Buyers' Guide of the City of Charlotte (North Carolina), 1934: The Buyers' Guide Contains the Advertisements and Business Cards of the More Progressive Business Men and Firms in the City, Classified According to Lines of Business A court house, constructed of logs, had been built in the town a few years previous to its incorporation, and the county court was held there, which probably accounted for Charlotte being selected as the county seat. The court house was located at the intersection of the streets now known as Trade and Tryon. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Corvette C2 Sting Ray
Motorbooks
Oldsmobile F-85 its name lack luster and was over run by flashier comrades like Chevelle and Skylark, it seemed to be a dull ordinary run of the mill machine. It fit right in with the Oldsmobile image that the buying public had. The schoolteacher's car was the Oldsmobile image, and the F-85 seemed to be part of that scheme. But as the saying goes looks can be deceiving. In the midst of the full out horsepower war in the 1960s and 1970s, Oldsmobile broke through the looking glass, no longer were they lost in Wonderland. Offering up a full fledged muscle car, some companies would have tried to place a cute sounding name on it but not Oldsmobile, they stuck tough and placed number-442. Originally standing for 4-barrel, 4-speed and dual exhaust, it made the debut in 1964 as a special police car package. As the war of horsepower heated up, the name would lose the meaning, but not the impact. Eventually coming standard with the 455-ci 4-bbl power plant, there was no doubt this one was all muscle car. Oldsmobile 442 may not have had the fame that the GTO did or the sales that the Chevelle SS did, but nobody blended

luxury and performance together like Oldsmobile did. Are you wondering what parts from F-85 models will fit your 442. Wonder no longer. Cutlass and 442 Body Trim and Glass is packed with hundreds of interchanges that are based solely on the 1964-72 F-85 line up which includes the 442 and Hurst /Olds models, and also the Vista Cruiser. Do not overlook the big wagon, many parts will fit your 442. Which ones? The answers are inside.

Illustrated Ducati Buyer's Guide Veloce Publishing Ltd Featuring a fresh layout, revised maps, and more detail than ever before, the seventh edition of Parker's Wine Buyer's Guide offers collectors and amateurs alike the ultimate resource to the world's best wines.

Understanding that buyers on every level appreciate a good deal, Parker separates overvalued bottles from undervalued, with wine prices instantly shifting according to his evaluations. Indifferent to the wine's pedigree, Parker's eminent 100-point rating system allows for independent, consumer-oriented, inside information. The latest edition of Parker's Wine Buyer's Guide includes expanded information on Spain, Portugal, Germany, Australia, Argentina, and

Chile, as well as new sections on Israel and Central Europe. As in his previous editions, Parker provides the reassurance of a simple number rating, predictions for future buying potential, and practical overviews of regions and grapes. Altogether, an indispensable resource from the man the Los Angeles Times calls "the most powerful critic of any kind." Official Condo Buyers Guide to Miami Createspace Independent Pub

Are you in the market for buying a used RV? Do you want to purchase a motorhome but aren't sure what to look for? Do you need a helpful guide for how to buy a camper for your next family vacation? Do you want to save money on your RV purchase? You need this used RV buyer's guide! My book, Used Motorhome Buying Guide, will teach you everything you need to know about how to purchase a used RV, motorhome, travel trailer, or camper of your dreams. Your new motorhome should fit your needs as best as it can. You deserve to travel in comfort and style. Armed with the knowledge of how to get the best deal when buying a used RV, you can save precious money and time. This book

will give you vital advice and guidance on how to buy a used motorhome. I am a travel writer by trade but a nomad by choice. Traveling the country by RV is one of the best ways to truly experience nature and adventure. I have lived in my share of different types of recreational vehicles, all with their own pros and cons. With this nomadic lifestyle comes the challenges of repairs and maintenance of a home on wheels. This book is the culmination of what I have learned about the best practices of how to buy a used RV. The first section of this book is all about the basic factors of RVs. It is important for you to understand all the basics surrounding motorhomes. I help you understand the different types of motorhomes, the features of each type, and the benefits. We also look at the features to expect in an RV and factors to consider before deciding to buy a used RV. I help you compare the benefits of buying a used RV versus buying a new one. This way, you have a clear perspective on your options. In the second section of the book, you are introduced to RV inspections. When purchasing a used RV, the value you get depends on your inspection process. We help you prepare a detailed checklist of everything you desire in an RV. For you to find an RV that matches your needs, you must start by preparing a detailed list of all your needs and expectations. From this list, I help you figure out the features that are the most important and the ones that are not necessary. In the third section, we focus on testing the features of the RV and authenticating the legality of the ride. For anyone looking to buy a used RV, this is one of the most important sections. You can't get a good deal unless you know how to inspect the used RV and test the features. The book outlines the tricks and tips used to detect faults in the plumbing and electrical systems of the RV. We look at the best way to test drive a used RV and the features to focus on during test drives. We detail the secrets used by RV dealers to hide problems and how to uncover any hidden issues. In the fourth section of the book, we look at all the legal matters that affect used RVs. I help you understand the possibilities of buying an RV that is involved in crime or accidents. We look at some of the ways you can authenticate and verify the legality of an RV. Finally, we look at the risks and precautions involved in buying used RVs. Generally, this last section just helps sum up all the dangers involved in buying used RVs. If you are looking to purchase a used RV, a new RV, or to learn more about RVs, this book is for you. I am sure you have learned a lot, and you are on the path to find the best ride for you and your family. As a **BONUS**, I have provided you with a detailed checklist to take along with you as perform your pre-purchase inspection. Instructions on obtaining a printable checklist are included. You will want to click "Buy Now" and add this title to your collection and I promise to save you money, headache and frustrations from buying a lemon. Parker's Wine Buyer's Guide, 7th Edition David Hanley As the demand for new and vintage comic books soars, Standard Catalog of' Comic Books delivers an unparalleled volume of comic book history and up-to-date prices (in US dollars). Now in its 4th edition, this reference features more than 5,000 new issues and over 50,000 new facts about comic books published in North America in the last 70 years. Each listing provides collectors and dealers with original price, cover date, creator names, story titles, character appearances, original print runs, sales

figures and more. This edition gives enthusiasts something they won't find in any other comic book guide.
