, Internet transactions, identity theft, distance contracts, home shopping, television advertisements, door-to-door sales, and telephone solicitations. Using real-life examples, sample complaint letters, and an appendix of further examples, this easy-to-read book empowers everyday people to become effective self-advocates in an increasingly consumer-driven society.

### Porsche 911 Buyer's Guide Workman Publishing

Media Law and Ethics is a comprehensive overview and a thoughtful introduction to media law principles and cases as well as related ethical concerns relevant to the practice of professional communication. This is the first textbook to explicitly integrate both media law and ethics within one volume. Since it integrates both current law and ethical queries, it is ideal for both undergraduate and graduate courses in media law and ethics. Co-author Kyu Ho Youm expands this edition's international scope, updating and broadening his chapter on international and foreign law. The book also covers the most timely and controversial issues in modern American media. The new fifth edition has been updated with current events and discusses the potential impact they have.

### Driver

Six months after its American introduction in 1985, the Yugo was a punch line; within a year, it was a staple of late-night comedy. By 2000, NPR's Car Talk declared it "the worst car of the millennium." And for most Americans that's where the story begins and ends. Hardly. The short, unhappy life of the car, the men who built it, the men who imported it, and the decade that embraced and discarded it is rollicking and astounding, and one of the greatest untold business-

cum-morality tales of the 1980s. Mix one rabid entrepreneur, several thousand "good" communists, a willing U.S. State Department, the shortsighted Detroit auto industry, and improvident bankers, shake vigorously, and you've got *The Yugo: The Rise and Fall of the Worst Car in History*. Brilliantly re-creating the amazing confluence of events that produced the Yugo, Yugoslav expert Jason Vuic uproariously tells the story of the car that became an international joke: The American CEO who happens upon a Yugo right when his company needs to find a new import or go under. A State Department eager to aid Yugoslavia's nonaligned communist government. Zastava Automobiles, which overhauls its factory to produce an American-ready Yugo in six months. And a hole left by Detroit in the cheap subcompact market that creates a race to the bottom that leaves the Yugo . . . at the bottom.

### New Cars & Trucks Buyer's Guide

If you are struggling with the idea of having to deal with dealers or salespeople- this car buying guide is for you!
