Line is the path created when an object moves from one point to another. In the visual arts, lines are made when you draw or paint marks on a paper, canvas, or when materials such as wood, glass and metal are bent or shaped. Lines are also made by photographers or filmmakers when they choose how to angle

their cameras or compose their shots. PR Strategies: Writing Bylined Articles - Entrepreneur.com Find answers to your questions using LINE Help. Dispatches of Four Decades
Spanning the years from 1920
to 1956, this priceless collection
of pieces written by
Hemingway ranges from
articles for the "Toronto Star"
and the Hearst newspapers to
popular magazines such as
"Esquire, Collier's" and
"Look", and includes
Hemingway's vivid eyewitness
accounts of the Spanish Civil
War and World War II.

BY-LINE: SELECTED ARTICLES AND DISPATCHES OF FOUR DECADES ...

Write your article byline in
third person, rather than
first person. Your byline
needs to maintain some
professionalism to attract
potential clients and
customers. Even when
writing about yourself,
always use third person
pronouns, including your
full name and the name of
your company or website to

make it easier for people to
find you.

42+ Text-Editing Keyboard Shortcuts That Work Almost ...

More art than science, line
editing ensures that the
sentences in a book or
article are as effective as
they can be. A line editor is
attentive to the writer ' s
individual style (for that
reason, the job is sometimes
called stylistic editing) and
approaches the manuscript
as a careful reader.
